A Message of Gratitude:

People throughout our communities, state, nation, and world have been significantly and irretrievably impacted by the Coronavirus pandemic. We have had to adjust and readjust all aspects of life to prioritize health and safety, and our day to day lives might never look the same again. As legal practitioners, we have faced uncertainty, changes in processes and procedures, and deep anxiety on how to safely and efficiently keep the wheels of justice turning, during a time when many people—especially our vulnerable populations—need access to justice more than ever.

As one of my first acts as WSBA President, I want to officially recognize a group that has not only stood up bravely in the face of so much uncertainty but has reached deeper and risen higher in their humanity to give even more of themselves. This is a group of colleagues and community members who volunteer countless hours of their time and expertise to uphold and uplift the integrity of the legal profession. I am speaking, of course, about our WSBA volunteers.

We have more than 1,000 volunteers who are the backbone of the regulatory and professional services provided by the state bar. They are the boots on the ground, tackling problems and providing resources through entities like the Disciplinary Board, Legislative Review Committee, Client Protection Board, Pro Bono and Public Service Committee, the 29 Sections and, so, so many more. When I first began volunteering with WSBA, I was surprised at how robust this volunteer network is and how proud I was to be a part of an organization filled with people volunteering their time and energy to improve our society, judicial system and the law. As I embark on my term as President, that feeling has evolved into immense gratitude as I have witnessed the enormous difference our volunteers make each and every day.

And I will say again: This is an unprecedented year, and our WSBA volunteers have responded in unprecedented ways. They have transitioned their work and relationships to virtual processes while stepping up to do even more to serve their fellow legal professionals and community members, who have desperately needed new legal resources.
and problem-solving during the pandemic. It has been a big lift, but I am inspired and hopeful for the future because of the work I have seen our volunteers do in furtherance of the WSBA’s mission to champion justice.

On behalf of myself and the WSBA Board of Governors, to each and every one of our WSBA volunteers: I want to express our sincere gratitude and recognition of your outstanding and extraordinary commitment to this profession and the people we serve. Thank you. Thank you for adapting to this unprecedented time with grace and a steadfast focus on the work to be done for the betterment of the legal profession. Thank you for your time, which was and is now more so than ever, a precious resource. Thank you for your participation, for showing up with ideas and energy, for joining together, and for engaging in such meaningful pursuits when the need to prioritize elsewhere can be so great.

Thank you.

I am committed to recognizing your contribution to this organization and the public despite any restrictions the Coronavirus pandemic might place upon us. That includes transmitting this letter of thanks through as many channels as possible. This message will be read aloud at the November 2020 Board of Governors meeting, included in the board meeting materials, posted online, and sent to our volunteer community.

With immeasurable gratitude,

Kyle D. Sciuchetti, President of Washington State Bar Association and on behalf of the Board of Governors

RE: Resolution to Adopt Schedule of Public Meetings

ACTION: Approve Resolution adopting schedule of public meetings to file with Code Reviser in compliance with the Open Public Meetings Act.

The Open Public Meetings Act provides that the governing body of a public agency shall provide the time for holding regular meetings by ordinance, resolution, bylaws, or by whatever other rule is required for the conduct of business of that body. [RCW 42.30.070] The schedule, including the time and place of the regular meetings, shall be filed with the code reviser on or before January or each year for publication in the Washington State Register. [RCW 42.30.075] This resolution contains the required information for filing with the code reviser. After the Board adopts this Resolution and it is filed with code reviser, the Board will be able to have regular, rather than special meetings.

Date: November 14, 2020

ACTION: Approve Resolution adopting schedule of public meetings to file with Code Reviser in compliance with the Open Public Meetings Act.

The Open Public Meetings Act provides that the governing body of a public agency shall provide the time for holding regular meetings by ordinance, resolution, bylaws, or by whatever other rule is required for the conduct of business of that body. [RCW 42.30.070] The schedule, including the time and place of the regular meetings, shall be filed with the code reviser on or before January or each year for publication in the Washington State Register. RESOLUTION ADOPTING SCHEDULE OF REGULAR MEETINGS OF THE
WASHINGTON STATE BAR ASSOCIATION BOARD OF GOVERNORS

Whereas, RCW 2.48.050 authorizes the Board of Governors to adopt rules concerning annual and special meetings; and

Whereas, WSBA Bylaws Article VII.B.8 provides that each bar entity will set regular and special meetings as needed;

Whereas, due to Washington state and King County emergency orders in response to the COVID-19 public health emergency, all meetings will be conducted virtually, pursuant to the Governors Proclamation 20-28;

NOW, BE IT RESOLVED THAT on November 14, 2020, the Washington State Bar Association Board of Governors adopts this 2021 Meeting Schedule and directs the Executive Director to file this Resolution with the Code Reviser.

RE: Executive Director’s Report

COVID19 Response
The WSBA Coronavirus Internal Task Force (“Internal Task Force”) has continued working to deliver resources and programs to support WSBA members and the public during these unprecedented times. Please review WSBA’s COVID19 Resource Page at https://www.wsba.org/for-legal-professionals/member-support/covid-19 for complete information.

As we enter the ninth month of our pandemic response, the WSBA Coronavirus Response Task Force (“External Task Force”) has worked collaboratively with the Internal Task Force to create an online survey for WSBA members. The purpose of the survey is to better inform WSBA on the impact of the pandemic on the legal profession. The survey (link available at wsba.org) is open through November 25, and we are encouraging all members to participate. We will publish the results of the survey on the WSBA COVID Resource Page (link above) and analyze the responses to identify areas where WSBA might provide increased support to legal professionals as they seek to serve the public while continuing to navigate this global pandemic.

“Summer” Bar Exam Results & February Bar Exam Update
Congratulations to the 14 candidates who passed the September attorney bar exam with an overall pass rate of 37.8% (see attached). This exam is a significant outlier in terms of the small number of exam takers due to 571 registered bar exam applicants opting for diploma privilege as permitted by the Washington Supreme Court’s order, dated June 12, 2020. The LPO and LLLT exams were not held in September. Note that WSBA publishes the names of applicants who pass licensure examinations as permitted under APR 4 and required by Board of Governors policy. Passing a licensure examination does not provide authorization to practice law. Likewise, opting for diploma privilege does not automatically provide authorization to practice law.

Our admissions team is currently working through approximately 320 February exam applications while processing 20-30 licensure applications per week for an average processing time of 2-3 weeks. This process is largely manual and the team has had to adapt to doing the entire process electronically. This year we are transitioning to a fully online application system, which should eliminate paper applications and expedite the application process. The admissions team is also exploring a remote option for the February exam in lieu of an in-person exam. I can’t say enough in appreciation for all that this team has done to adapt in this difficult time for all of us, including applicants.

2021 Licensing Update
Online licensing opened on November 2. We will mail 19,281 license renewal packets this week, and 21,940 licensed legal professionals are signed up for paperless renewal—totaling 41,221. Members experiencing financial challenges can opt for a payment plan over several months, and the Hardship Exemption may now be used up to two times. The Armed Forces Exemption is also available to those who qualify. Additionally, pro bono status members who
completed at least 30 hours of pro bono service with a qualified legal services provider in the prior year will have their license fee waived. Detailed information may be found on the License Renewal page.

Draft Rules for Discipline and Incapacity (RDI) Submitted to Court
As reported to the Board periodically, since July 2017 an internal workgroup of WSBA employees from the Office of Disciplinary Counsel, Office of General Counsel, and Regulatory Services Department have been drafting a new set of disciplinary procedural rules for all license types. Following review of the draft by representatives of a variety of external stakeholders (including Governor Hunter Abell and Clerk of the Supreme Court Susan Carlson) and incorporation of suggested revisions, the draft rules were submitted to the Supreme Court on October 14. A copy of the submission and information about its status is available on our website at https://www.wsba.org/news-events/latest-news/news-detail/RDI.

Minority Bar Association Scholarship Grants Update
As I reported in my July report, the Diversity Committee approved returning $16,500 of unspent FY20 funds gifted by the Washington State Bar Foundation that were not spent due to fewer events and related travel. The Foundation trustees unanimously agreed to fulfill the Committee’s suggestion that the Foundation use the money to support MBA scholarships targeted to underrepresented law students and recent law graduates acknowledging that many MBAs were forced to cancel their annual fundraising events which raise support for these scholarships. The funds were ultimately distributed evenly among all of the MBAs who applied and met the criteria. The MBAs who received funds are the Asian Bar Association of Washington, the Korean Bar Association of Washington, the Latino/a Bar Association of Washington, the Loren Miller Bar Association, QLAW, the South Asian Bar Association of Washington, the Vietnamese-American Bar Association of WA, and the Washington Attorneys with Disabilities Association.

The MBAs shared with us that because of these funds, they will be able to support law students and recent graduates with very real needs. One MBA shared, “Previous recipients have been first generation immigrants, refugees, first generation law students, and people of color with very limited professional connections and often very challenging financial circumstances. Our experience has been that even a small award goes a long way to helping these students graduate, making them feel visible and appreciated, and encouraging them to participate and share their skills and their voices in the broader legal community.”

Closing Out Pro Bono Month
October was Pro Bono Month. WSBA honored the month with a pro bono focus in the October issue of Bar News and a special email signature intended to raise awareness about pro bono and direct folks to pro bono opportunities around the state. Additionally, the Pro Bono and Public Service Committee worked with WSBA’s CLE team to deliver a free CLE entitled, entitled “Serving Low-Income Clients at the Intersection of Family Law and Structural Poverty” as part of the Legal Lunchbox series. Finally, Pres. Sciuchetti and I were honored to join King County Councilmember Reagan Dunn and representatives from the Eastside Legal Assistance Program, the Washington State Pro Bono Council, the Unemployment Law Project, the Tenant Law Center, and the Equal Justice Coalition to present the Council’s proclamation honoring pro bono. Although we celebrate in October, the need for pro bono is year-round. WSBA members can find opportunities to serve here: https://www.wsba.org/connect-serve/volunteer-opportunities/psp.
Update on Executive Leadership Team Positions
As you know from my email on October 13, after serving in the interim role for 18 months, Kevin Plachy has accepted the permanent position of Director of Advancement. Kevin has performed exceptionally during this interim period, most notably his leadership on the internal and external COVID Task Forces. Kevin has built strong relationships across the organization and externally that make him an effective organizational leader.

Additionally, having spent the last three months working with Jeff Turner and Praxis HR to evaluate our human resources function, we are now moving forward to recruit and hire a Director of Human Resources/Chief Culture Officer. The addition of “Chief Culture Officer” to the title is meant to attract a candidate that will be adept at managing the nuts and bolts of benefits administration, recruitment, and talent management as well as using all these levers too help us build and maintain a positive workplace culture. Chief Culture Officer is an increasingly recognized role in many organizations and communicates something important—that having a healthy workplace culture is a top priority. Praxis HR has also supported us to conduct a Staff Climate Survey, which will provide our new HR Director an excellent roadmap for the next few years.

Staff Climate Survey
As I reported in my email on August 24, we have engaged Praxis HR to conduct a staff climate survey. We expect to roll out the results to the Board and employees over the next few weeks. WSBA’s last climate survey was conducted in 2016. In the Board’s September brainstorming session, the Board identified improved workplace culture as a potential goal, and this survey should provide useful information about how to achieve that goal.

Updating our Social Media Guidelines
2009—2009! That was the approval date of our most recent guidelines for social media, and, as we all know, 11 human years is equivalent to 1 gazillion tech years. It was certainly time for an update, and we are pleased to present the new and modernized guidelines (attached) that reflect several months of research about national best practices for bar organizations and public agencies as well as a pilot of the new Social Media Editor Agreement (attached) with the Washington Young Lawyers Committee (WYLС). As part of the update, we looked at our own historical processes and discovered that the original 2009 guidelines were adopted by the Board of Governors; however, as we systematically go through our current board policies to catalogue and modernize them, we are transitioning any that are guidelines or procedures to a different, operational index—and that has been our process to modernize and rehouse the Social Media Guidelines. The most significant shift under the new guidelines is to allow authorized volunteers from WSBA entities to partner with WSBA’s social media coordinator to directly post content as co-editors of their entities’ social media accounts. We believe—and have experienced in practice—that the guidelines and editor agreement strike the right balance between accountability/oversight for WSBA’s official communication channels and collaborative partnership with leaders of WSBA entities who want to use modern tools to engage members.

Updating our Platform for Recorded Meetings to Improve Access and Save Resources
Prompted by an inquiry from a WSBA member, we have been exploring and are now ready to transition the hosting of Board meeting recordings to YouTube. We intend to purchase a premium account, which will allow us to share meeting recordings ad-free. Because we can maintain a vast library of recordings at no additional cost, we anticipate this move saving us a small amount of money over our current vendor, which charges us to host and view the recordings. In addition to saving costs, moving to YouTube will increase access by allowing us to keep a more robust library of recordings available for viewing. Currently we only maintain a library of one year’s worth of recordings. Additionally, YouTube has a built-in closed captioning feature and is a platform that many folks are familiar with and used to navigating. We intend to begin the transition later this month.

SEATTLE, WA [October 17, 2020] — The Washington State Bar Association (WSBA) announced that 14 candidates passed the Uniform Bar Exam administered in September 2020. Administered over a two-day period, the Exam is a substantive law exam for those interested in becoming licensed in Washington to practice law as a lawyer, and includes multiple choice, essay and performance questions. The other required component of the Washington Bar Exam is an exam on professional responsibility (the Multistate Professional Responsibility Exam or MPRE). Completion of a separate online educational component with accompanying online exam addressing specific areas of Washington law (the Washington Law Component) is also required to qualify for admission. The WSBA will recommend successful candidates who also have passed a character and fitness review and completed other pre-licensing requirements to the Washington Supreme Court for entry of an order admitting them to the practice of law in Washington as a lawyer.

### About the Washington State Bar Association

The WSBA is authorized by the Washington Supreme Court to license over 40,000 lawyers and other legal professionals in Washington. In furtherance of its obligation to protect and serve the public, the WSBA both regulates lawyers and other licensed legal professionals under the authority of the Court and serves its members as a professional association — all without public funding. The WSBA’s mission is to serve the public and the members of the Bar, to ensure the integrity of the legal profession, and to champion justice.

### Contact:

Jennifer Olegario, WSBA Communications Manager  
206-727-8212; jennifero@wsba.org
The Washington State Bar Association includes social media in its overall communication strategies to promote awareness and use of its programs, to facilitate member-to-member engagement, and to provide an opportunity for the organization to listen to the trends and concerns raised by the membership, parties with special interests and concerns about the administration of justice and the practice of law, and members of the general public.

**Purpose:** To connect with and inform Washington State Bar Association members and other social media followers, as a primary source of news and information using a strategic mix of legal news and engaging content.

**Goals:**

- Drive awareness for the WSBA brand and its mission;
- Engage new and existing audiences in real time;
- Generate goodwill and credibility for WSBA’s commitment to members and the public.

WSBA employees and authorized volunteers responsible for managing the Bar’s social media platforms are expected to represent the organization and the legal profession well and to exercise good judgment at all times. (These guidelines do not extend to personal use of personal social media in a way that is not identified with the WSBA.) At a minimum, WSBA staff and authorized volunteers who act as editors and administrators of WSBA social media platforms are expected to:

- Be responsible. Editors and administrators of WSBA’s social media platforms are personally responsible for material they post.
- Carefully consider content. What they publish will be widely accessible for some time and, in some cases, indefinitely. All statements must be true and not misleading. Editors and administrators must not post information about themselves or others that might reasonably be expected to be private in nature. They must keep posts relevant to the organization’s mission and goals.
- Be known. Administrators and editors must use their real names and, if relevant, their role or interest in the topic being discussed. When appropriate, they should make it clear they are speaking for themselves and not on the organization’s behalf.
- Be civil and respectful. While it is acceptable to disagree with others, comments should not include defamatory, libelous, or damaging innuendo. The use of abusive, threatening, offensive, obscene, explicit, or racist language is prohibited, as is the posting of illegal material.
- Be accurate. If an administrator or editor makes a mistake, they should admit it and quickly provide the correct information; and, if appropriate, modify an earlier post to make it clear they have corrected an error.
- Be relevant and add value to the conversation. Administrators and editors should write about what they know; information adds value to a conversation if it contributes to the legal community’s knowledge or skills, improves the legal system or the public’s understanding of the legal system, or builds a sense of community.
- Follow copyright and fair use laws. Administrators and editors must give proper credit for work done by others. They must ensure the right to use material with attribution before publishing. It is preferable to link to others’ work rather than reproducing it. They should not use any material that may be proprietary in nature. They must recognize the
potential professional and legal consequences of any failure to follow applicable laws governing the use of others’ materials.

• Protect proprietary and client information. Editors and administrators must not discuss or misuse proprietary or confidential information and follow all professional and ethical rules governing the disclosure of information shared with you by clients. When in doubt, leave it out.

• Not endorse political positions contrary to GR 12.1. The activities of WSBA are defined by Washington Supreme Court rules (GR 12.1), and those rules apply to social networking activity as well as a variety of other activities. Across social media platforms, WSBA and its entities (sections, boards, committees, etc.) need to avoid even the appearance that they directly or indirectly:
  o Take positions on issues concerning the politics or social positions of foreign nations;
  o Take positions on political or social issues which do not relate to or affect the practice of law or the administration of justice; or
  o Support or opposes, in an election, candidates for public office.

• Refrain from political activities. Political activities including but not limited to endorsements or advocacy are not appropriate on the WSBA’s social media platforms.

• Comply with the WSBA Rules governing lawyer conduct. When posting content to any social media site, administrators and editors must comply with all requirements of the WSBA Rules of Professional Conduct.

• Do not violate antitrust laws. Antitrust laws prohibit postings that encourage or facilitate agreements between WSBA members of different firms concerning the following, as they pertain to legal services: prices, discounts, or terms or conditions of sale; salaries; profits, profit margins, or cost data; market shares, sales territories, or markets; allocation of customers or suppliers; or any other term or condition related to competition.

• Abide by all social networks’ terms of use. By joining a particular social network, administrators and editors agree to abide by that network’s terms of use. Review those terms carefully before agreeing to participate.

In accordance with the above expected behaviors and responsibility, all WSBA volunteers will sign a WSBA Social Media Editor agreement prior to being authorized to act in an official WSBA capacity. The WSBA will actively monitor all of its social media sites and take appropriate action to enforce these guidelines.

Code of Conduct: The WSBA welcomes comments, replies, and other interaction to its posts via social media channels and to share content directly related to the program. All content posted on WSBA social media platforms is expected to be relevant and respectful.

Inappropriate Comments: The WSBA has the right to delete any inappropriate content from its social media platforms, including but not limited to: irrelevant content, redundant content, hateful content, malicious content, uncivil or disrespectful content, attacks or complaints against an individual, financial solicitations, endorsements of a political candidate or party, opposition to a political candidate or party, and content that violates the social media platforms’ terms of use, codes of conduct, or other policies. Content that violates a platform’s policies may also be reported through the platform’s oversight procedures. Repeated inappropriate comments will result in the user being blocked.

Disclaimer: Regarding content posted by outside social-media users (i.e., not WSBA staff or authorized volunteers serving as account editors and administrators), the WSBA accepts no liability or responsibility whatsoever for the contents of any target site linked from its social media accounts. The WSBA also accepts no responsibility or liability for any data, text, software, music, sound, photographs, images, video, messages, or any other materials or content whatsoever generated by users (i.e., not WSBA staff or authorized volunteers serving as account editors and administrators) and publicly posted via its social media accounts.

The WSBA reserves the right to modify, change or revoke this policy at any time.
SOCIAL MEDIA EDITORS AGREEMENT FOR WSBA ENTITIES

(companion to COMM 502 Guidelines)

As a condition of using a social media account as an editor or administrator to represent a WSBA entity, I understand and adhere to the following:

- I will use the social-media account(s) to communicate in a professional, courteous, and respectful manner. All communication will be related only to the WSBA entity’s business. I will not include any of my personal viewpoints, but will communicate as the collective voice of the WSBA entity.

- I will aspire to be honest and open in all communications. I will communicate in ways that encourage others to engage. There will be no personality or character attacks. I will provide a dispassionate, neutral presentation of facts.

- I have reviewed and agree to WSBA’s Social Media Guidelines. I have also reviewed and will adhere to all rules pertaining to GR 12 and GR12(c), including the prohibition on political endorsements, ads, or speeches.

- In support of WSBA’s Photo and Video Release Procedures (see attached), I will obtain written or verbal permission in advance from people in the images, videos, and livestreams I post. I will also be mindful of representing members in a professional capacity, such as avoiding images, videos, or livestream events that include alcohol.

- I will work closely with my WSBA liaison and WSBA’s social media and communications staff, who have ultimate responsibility for compliance and who retain the right to edit or delete posts and comments at their discretion upon violation of this agreement or WSBA’s Social Media Guidelines.

I have read and understand the terms above.

PHOTO AND VIDEO RELEASE PROCEDURES

WSBA recognizes each individual’s property right in the use of his or her photograph, voice, and likeness in many situations. Therefore, these procedures outline WSBA employees’ responsibility to obtain written or oral and express or implied consent before publishing an individual’s likeness via photo or video on any of its media channels. To minimize risk, WSBA will err on the side of obtaining permission whenever possible.

PERMISSION STANDARDS FOR WSBA PUBLICATIONS

- For printed publications such as NWLawyer magazine, newsletters, and program/event/organizational promotional materials, WSBA will obtain written permission from individuals in photos and videos. The responsibility for ascertaining permission ultimately resides with the editor or designer of the publication; this will usually mean the editor/designer asks the WSBA colleague who provides the image/video or who has a relationship with the people in the photo/video to secure written permission if it has not been granted ahead of time. The editor/designer will keep a copy of the written permission—be it a copy of an email correspondence, permission form, or some other form—in the same working/archival folder for the publication as the picture file is stored.

- For electronic channels such as the WSBA website, blog, and social media, WSBA will obtain and document at least express oral permission for publishing a photo or video. Written permission is still best, but clear indication of express oral permission provided the overall context will suffice (for instance, a group shot to promote a program where the photographer has clearly stated the purpose for the photo, all people in the photo have their photos already published for the public in conjunction with the program, and the program manager has given written consent). The responsibility for ascertaining permission ultimately resides with the editor or person posting to the online channel; this will usually mean the editor/poster asks the WSBA colleague who provides the image/video to certify they obtained, at least, express oral permission. If WSBA receives a complaint or concern from a person regarding his/her image published on an electronic WSBA channel, we will remove the image as soon as possible while the matter is sorted out.

BEST PRACTICES

The best way to minimize risk when publishing photos and videos is to aim for “no surprises;” toward that end, anyone with final publishing control should try to send the final layout (including selected photo and verbiage) to the people included in the photo/video ahead of publication. This is true even when permission has been cleared ahead of time en masse for an event. This is especially important when the focus is on one or two individuals (rather than a large group) and/or some time has passed since the event. A good test is to ask oneself: Would I want to be notified and see the picture ahead of publication?
PROCEDURES FOR OBTAINING PRIOR PERMISSION

To minimize risk and facilitate publication, WSBA will strive to be proactive in obtaining photo and video permissions at its events. Therefore, when developing a program where there is advance knowledge of photography or video, WSBA employees should ensure the following opt-in language is used at the point of registration. The point of registration could be through the online store (i.e. Personify) or through a more manual process but should include an option for the attendee to opt in to being photographed.

The following opt-in language should be used:

By selecting “Opt-In”, I authorize and consent to being photographed and/or videoed at this event, and to the display, reproduction, alteration or other use of any photographs or videos of me, or in which I may be included with others, in connection with publications of the WSBA in any type of media, whether print or electronic, including for purpose of promotion of WSBA events and programs, irrespective of topic or purpose. I hereby release the WSBA from all liability in connection with the publication and future use of my name and likeness and the photographs or videos identified above.

Any walk-in attendees should also be provided the option to opt in to being photographed. If an attendee chooses not to opt in to being photographed, they should be identified by placing a specified color marker on their name tag.

A standalone photo/video permission form, to be used at events, is accessible in the Communications folder in the Policies and Procedures folder accessible via OGC’s unrestricted folder on the shared drive.

The photographer for the event should be notified of the marker color on the name tag and avoid photographing the persons who have not opted in.

Additionally, signage containing the following language should be displayed near the registration table at the event:

“Photographs or video taken at this event may be later published in online or print materials reporting or promoting this or other WSBA events. If you do not wish your image in a photo or video to be reused in these ways, you may opt out at the event sign-in table.”

The permissions should be in writing and kept in the program folder or captured in Personify (if the event is using Personify for registration purposes).

All pictures and video obtained in this manner shall be considered clear for publication in any WSBA publication or medium.
WSBA EMPLOYEES TAKING PHOTOGRAPHS OR VIDEOS WHEN NO PRIOR PERMISSION IS AVAILABLE:

In many situations, advanced permission will not be available when a WSBA employee takes a photograph. When that occurs, the WSBA employee will take these steps when possible:
Clearly identify his/herself and why s/he is taking the photo; ask anyone who is not comfortable being included in the picture for the stated publication purposes to step out of the photo.

In these situations, WSBA staff will obtain written permission for inclusion in a printed publication or material. WSBA staff will ascertain and document at least express oral consent for electronic publication.

RETENTION SCHEDULE

All documentation of photo permission will be retained according to WSBA’s document retention schedule.

On 04/30/20, the State Defendants/Appellees filed a request for a 60-day extension to respond to the Motion for Injunction; Scannell opposed the request. On 05/14/20 the Ninth Circuit issued a memorandum/judgment affirming the district court’s dismissal of all of Scannell’s claims on the basis of res judicata and the Rooker-Feldman doctrine and denying “[a]ll pending motions and requests”. On 05/28/20 Scannell filed two motions: (1) a motion for rehearing and disqualification of one of the panel judges (Judge Miller), and (2) a motion for en banc review. These motions were denied on 08/31/20. The matter is now closed.</td>

A. Introduction

The Washington Supreme Court’s exclusive responsibility to administer the systems for discipline of licensed legal professionals (including disability systems) is delegated by court rule to WSBA. See GR 12.2(b)(6). The investigative and prosecutorial function is discharged by the employees in the Office of Disciplinary Counsel (ODC), which is responsible for investigating allegations and evidence of professional misconduct and disability and prosecuting violations of the Washington Supreme Court’s Rules of Professional Conduct.

The Quarterly Discipline Report provides a periodic overview of the functioning of the Office of Disciplinary Counsel. The report graphically depicts key discipline-system indicators for 3rd Quarter 2020. Note that all numbers and statistics herein are considered tentative/approximate. Final figures will be issued in the 2020 Discipline System Annual Report.

B. Recent Supreme Court Opinions & Other Information

- COVID-19 Update. Not surprisingly, the COVID-19 crisis has affected the number of grievances filed with ODC. Since April 2020, ODC has seen fluctuations in grievance filing numbers. The following chart details the variations month-by-month in the number of grievance files opened. Notably, in April and May, grievance numbers dropped significantly, but then rebounded in June.
In other developments, the vast majority of the ODC staff continues to work 100% remotely, the random trust account examination program remains in abeyance. Since March, there have been two default disciplinary hearings, but otherwise no disciplinary hearings have been held. The first remote contested disciplinary hearing is scheduled for November 2020. Several respondents have objected to the scheduling of either in-person or remote hearings, and in some cases to the scheduling of depositions, during the public health emergency. While awaiting further adjudicative guidance and decision-making on this issue, there have been several remote depositions and settlement conferences, and a number of matters have been resolved by stipulation. Review and investigation of new and pending grievances continues apace.

Re:     Foundation Annual Report of Activities for FY20

The Washington State Bar Foundation mission is to provide financial support for the programs of the Washington State Bar Association that promote diversity within the legal profession and enhance the public’s access to, and understanding of, the justice system. The Foundation is separately incorporated as a Washington state nonprofit, and is recognized as a public charity under section 501(c)(3) of the Internal Revenue Service Code.

The Foundation is a membership organization comprised of the sitting members of the Board of Governors. The Foundation Bylaws require the Foundation President to present an annual report to the Members within ninety (90) days after the close of the fiscal year, which ends September 30th. This report is an opportunity for the members to learn about its activities, priorities and direction.

Foundation Highlights

- In FY20, the Foundation continued to develop relationships with donors and prospective donors through regular outreach and personalized gift acknowledgment. It also strengthened its understanding of and connection to the WSBA programs it supports through regular, in-depth updates from WSBA program staff at Foundation board meetings.
- The Foundation has been receiving follow-up reports from the law schools that received scholarship funds from the Presidents’ & Governors’ Diversity Scholarship Fund last year. (Washington’s three law schools and the University of Idaho College of Law received $7,500 each, to be awarded to students from diverse backgrounds who demonstrated academic success and financial need.)

Fundraising Highlights

- 4,822 Washington legal professionals (more than 12%) made a voluntary contribution to the Foundation on their license forms, indicating their support for WSBA’s justice and diversity efforts. This represents a fourth consecutive year of increased support over the previous year.
- The Foundation launched an annual giving campaign in an effort to replace sponsorship dollars raised for the APEX Awards dinner in recent years. Donations to this campaign slightly exceeded the 2019 APEX sponsorship total, and included gifts from law firms that had never before supported the Foundation.
Program Highlights

The following program achievements were made possible in part with support from the Foundation. The Foundation has so far designated $265,000 to WSBA for FY21 to support WSBA’s public service and diversity & inclusion programs, with additional funds available for off-cycle requests.

- The Powerful Communities Project completed its second year, bringing the total amount awarded to $60,000, and the number of grantees to 30. This critical program helps ensure people from underserved and underrepresented communities are able to get legal assistance. Beginning with the FY21 fiscal year, those grants will be paid directly by the Foundation.
- The Moderate Means Program continued to refer family, housing and consumer law cases, and added employment law as an area of focus, to help serve those most impacted by the COVID crisis.
- The Foundation administered scholarship funds and distribution for two WSBA sections:
  - $2,500 was awarded through the WSBA Elder Law Section’s Greenfield Internship Fund, which placed Seattle University law student Margaret Cheong at the Northwest Justice Project for an internship to support advocacy on behalf of low-income seniors. Foundation staff also assisted this Section with a fundraising event.
  - A $5,000 scholarship was awarded by the Taxation Section to Helena Roksolana Koval, a LLM candidate at the University of Washington School of Law.

Conclusion and Look Ahead

The Foundation enters FY21 with an enthusiastic Board of Trustees representing a diverse cross-section of the profession. We are exploring new ways to connect with current and potential donors in light of challenges presented by the COVID crisis. WSBA members continue to be generous supporters of the Foundation, for which we are grateful. Connecting the achievements of WSBA programs with the importance of Foundation gifts will help us grow support for WSBA’s equity and justice goals.
As part of the Supreme Court’s rules review cycle, the WSBA Court Rules and Procedures Committee (Committee) reviewed the Civil Rules for the Courts of Limited Jurisdiction for the 2019–2020 year. The Committee recommends the following actions on the above-referenced rules.

For all the suggested amendments, the Committee reached out to a list of stakeholders, which includes (among others) specialty bar associations, minority bar associations, and county bar associations. We anticipate submitting these amendments to the Washington Supreme Court after the BOG has completed its consideration.

The attached materials include redline and clean versions of the suggested rule changes.

Civil Rules for the Courts of Limited Jurisdiction

The CRLJ Subcommittee reviewed the CRLJ’s with an eye towards correcting errors and bringing the rules into conformity with statutory terms and modern language usage. Based on its review, the CRLJ Subcommittee recommended the following suggested amendments, which were adopted by the full Committee:

1. **CRLJ 17.** The suggested amendment changes all references to “insane” and “incompetent” to “incapacitated.” This makes the rule consistent with the language of RCW 04.08.060 and also modernizes the language of the rule.

2. **CRLJ 56.** The suggested amendment changes all references to “he” to “the party.” This makes the rule consistent with Civil Rule (CR) 56 and allows for easier understanding.

3. **CRLJ 60.** The suggested amendment separates the last two sentences of CRLJ 60(b)(11) from (b)(11). Those two sentences apply to all of CR 60(b), not just (b)(11). They should be clearly separated.

Rules of Evidence

Subcommittee X takes up any out-of-cycle rule proposals and was tasked with reviewing Evidence Rule (ER) 413. ER 413 was adopted in September 2018 for the purpose of making evidence of immigration status inadmissible except for limited circumstance described in the rule.
1. **ER 413.** The suggested amendments are technical fixes to conform ER 413 to its stated purpose. During the stakeholder comment period, we received one inquiry in regards to ER 413. The individual asked “[i]s it the committee’s position that immigration status should not be admissible in a child custody case?” The Committee unanimously decided to respond to the inquiry by stating that the Committee has taken no position as to “whether immigration status should not be admissible in a child custody case” and that, pursuant to the GR9 coversheet regarding the rule change, the purpose was twofold, first to have the rule accurately reflect what it was intended to say and second, clarifying the procedures to use regarding seeking admission of immigration status.

SUGGESTED AMENDMENT

Rule 17. PARTIES PLAINTIFF AND DEFENDANT; CAPACITY

(-) Designation of Parties. The party commencing the action shall be known as the plaintiff, and the opposite party as the defendant.

(a) Real Party in Interest. Every action shall be prosecuted in the name of the real party in interest. An executor, administrator, guardian, bailee, trustee of an express trust, a party with whom or in whose name a contract has been made for the benefit of another, or a party authorized by statute may sue in his own name without joining with him the party for whose benefit the action is brought. No action shall be dismissed on the ground that it is not prosecuted in the name of the real party in interest until a reasonable time has been allowed after objection for ratification of commencement of the action by, or joinder or substitution of, the real party in interest; and such ratification, joinder, or substitution shall have the same effect as if the action had been commenced in the name of the real party in interest.

(b) Infants or Incapacitated Persons.

(1) When an infant is a party he shall appear by guardian, or if he has no guardian, or in the opinion of the court the guardian is an improper person, the court shall appoint a guardian ad litem. The guardian shall be appointed:

(i) when the infant is plaintiff, upon the application of the infant, if he be of the age of 14 years, or if under the age, upon the application of a relative or friend of the infant;

(ii) when the infant is defendant, upon the application of the infant, if he be of the age of 14 years, and applies within the time he is to appear; if he be under the age of 14, or neglects to apply, then upon the application of any other party to the action, or of a relative or friend of the infant.
(2) When an insane incapacitated person is a party to an action he shall appear by guardian, or if he has no guardian, or in the opinion of the court the guardian is an improper person, the court shall appoint one to act as guardian ad litem. Said guardian shall be appointed:

(i) when the insane incapacitated person is plaintiff, upon the application of a relative or friend of the insane incapacitated person;

(ii) when the insane incapacitated person is defendant, upon the application of a relative or friend of such insane person, such application shall be made within the time he is to appear. If no such application be made within the time above limited, application may be made by any party to the action.

Suggested Amendment
CRLJ 56 – SUMMARY JUDGMENT

A. Proponent: WSBA Court Rules and Procedures Committee
B. Spokesperson: Claire Carden, CRLJ Subcommittee Chair, WSBA Court Rules and Procedures Committee
C. Purpose: To make the rule read consistently change “he” to “the party.” This makes the rule consistent with CR 56 and the remainder of CRLJ 56. It also allows easier understanding.
D. Hearing: The proponent does not believe that a public hearing is necessary.
E. Expedited Consideration: The proponent does not believe there is a need for expedited consideration.

SUGGESTED AMENDMENT
Rule 56. SUMMARY JUDGMENT

(a) For Claimant. A party seeking to recover upon a claim, counterclaim, or cross claim, or to obtain a declaratory judgment may, at any time after the expiration of the period within which the defendant is required to appear, or after service of a motion for summary judgment by the adverse party, move with or without supporting affidavits for a summary judgment in his favor upon all or any part thereof.

(b) For Defending Party. A party against whom a claim, counterclaim, or cross claim is asserted or a declaratory judgment is sought may, at any time, move with or without supporting affidavits for a summary judgment in his favor as to all or any part thereof.

(c) Motion and Proceedings. The motion and any supporting affidavits, memoranda of law, or other documentation shall be filed and served not later than 15 days before the hearing. The adverse party may file and serve opposing affidavits, memoranda of law, and other documentation not later than three days before the hearing. The moving party may file and serve any rebuttal documents not later than the day prior to the hearing. Summary judgment motions shall be heard more than 14 days before the date set for trial unless leave of the court is granted to allow otherwise. The judgment sought shall be rendered forthwith if the pleadings, answers to interrogatories, depositions, and admissions on file, together with the affidavits, if any, show that there is no genuine issue as to any material fact and that the moving party is entitled to a judgment as a matter of law. A summary judgment, interlocutory in character, may be rendered on the issue of liability alone although there is a genuine issue as to the amount of damages.

(d) Case Not Fully Adjudicated on Motion. If on motion under the rule judgment is not rendered upon the whole case or for all the relief asked and a trial is necessary, the court at the hearing of the motion, by examining the pleadings and the evidence before it and by interrogating counsel, shall if practicable ascertain what material facts exist without substantial controversy and what material facts are actually and in good faith controverted. It shall thereupon make an order specifying the facts that appear without substantial controversy, including the extent to which the amount of damages or other relief is not in controversy, and directing such further proceedings in the action as are just. Upon the trial of the action, the facts so specified shall be deemed established, and the trial shall be conducted accordingly.
(e) Form of Affidavits; Further Testimony; Defense Required. Supporting and opposing affidavits shall be made on personal knowledge, shall set forth such facts as would be admissible in evidence, and shall show affirmatively that the affiant is competent to testify to the matters stated therein. Sworn or certified copies of all papers or parts thereof referred to in an affidavit shall be attached thereto or served therewith. The court may permit affidavits to be supplemented or opposed by depositions, answers to interrogatories, or further affidavits. When a motion for summary judgment is made and supported as provided in this rule, an adverse party may not rest upon the mere allegations or denials of his pleading, but his response, by affidavits or as otherwise provided in this rule, must set forth specific facts showing that there is a genuine issue for trial. If he does not so respond, summary judgment, if appropriate, shall be entered against him.

(f) When Affidavits Are Unavailable. Should it appear from the affidavits of a party opposing the motion that the party cannot, for reasons stated, present by affidavit facts essential to justify his opposition, the court may refuse the application for judgment or may order a continuance to permit affidavits to be obtained or depositions to be taken or discovery to be had or may make such other order as is just.

(g) Affidavits Made in Bad Faith. Should it appear to the satisfaction of the court at any time that any of the affidavits presented pursuant to this rule are presented in bad faith or solely for the purpose of delay, the court shall forthwith order the party employing them to pay to the other party the amount of the reasonable expenses which the filing of the affidavits caused him to incur, including reasonable attorney fees, and any offending party or attorney may be adjudged guilty of contempt.

(h) Rulings by Court. In granting or denying the motion for summary judgment, the court shall designate the documents and other evidence considered in its rulings.

E. Expedited Consideration: The proponent does not believe there is a need for expedited consideration.

SUGGESTED AMENDMENT
Rule 60. RELIEF FROM JUDGMENT OR ORDER

(a) Clerical Mistakes. Clerical mistakes in judgments, orders, or other parts of the record and errors therein arising from oversight or omission may be corrected by the court at any time of its own initiative or on the motion of any party and after such notice, if any, as the court orders. Such mistakes may be so corrected before review is accepted by an appellate court, and thereafter may be corrected pursuant to RALJ 4.1(b).

(b) Mistakes; Inadvertence; Excusable Neglect; Newly Discovered Evidence; Fraud; etc. On motion and upon such terms as are just, the court may relieve a party or his legal representative from a final judgment, order, or proceeding for the following reasons:

(1) Mistakes, inadvertence, surprise, excusable neglect or irregularity in obtaining a judgment or order;

(2) For erroneous proceedings against a minor or person of unsound mind, when the condition of such defendant does not appear in the record, nor the error in the proceedings;

(3) Newly discovered evidence which by due diligence could not have been discovered in time to move for a new trial under rule 59(b);

(4) Fraud (whether heretofore denominated intrinsic or extrinsic), misrepresentation, or other misconduct of an adverse party;

(5) The judgment is void;

(6) The judgment has been satisfied, released, or discharged, or a prior judgment upon which it is based has been reversed or otherwise vacated, or it is no longer equitable that the judgment should have prospective application;

(7) If the defendant was served by publication, relief may be granted as prescribed in RCW 4.28.200;
(8) Death of one of the parties before the judgment in the action;

(9) Unavoidable casualty or misfortune preventing the party from prosecuting or defending;

(10) Error in judgment shown by a minor, within 12 months after arriving at full age; or

(11) Any other reason justifying relief from the operation of the judgment. The motion shall be made within a reasonable time and for reasons (1), (2) or (3) not more than 1 year after the judgment, order, or proceeding was entered or taken. If the party entitled to relief is a minor or a person of unsound mind, the motion shall be made within 1 year after the disability ceases. A motion under section (b) does not affect the finality of the judgment or suspend its operation.

The motion shall be made within a reasonable time and for reasons (1), (2) or (3) not more than 1 year after the judgment, order, or proceeding was entered or taken. If the party entitled to relief is a minor or a person of unsound mind, the motion shall be made within 1 year after the disability ceases. A motion under section (b) does not affect the finality of the judgment or suspend its operation.

(c) Other Remedies. This rule does not limit the power of a court to entertain an independent action to relieve a party from a judgment, order, or proceeding.

(d) Writs Abolished—Procedure. Writs of coram nobis, coram vobis, audita querela, and bills of review and bills in the nature of a bill of review are abolished. The procedure for obtaining any relief from a judgment shall be by motion as prescribed in these rules or by an independent action.

(e) Procedure on Vacation of Judgment.

(1) Motion. Application shall be made by motion filed in the cause stating the grounds upon which relief is asked, and supported by the affidavit of the applicant or his attorney setting forth a concise statement of the facts or errors upon which the motion is based, and if the moving party be a defendant, the facts constituting a defense to the action or proceeding.

(2) Notice. Upon the filing of the motion and affidavit, the court shall enter an order fixing the time and place of the hearing thereof and directing all parties to the action or proceeding who may be affected thereby to appear and show cause why the relief asked for should not be granted.

(3) Service. The motion, affidavit, and the order to show cause shall be served upon all parties affected in the same manner as in the case of summons in a civil action at such time before the date fixed for the hearing as the order shall provide; but in case such service cannot be made, the order shall be published in the manner and for such time as may be ordered by the court, and in such case a copy of the motion, affidavit, and order shall be mailed to such parties at their last known post office address and a copy thereof served upon the attorneys of record of such parties in such action or proceeding such time prior to the hearing as the court may direct.

Proposal to Amend ER 413
Concerning Evidence of Immigration Status

Submitted by the Washington State Bar Association
Committee on Court Rules and Procedures
Chair: Jefferson Coulter

1. Purpose

ER 413 was adopted in September 2018 for the purpose of making evidence of immigration status inadmissible except for limited circumstances described in the rule. The rule was proposed in a joint submission of Columbia Legal Services, Northwest Immigrant Rights Project, Legal Voice, and the Washington Association of Prosecuting Attorneys. The proposed amendment would make corrections to the language of the current rule to conform it to the intent of the current rule’s original proponents.

The proposed amendment makes two changes; one to subsection (a)(5), and one to subsection (b)(1).

Subsection (a)(5)

Subsection (a) applies to criminal cases. In the original GR 9 coversheet, the rule’s proponents wrote (emphasis added to the description of the purpose of subsection (a)(5)):

Subsection (a) provides that immigration status is inadmissible unless (1) status is an essential fact to prove an element of a criminal offense or to defend against the alleged offense or (2) to show bias or prejudice of a witness for impeachment. The subsections of (a) set forth the procedures for using immigration status: (1) a written pretrial motion that includes an offer of proof (2) an affidavit supporting the offer of proof (3) a court hearing outside the presence of the jury if the offer of proof is sufficient (4) admissibility of immigration status to show bias or prejudice if the evidence is reliable and relevant and the probative value of the evidence outweighs the prejudice from immigration status. This procedure is similar to that adopted in RCW 9A.44.020 (3).

Subsection (a)(5) clarifies that subsection (a) shall not be construed to prohibit cross-examination regarding immigration status if doing so would violate a criminal defendant’s constitutional rights. There is a similar provision in Fed. R. of Evid. 412(b)(1)(C).

As stated, subsection (a)(5) was thus intended to clarify that ER 413 does not exclude evidence in a criminal case if the exclusion of evidence would result in a constitutional violation. But the current language in subsection (a)(5) does not clearly effectuate this intent. Instead, it provides that ER 413 does not exclude “evidence that would result in a violation of a defendant’s constitutional rights,” which can be read as providing that ER 413 does not prohibit evidence when the evidence itself would lead to a constitutional violation, instead of its exclusion. The proposed amendment would revise subsection (a)(5) to confirm to the intent stated by the original rule’s proponents.
Subsection (b)(1)

Subsection (b) applies to civil cases. The original CR 9 coversheet describes it as follows (emphasis added to the description of the purpose of subsection (b)(1)):

Subsection (b) provides that in a civil proceeding, immigration status evidence of a party or witness shall not be admissible except where immigration status is an element of a party's cause of action or where another exception to the general rule applies.

Subsection (b)(1) sets forth two limited circumstances where evidence of immigration status would be handled through a CR 59(h) motion. The proposed rule balances the concerns of prejudice against immigrants highlighted by the Supreme Court with the legitimate need of a defendant, in limited cases, to raise status issues where reinstatement or future lost wages are sought.

As stated, the intent of subsection (b) was to make evidence of immigration status generally inadmissible in civil cases, except for Rule 59(h) motions raising specified circumstances having to do with wage loss or employment claims. But current subsection (b)(1) is not cabinned to Rule 59(h) motions. Instead, it applies to any posttrial motion involving the described circumstance. This substantially expands the scope of the “limited” exception. For example, “posttrial motions” include motions under Rule 60, which may be filed a year or more after judgment. In contrast, Rule 59(h) motions must be brought within ten days after entry of judgment. The proposed amendment would restrict the admissibility of immigration status evidence to Rule 59(h) motions. The proposed amendment would clarify the exception applies to motions brought under CRLJ 59(h) as well as CR 59(h).

2. Procedure

Because the proposed amendments are technical fixes to conform ER 413 to its stated purpose, the WSBA Court Rules and Procedure Committee does not believe a further hearing is necessary. However, it will defer to the Supreme Court if a hearing would be useful to clarify the proposal. The Committee does not believe expedited consideration of this proposal is necessary.
ER 413
IMMIGRATION STATUS

(a) Criminal Cases; Evidence Generally Inadmissible. In any criminal matter, evidence of a party's or a witness's immigration status shall not be admissible unless immigration status is an essential fact to prove an element of, or a defense to, the criminal offense with which the defendant is charged, or to show bias or prejudice or a witness pursuant to ER 607. The following procedure shall apply prior to any such proposed uses of immigration status evidence to show bias or prejudice of a witness:

(1) A written pretrial motion shall be made that includes an offer of proof of the relevancy of the proposed evidence.

(2) The written motion shall be accompanied by an affidavit or affidavits in which the offer of proof shall be stated.

(3) If the court finds that the offer of proof is sufficient, the court shall order a hearing outside the presence of the jury.

(4) The court may admit evidence of immigration status to show bias or prejudice if it finds that the evidence is reliable and relevant, and that its probative value outweighs the prejudicial nature of evidence of immigration status.

(5) Nothing in this section shall be construed to exclude evidence if the exclusion of that evidence would violate a defendant's constitutional rights.

(b) Civil Cases; Evidence Generally Inadmissible. Except as provided in subsection (b)(1), evidence of a party's or a witness's immigration status shall not be admissible unless immigration status is an essential fact to prove an element of a party's cause of action.

(1) Post trial Proceedings. Evidence of immigration status may be submitted to the court through a post trial motion made under CR 59(h) or CRLJ 59(h);

(A) Where a party who is subject to a final order of removal in immigration proceedings was awarded damages for future lost earnings; or

(B) Where a party was awarded reinstatement to employment.

(2) Procedure to review evidence. Whenever a party seeks to use or introduce immigration status evidence, the court shall conduct an in camera review of such evidence.
The motion, related papers, and record of such review may be sealed pursuant to GR 15, and shall remain under seal unless the court orders otherwise. If the court determines that the evidence may be used, the court shall make findings of fact and conclusions of law regarding the permitted use of that evidence.
Upon reviewing the proposed rule changes to ER 413, I come up with a question. Is it the committee's position that immigration status should not be admissible in a child custody case? It seems to me that citizenship status may effect some issues common in child custody cases.

Re: Proposed amendment to RPC 1.11

**Action/Discussion:** Consideration and approval of a proposed amendment to Comment [2] to RPC 1.11.

On January 30, 2020, the Washington State Supreme Court issued its decision in *State v. Nickels*, 195 Wn.2d. 132, 456 P.3d 795 (2020), an appeal from a criminal conviction arising out of the Grant County Superior Court. The Court held that the Grant County elected prosecutor’s prior representation of the criminal defendant in an unrelated matter presumptively disqualified the entire Grant County prosecuting attorneys’ office from prosecuting the case.

The Committee on Professional Ethics (CPE) considered the *Nickels* decision at its February 7, 2020, meeting, giving particular consideration to whether *Nickels* was consistent with RPC 1.11, Comment [2] which provides, in pertinent part, that former client conflicts of a current government officer or employee are not imputed to other associated government officers and employees. The CPE appointed a subcommittee to consider whether it would be advisable to amend RPC 1.11, Comment [2] in light of *Nickels*.

At its October 2, 2020, meeting the CPE approved a recommendation that RPC 1.11, Comment [2] be amended to provide a citation to *Nickels*, with a parenthetical explanation of the holding. No additional explanatory material was deemed necessary because *Nickels* is expected to apply to the narrowly circumscribed situation in which an elected prosecutor has formerly represented a person currently subject to criminal prosecution in the same jurisdiction.

The CPE requests that this recommendation be considered by the Board of Governors at a subsequent meeting. A redlined copy of the proposed amended Comment and a GR 9 cover sheet are attached for your review.

Please let me know if I can provide additional information.

RPC 1.11 – SPECIAL CONFLICTS OF INTEREST FOR FORMER AND CURRENT GOVERNMENT OFFICERS AND EMPLOYEES

(a) – (e) Unchanged.

Comment

[2] [Washington revision] Paragraphs (a)(1), (a)(2) and (d)(1) restate the obligations of an individual lawyer who has served or is currently serving as an officer or employee of the government toward a former government or private client. Rule 1.10 is not applicable to the conflicts of interest addressed by this Rule. Rather, paragraph (b) sets forth a special imputation rule for former government lawyers that provides for screening and notice. Because of the special problems raised by imputation within a government agency, paragraph (d) does not impute the conflicts of a lawyer currently serving as an officer or employee of the government to other associated government officers or employees, although ordinarily it will be prudent to screen such lawyers. Cf., State v. Nickels, 195 Wn.2d 132, 456 P.3d 975 (2020) (holding that an elected county prosecutor’s former client conflict is imputed to all attorneys in the prosecuting attorneys’ office).

[3-10] Unchanged.
Suggested Amendment to THE RULES OF PROFESSIONAL CONDUCT (RPC) Rule 1.11, Comment [2]

Submitted by the Board of Governors of the Washington State Bar Association

A. **Name of Proponent:** Washington State Bar Association.

B. **Spokespersons:**

Kyle Sciuchetti, President, Washington State Bar Association, 1325 4th Avenue, Suite 600, Seattle, Washington 98101-2539

Jeanne Marie Clavere, Professional Responsibility Counsel, Washington State Bar Association, 1325 4th Avenue, Suite 600, Seattle, Washington 98101-2539

C. **Purpose:**

The purpose of the proposed amendment to RPC 1.11, Comment [2] is to alert lawyers to consult the holding of a recent decision of the Washington State Supreme Court, *State v. Nickels*, 195 Wn.2d. 132, 456 P.3d 795 (2020), holding that an elected county prosecutor’s former client conflict is imputed to all attorneys in the prosecuting attorneys’ office. The *Nickels* decision creates a fact specific exception to the general rule explained in Comment [2] that conflicts of a lawyer currently serving as an officer or employee of the government are not imputed to other associated government officers or employees.

6.2 Any committee member, or chair of any committee may be removed by a majority vote of the executive committee or by the Chair. Any member of the executive committee may be removed by a two-thirds majority vote of the executive committee. Grounds for removal of executive committee members include, but are not limited to, regular absence from executive committee meetings and events, failure to perform duties, unprofessional or discourteous conduct or whenever, in the executive committee’s judgment, the executive committee member is not acting in the best interest of the Section membership.

6.3 The Chair presides at all meetings of the Section and the executive committee. The Chair may present at the annual meeting of the Section a report of the work of the Section for the past year. The Chair shall perform other duties customary to the office of Chair or delegated by the executive committee.

6.4 The Chair-elect performs duties assigned by the Chair or the executive committee. Upon death, resignation, or the Chair’s refusal to act, the Chair-elect shall perform the duties of the Chair for the remainder of the Chair’s term. ARTICLE 7. ELECTIONS

7.1 The voting membership annually elects a Chair-elect and a Secretary and Treasurer or Secretary/Treasurer, each to serve a one-year term. The voting membership annually elects three At-Large members to serve on the executive committee, each to serve a three-year term. The Chair automatically becomes the Immediate Past Chair. The voting membership may re-elect any member of the executive committee.

7.2 On expiration of the Chair’s term, the Chair-elect automatically succeeds to the office of the Chair.

7.3 The Chair shall appoint a nominating committee each year of not less than three members of the Section, at least one of whom shall not be a current member of the executive committee. The nominating committee shall seek interested individuals to fill open positions on the executive committee, with a balance of nature of practice or employment, geography, and other bases of diversity. All applicants will apply through an electronic application process administered by the Bar. The nominating committee shall make nominations for Chair-elect, Secretary and Treasurer or Secretary/Treasurer, three At-Large executive committee members to succeed those with expiring terms, and At-Large executive committee members for any existing vacancies. The executive committee will approve a list of nominees for each open position.

7.4 All individuals who complete the electronic application process administered by the Bar who are not selected by the Nominating Committee will be given the opportunity to self-nominate to be included on the final list of approved nominees.

7.5 The Bar will administer the elections by electronic means and certify the results, unless the Section develops its own equivalent electronic election process. In the event of a tie, the winner will be determined by drawing cards from a standard deck of cards. The candidate with the highest value card in bridge will be the winner.

7.6 Nominations and elections for open executive committee positions will be held between March and May each year.

7.7 If there is a vacancy on the executive committee between elections, the voting members of the executive committee, by majority vote, shall appoint a successor to serve for the remainder of the unexpired term. When a section member is appointed to fill the vacancy in an unexpired term, the member will do so until the next annual election, when an individual will be elected to serve the remainder of the vacated term.

ARTICLE 8. COMMITTEES

8.1 The executive committee shall determine the number, types and duties of Section committees. The committees may be either standing or ad hoc committees.
8.2 The Chair shall appoint chairs and members for each committee. The chairs of the standing committees are expected to attend and participate in executive committee meetings but are not voting executive committee members.

The newsletter shall be published at such intervals as the executive committee deems appropriate. Content of the newsletter shall be balanced to reflect the viewpoint of the various members of the Section.

9.2 The Section may publish other written materials and documents that further the objectives of the Section.

ARTICLE 10. AMENDMENTS

10.1 These bylaws may be amended by either of the following means: (1) at any annual meeting of the Section by a majority vote of the voting members of the Section present and voting; or (2) by a majority vote of the voting executive committee members at any meeting of the executive committee once a quorum is established. Amendments will become effective when approved by the Bar’s Board of Governors.

Administrative Law Section Executive Committee
Telephonic Meeting September 21, 2020

Also Present: John Gray, Selina Kang, Eileen Trang.

Absent Executive Committee Members: Jonathon Bashford (Immediate Past Chair), Scott Boyce (2018-2021), Bob Murphy (2017-2020), Chad Standifer (2017-2020).

Meeting called to order at 12:04 p.m.

1. Approval of Minutes (all)
   A motion was made (Robert) and seconded (Margie) to approve the minutes from the August 17, 2020, meeting; the motion passed unanimously.

2. Approval of Agenda (all)
   The agenda was proposed, as distributed by Robert Krabill prior to the meeting. A motion was made and seconded to approve the agenda; the motion passed unanimously.

3. Financial update (Katy Hatfield)
   Katy provided an update. We have received the most recent accounting (June) from WSBA. Publications revenue is reported quarterly, and was recently added to our account.

4. Retreat Update (Marjorie Gray)
   Margie provided an update that Alderbrook is asking us to sign a contract, but she has not wanted to move forward because we don’t know if it will be safe to meet in person in June. Eileen stated that WSBA will not sign a contract for any in-person events right now.

5. Committee updates

5.1 Legislative (Richard Potter)
   Richard provided an update. Growth Management Hearings Board has a website regarding hearings decisions but has not updated its website with recent decisions because of lack of funding allocated to that purpose. Richard has reviewed 250 state agencies to determine
which agencies have the ability to do administrative hearings. He determined there are 130 agencies that do administrative hearings, but only 14 have promulgated rules regarding a significant decisions index meeting the requirements of the statute. Only 8 have an index posted online. Richard is considering sending a letter from himself personally to agencies, asking if they have the required significant decisions index. It is not within the authority of the Section, so he would send the letters in his personal capacity.

5.2 Publications and Practice Manual (Robert Krabill, Richelle Little, Selina Kang)

Robert Krabill as Section Chair has appointed Selina Kang (section member) and Richelle Little (Secretary) to the Publications and Practice Manual Committee.

A motion was made (Robert) and seconded (Margie) to approve the agreement with WSBA regarding the PRA Deskbook revenue sharing. The motion passed unanimously. Selina will contact the correct party at WSBA

Lexis Nexis has reached out regarding updates of two chapters that were due this month for the Administrative Law Practice Manual and the committee is working on providing something to Lexis Nexis.

5.3 CLE (Eileen Keiffer, Robert Krabill, Susan Pierini, Lea Dickerson)

We had approximately 50 attendees at the recent DFI mini-CLE in September. Some were non-paying employees of DFI, so we are not sure yet whether the event was profitable financially.

We will not have a CLE in October, and at this point do not have a CLE planned for November. Lea has been working on the Homan Award event combined with CLE for a tentative date in December.

5.4 Diversity and Outreach (Alexis Hartwell-Gobeske / Robert Rhodes)

Alexis provided an update. The committee is working with Gonzaga and other WSBA sections on a virtual event with law students in October.

5.5 Homan Award (Lea Anne Dickerson)

The award is being granted to Richard Potter this year. Lea is working with the CLE committee to present a CLE in conjunction with the presentation of the award.

5.6 Newsletter (Bill Pardee)

Bill is working with Ed on the handoff of the newsletter duties. He also let Ed know that there is an opportunity to be considered for appointment to an open at-large position, and we are waiting to hear back from Ed if he is interested.

5.7 Elections (Robert Krabill, Lea Dickerson)

The elections committee did not have an update. There are three open positions for At-Large Members on the Executive Committee, which are addressed in Paragraph 8, below.
6. **Bylaw Amendment**

   A motion was made by Margie Gray Robert Krabill and seconded by Bill Pardee to approve the proposed amendment to bylaw section 7.7. The motion passed unanimously. The proposal is attached to these minutes. Richelle will submit the amendment to WSBA for approval by the BOG.

7. **Superior Court Recovery Task Force - Appellate Committee (Eileen)**

   Eileen has attended one meeting of the task force. The task force is working on expanding APA certification to the appellate court, in order to relieve the backlog of administrative appeals in superior court. The APA amendment would allow certification to the appellate court if all parties agree, or if certain criteria are met. LUPA appeals would require all parties to consent.

8. **Appointments to Vacant Positions**

   8.1 A motion was made (Robert) and seconded to appoint Sophie Geduchadze to one of the At-Large vacancies. The motion passed unanimously.

   8.2 A motion was made (Robert) and seconded to appoint Selina Kang to one of the At-Large vacancies. The motion passed unanimously.

   8.3 There is one remaining At-Large vacancy. Bill Pardee is checking with our incoming newsletter chair, Ed Pesik, to see if he would like to be considered.

9. **Ratification of Business Decisions made without a quorum.**

   A motion was made (Robert) and seconded (Margie) to ratify the following decisions made by a majority vote of those present on August 17, 2020.

   9.1 Approval of the July 20, 2020, minutes.

   9.2 Approval of creation of a section committee regarding the Superior Court Recovery Task Force - Appellate Committee.

   The motion passed unanimously.

10. **Transfer of the Gavel**

    As of October 1, 2020, Eileen will take over as section Chair.

11. **Good of the Order**

    11.1 Eileen reminded everyone that there is a Section Leaders Orientation coming up that we are encouraged to attend. At least one representative of each section needs to attend.

    11.2 Michael Addams noted that this will be his last meeting as Young Lawyer Liaison. He may attend future meetings as a general section member, as his schedule allows.

12. **Next Meeting**

    Next meeting is October 19, 2020 at 12:00 p.m.

RE: 2021 WSBA Legislative Priorities

ACTION: Approve the 2021 Legislative Priorities for the upcoming legislative session.

Overview:
The WSBA Legislative Affairs team is pleased to propose the 2021 WSBA Legislative Priorities for consideration and approval by the Board of Governors (BOG).

Background:
The WSBA and its entities are allowed to engage in the legislative process if issues are related to the practice of law and/or the administration of justice (GR 12.2). The 2021 WSBA Legislative Priorities seek to make improvements to the practice of law and administration of justice that ultimately benefit both members of the public as well as legal professionals across the state. This document is primarily used to inform legislators of the WSBA’s focus areas during the legislative session. The genesis of these priorities is tied directly to the WSBA Guiding Principles and GR 12.2. These include supporting access to justice, increasing public understanding of Washington’s justice system, and supporting a fair and impartial judiciary.

Recommended Action:
Approve the 2021 WSBA Legislative Priorities as recommended by the BOG Legislative Committee Chair and WSBA Legislative Affairs Manager.

2021 WSBA Legislative Priorities

• Support Bar-request legislative proposals initiated by WSBA Sections that are approved by the Board.

• Support non-Bar request legislative proposals approved by the Board under GR 12, that seek to:
  o Create and promote access to justice for all Washington residents;
  o Enhance statewide civics education;
  o Provide funding for the state’s court system; and
  o Provide funding for civil legal aid services through general-fund state dollars.

• Monitor and take appropriate action on legislative proposals that would:
  o Increase existing court user fees;
  o Alter court rules and/or the structure of the state’s judicial branch; and
  o Other items of significance to the practice of law and administration of justice.

Re: 2021 WSBA Legislative Review Committee Recommendations

ACTION: Sponsor two proposals for 2021 Bar-request legislation as recommended by the WSBA Legislative Review Committee.

Background:
The WSBA Legislative Committee serves as the vetting ground for legislative proposals that are presented to the Board of Governors each November. The Committee is composed of 26 members of the WSBA which includes representation of members’ practice areas, and diversity in, among other things, age, gender, race, and geography. The Committee represents the interests of the broader bar membership, not any one perspective or practice area within the bar. Appointments to the Committee are made in June. The WSBA Legislative Review Committee does not propose legislation of its own; rather, these proposals typically come from a WSBA entity, mainly Sections. The Committee’s primary task is to determine that a proposal (1) meets the requirements of GR 12.2 and (2) has been appropriately vetted both internally and externally of the WSBA.

The Committee met on September 30 and October 29, 2020 to discuss legislative proposals. The Committee voted unanimously that proposed amendments to notice and householding provisions in Washington’s Business Corporation Act (WBCA) presented by the Business Law Section’s Corporate Act Revision Committee (CARC) met the requirements of GR 12.2. The Committee voted unanimously to recommend sponsorship of this proposal to the Board of Governors. The Committee voted unanimously that the proposed revisions to the Washington Nonprofit Corporation Act presented by the Business Law Section’s Nonprofit Corporation Committee met the requirements of GR 12.2. By a vote of 17-0-3, the Committee determined that this proposal should be recommended to the Board of Governors for sponsorship.

Overview:
The WSBA Legislative Review Committee (Committee) recommends the Board of Governors (BOG) sponsor the following proposals for Bar-request legislation during the 2021 legislative session.

Returning and new legislation - Action Requested
- Proposed amendments to notice and householding provisions in the WBCA. (Committee approved unanimously)
- Proposed revisions to the Washington Nonprofit Corporation Act. (Committee approved by a 17-0-3 vote)

**Miscellaneous - No Action Requested**
- Proposed revisions to the Uniform Limited Partnership Act and Washington’s Limited Liability Company Act. (Committee decided to table proposal until further stakeholder input on the proposal can be sought)
- Proposed legislation creating a loan repayment assistance program for public interest lawyers. (Committee decided to table proposal for further draft development and further stakeholder input)

**Proposed amendments to notice and householding provisions in Washington’s Business Corporation Act.**

**Section draft development:**
The proposed amendments to the WBCA were drafted by CARC. CARC is a committee of the WSBA’s Business Law Section with approximately 15 members consisting of corporate attorneys practicing at large and smaller local law firms in the state, in-house counsel at Washington corporations, professors of law at both local law schools, and representatives of the Washington Secretary of State’s office. CARC was instrumental in the development of the WBCA adopted in 1989. CARC is primarily responsible for ensuring that the WBCA remains up to date, and continuously considers the need for changes to the WBCA in light of developments in corporate and securities laws and practices, judicial decisions and regulatory actions.

The changes were originally drafted by a member of CARC and presented to the committee for its consideration in early 2020. Draft development took into consideration recently adopted changes to the Delaware General Corporation Law and the latest version of the Model Business Corporation Act. After a months-long interruption in the committee’s deliberations due to the COVID-19 pandemic, draft changes were further refined in the summer of 2020 and presented to CARC for final comment and approval, which was obtained in August 2020.

**Background and Summary:**
The proposed amendments affect Sections 23B.01.400, 01.410, 01.420, 07.040 and 08.210. In Section 23B.01.400, the proposed changes to two certain defined terms are technical in nature. The proposed changes to 23B.01.410 would permit notices and other communications under the Washington Business Corporation Act (or a corporation’s articles of incorporation or bylaws) to be sent by email and other electronic transmissions to corporations, directors and shareholders without the need for consent to use such means of delivery. (That section currently requires consent, except that director consent is not needed if the corporation’s articles or bylaws authorize or require notices to be delivered to directors by email or other electronic transmission). The ability to use email or other electronic transmissions to send notices and other communications is subject to important protections (including shareholders’ right to opt out). The proposed amendments would also make certain technical changes to the subsection of 23B.01.410 designed to facilitate public companies’ use of the SEC’s e-proxy rules. The
proposed changes to Section 23B.01.420, which permits corporations to combine notices and
other communications delivered to shareholders sharing a common address, are also technical
in nature and primarily are intended to harmonize this section with the corresponding section of
the latest version of the Model Business Corporation Act. The proposed changes to Section
23B.07.040 and 23B.08.210 are intended to provide additional clarity relating to shareholders’
and directors’ use of email to approve written consents in lieu of live meetings.

**Proposed revisions to the Washington Nonprofit Corporation Act.**

**Section draft development:**
The Business Law Section’s Nonprofit Corporation Committee began work on these revisions in
2009 with the publication of the Third ABA Model Nonprofit Corporation Act. The proposed
revisions incorporate many of the provisions of the model act that will improve the Act,
preserves many of the provisions of the current act that work well and creates uniformity with
the Washington Business Corporation Act where appropriate.

**Background and Summary:**
The current Nonprofit Corporation Act has long needed revisions to address omissions and
dated provisions that leave nonprofit corporations and their governing body members confused
and sometimes hindered in their mission by the Act. The proposed revisions will “modernize”
the Nonprofit Corporation Act, create uniformity with the Washington Business Corporation Act,
and add protections for charitable assets. The revisions propose an increase to the annual
renewal fee for nonprofit corporations to fund a Charitable Assets Protection Account to fund
education and enforcement efforts by the Attorney General.

**PURPOSE:** Completion of the information in this cover sheet will help expedite the WSBA Legislative Review Committee’s review and approval process of potential Bar-request legislation. Of particular importance is information related to draft development and stakeholder work.

**Brief summary of bill and anticipated fiscal impact:**  
The proposed amendments affect Sections 23B.01.400, 01.410, 01.420, 07.040 and 08.210. In Section 23B.01.400, the proposed changes to two certain defined terms are technical in nature. The proposed changes to 23B.01.410 would permit notices and other communications under the Washington Business Corporation Act (or a corporation’s articles of incorporation or bylaws) to be sent by email and other electronic transmissions to corporations, directors and shareholders without the need for consent to use such means of delivery. (That section currently requires consent, except that director consent is not needed if the corporation’s articles or bylaws authorize or require notices to be delivered to directors by email or other electronic transmission). The ability to use email or other electronic transmissions to send notices and other communications is subject to important protections (including shareholders’ right to opt out). The proposed amendments would also make certain technical changes to the subsection of 23B.01.410 designed to facilitate public companies’ use of the SEC’s e-proxy rules. The proposed changes to Section 23B.01.420, which permits corporations to combine notices and other communications delivered to shareholders sharing a common address, are also technical in nature and primarily are intended to harmonize this section with the corresponding section of the latest version of the Model Business Corporation Act. The proposed changes to Section 23B.07.040 and 23B.08.210 are intended to provide additional clarity relating to shareholders’ and directors’ use of email to approve written consents in lieu of live meetings.

CARC believes there will be no fiscal impact resulting from the changes to 23B.01.400, 01.420, 07.040 or 08.210. CARC is unable to quantify the fiscal impact of the proposed changes to 23B.01.410 but believes it will be net positive to Washington corporations because, among other things, the changes will eliminate the cost and effort of documenting consent to use of email and other electronic transmissions and facilitate the use of such methods of communication in lieu of more expensive methods.

**Brief statement of need:**  
CARC believes that email and other electronic transmissions have become ubiquitous and that therefore the need to obtain consent to use of these methods of communications is unnecessarily burdensome and a potential trap for the unwary.

**Description of draft development:** (please provide detail)  
The changes were originally drafted by a member of CARC and presented to the committee for its consideration in early 2020. Draft development took into consideration recently adopted changes to the

**How does the proposal meet requirements under GR 12.2? (please explain)**

CARC believes the proposal contributes to the WSBA’s objective of promoting an effective legal system and allows the bar to maintain a legislative presence to ensure that the Washington Business Corporation Act continues to effectively serve the needs of the state’s business community.

Summary of Additional Stakeholder Input
*Please describe other anticipated stakeholder feedback regarding the proposal.
The Corporate Act Revision Committee ("CARC") of the WSBA Business Law Section is proposing certain amendments to the Washington Business Corporation Act ("WBCA") provisions governing notices and other communications given by Washington corporations to their directors and shareholders (and by directors or shareholders to the corporation). In addition, CARC is proposing to amend a related "householding" provision that applies to notices and other communications a Washington corporation gives to shareholders sharing a common address.

I. Background

A. Notice by Electronic Transmission

RCW 23B.01.410 ("Section 01.410") governs notices and other communications given by a Washington corporation to its directors and shareholders, and notices and other communications given by directors and shareholders to the corporation (such as director resignations and shareholder notices related to the exercise of dissenters’ rights). When originally adopted in 1989, Section 01.410 required that notices be given in writing (although it permitted oral notice of directors’ meetings if expressly authorized in the articles of incorporation or bylaws). The Official Legislative History for the WBCA as originally adopted noted that "written notice [means] notice which results in the recipient receiving a paper copy of the notice." The methods of delivery permitted under Section 01.410 originally were mail, private carrier or personal delivery, telegraph or teletype, or telephone, wire or wireless equipment that transmits a facsimile of the notice.

In 2002, Section 01.410 was amended in part to permit notice by “electronic transmission.” The 2002 amendments were adopted in recognition of the growing use in commerce of email (and other forms of electronic communication that were then emerging) and in response to case law that suggested that email may constitute a “writing” (Real Networks, Inc. Privacy Litigation, 5 ILR (PNF 2049 (US Dist. Ct. ILL. 00C1366, 5-8-200)). The 2002 amendments were intended to revise Section 01.410 and corresponding sections of the WBCA to be consistent with the federal Electronic Signatures in Global and National Commerce Act ("ESIGN"), which became effective in 2000. Under the 2002 amendments, Section 01.410 was expanded to allow corporations, directors and shareholders to give notice and other communications by “electronic transmission.” However, notice by electronic transmission to a director or shareholder was a valid only if the director or shareholder consented to receive notices by such means. Until 2020, this consent was required to be in the form of a “record” (i.e., paper or other tangible medium or an electronic transmission), and the consent had to designate the email or other address, location or system to which notices could be electronically transmitted.¹

¹ This requirement has been a “trap for the unwary” for some corporations in an age where electronic mail has become such a ubiquitous form of communication, as it would not occur to many business
In 2020, Section 01.410 was overhauled in connection with the adoption of the Uniform Electronic Transactions Act (UETA) in Washington under Substitute Senate Bill 6028. UETA primarily governs electronic transactions and electronic signatures. Until 2020, Washington was one of only a handful of states that had not adopted some form of UETA. To avoid thorny preemption issues with respect to ESIGN, the adoption of UETA also required certain conforming amendments to provisions in the WBCA, including Section 01.410. These conforming amendments were largely based on the analogous provisions in the Model Business Corporation Act ("MBCA"), which had been revised in 2009 to accommodate UETA. However, the 2020 amendments to Section 01.410 generally preserved the requirement that a director or shareholder consent to receipt of notices from the corporation by electronic transmission (although a director’s consent is not required if the corporation’s articles of incorporation or bylaws provide otherwise).

Prior to 2019, Section 232 of the Delaware General Corporation Law ("DGCL"), which governs notices given by Delaware corporations to their stockholders, permitted a Delaware corporation to give notices by electronic transmission (including email) only to stockholders who had consented to receive notices in that manner. \(^2\) In 2019, Section 232 of the DGCL was amended to eliminate the requirement that stockholders consent to receiving notices by email. This change was made in recognition of the ubiquity of email as a means of communicating in commerce and a concern that the consent requirement limited the utility of notice by email. The 2019 amendments to Section 232 included important protections for stockholders, however. First, notice by email is not permitted if a stockholder objects to receiving notice by email. And second, notice by email (or other electronic transmission) is not permitted if the corporation is unable to deliver two consecutive notices in that manner and the inability becomes known to the corporation (or its transfer agent).

B. Householding Rules

In 2003, RCW 23B.01.420 ("Section 01.420") was added to the WBCA to conform requirements for the delivery of information to shareholders under the WBCA to the so-called "householding rules" that had been recently adopted by the Securities and Exchange Commission. Section 01.420 allows Washington corporations to eliminate duplicate mailings (or other deliveries) to shareholders who share a common address. Section 01.420 was based largely on a provision in the Minnesota Business Corporation Act adopted in 2002. Section 01.420 has remained the same since it was originally adopted in 2003.

II. Proposed Amendments

A. Notice by Electronic Transmission

CARC is proposing to amend Section 01.410 in much the same way that Delaware amended the notice provisions of the DGCL in 2019. As proposed by CARC, Section 01.410 would allow corporations to give notices and other communications to shareholders and directors by email and other forms of electronic transmission without needing to obtain their consent to receive notices or other communications in this

owners and managers that they need to get explicit consent to the use of electronic mail for some types of communications (i.e., notices) by email.

\(^2\) The DGCL does not explicitly govern how notices to directors may be given, so a Delaware corporation has significant flexibility to authorize in its bylaws the means by which notices to directors are given, including electronic mail or other electronic transmission. There is no statutory requirement in the DGCL that directors consent to receiving notices by electronic transmission.
way.³ Importantly, a corporation would not be able to give valid notices or other communications to a shareholder by email or other electronic transmission if the shareholder objects to receiving notices and other communications in this manner. In addition, a corporation would not be able to give valid notices and other communication to a shareholder or director by email or other electronic transmission if the corporation is unable to deliver two consecutive notices or other communications in this manner and that inability becomes known to the corporation or its transfer agent. In addition to these changes, CARC is proposing minor changes to certain defined terms in RCW 23B.01.400 that are used in Section 01.410 and certain technical changes to subsection (11) of Section 01.410, which was added in 2008 to coordinate the shareholder notice requirements under Section 01.410 with the Securities and Exchange Commission’s “e-proxy rules” that apply to public companies.

In addition, CARC is proposing technical changes to RCW 23B.07.040 and .08.210 to clarify when a written consent under those sections is deemed executed by a shareholder or director by electronic transmission.

B. Householding Rules

In connection with the proposed changes to Section 01.410, certain conforming changes must be made to Section 01.420.

In addition, as part of its continual efforts to modernize and improve the WBCA, CARC frequently considers the latest version of the MBCA, which was last comprehensively amended in 2016 by the American Bar Association’s Committee on Corporate Laws. In connection with its consideration of the potential changes to Section 01.410 described in this memorandum, the committee compared Washington’s householding rule as embodied in Section 01.420 to the analogous provision (§1.44) in the current version of the MBCA. CARC is proposing certain amendments to Section 01.420 to conform that section in substance to MBCA §1.44. These proposed amendments are mostly technical in nature and do not represent any meaningful substantive change to Washington’s householding rules.

The proposed changes to RCW 23B.01.400, .01.410 and .01.420 are reflected in the redline mark-up of the existing versions of such statutes set forth as Annex A to this memorandum.

³ However, as Section 01.410 currently provides, a corporation may give notices by email or other electronic transmission to a director without obtaining that director’s consent to do so if the corporation’s articles of incorporation or bylaws authorize or require notices or other communications to be given in that manner. Modern bylaws are likely to authorize giving notices to directors by electronic transmission for a significant number of existing Washington corporations, so CARC believes the requirement to obtain a director’s consent for delivery of notices and other communications by email or other electronic transmission is largely mooted anyway.

A notice includes material that this title or the corporation’s articles of incorporation or bylaws requires to accompany the notice. Unless otherwise agreed between the sender and the recipient, words in a notice or other communication under this title must be in English.

(2) A notice or other communication may be given by any method of delivery, except that electronic transmissions must be in accordance with this section. If the methods of delivery are impracticable, a notice or other communication may be given by means of a broad non-exclusionary distribution to the public, which may include a newspaper of general circulation in the area where published; radio, television, or other form of public broadcast communication; or other methods of distribution that the corporation has previously identified to its shareholders.

(3) A notice or other communication to a domestic or foreign corporation registered to do business in this state may be delivered to the corporation’s registered agent or to the secretary at its principal office shown in its most recent annual report or, in the case of a foreign corporation that has not yet delivered an annual report, in its foreign registration statement.

(4) A notice or other communications may be delivered by electronic mail or other electronic transmission if consented to by the recipient or if authorized by, subject to subsection (10) of this section, except that if the articles of incorporation or bylaws authorize or require delivery of notices of meetings of directors by electronic transmission, then no consent to delivery such notices by electronic transmission is required, if applicable.

(5) Any consent under subsection (4) of this section, a notice may not be revoked by the person who consented by written notice to the person to whom the consent was delivered. Any such consent is deemed revoked if (a) given by electronic mail or other electronic transmission (a) To a shareholder from and after the time that the shareholder notifies the corporation in writing of an objection to receiving notice by electronic mail or other electronic transmission; or

(b) To a shareholder or director from and after the time that the corporation is unable to deliver two consecutive notices by electronic mail or other electronic transmissions given by the corporation in accordance with such consent, and (b) transmission to the electronic mail address, network, or processing system for such shareholder or director, and such inability becomes known to the secretary or to the transfer agent, or other person responsible for the giving of notice or other communications. The inadvertent failure to treat such inability as a revocation will not invalidate any meeting or other corporate action.

(6) Unless otherwise agreed between the sender and the recipient, an electronic transmission is received when:

(a) If by electronic mail, it is directed to the recipient’s electronic mail address, {including, in the case of a shareholder, to the shareholder’s electronic mail address as it appears in the corporation’s records};

(b) If by posting on an electronic network, upon the later of:
(i) such posting, and

(ii) the delivery of separate notice to the recipient of such specific posting together with comprehensible instructions regarding how to obtain access to the posting on the electronic network; and

(c) If by any other electronic transmission, it enters an information processing system that the recipient has designated or uses for the purposes of receiving electronic transmissions or information of the type sent, and from which the recipient is able to retrieve the electronic transmission and it is in a form capable of being processed by that system.

(7) Receipt of an electronic acknowledgement from an information processing system described in subsection (6)(c) of this section establishes that an electronic transmission was received but, by itself, does not establish that the content sent corresponds to the content received.

(8) An electronic transmission is received under this section even if no person is aware of its receipt.

(9) A notice or other communication, if in a comprehensible form or manner, is effective at the earliest of the following:

(a) If in a physical form, the earliest of when it is actually received, or when it is left at:

(i) A shareholder’s address as it appears in the corporation’s records;

(ii) A director’s residence or usual place of business; or

(iii) The corporation’s principal office;

(b) If mailed to a shareholder, upon deposit in the United States mail with first-class postage prepaid and correctly addressed to the shareholder’s mailing address as it appears in the corporation’s records;

(c) If mailed to a recipient other than a shareholder, the earliest of when it is actually received, or:

(i) If sent by registered or certified mail, return receipt requested, the date shown on the return receipt signed by or on behalf of the addressee; or

(ii) Five days after it is deposited in the United States mail with first-class postage prepaid and correctly addressed to the recipient;

(d) If sent by air courier, when dispatched and correctly addressed to a shareholder’s mailing address as it appears in the corporation’s records;

(e) If sent by electronic mail or any other electronic transmission, when it is received as provided in subsection (6) of this section; and

(f) If oral, when communicated.

(10) A notice or other communication may be in the form of an electronic transmission that cannot be directly reproduced in paper form by the recipient through an automated process used in conventional commercial practice only if (a) the electronic transmission is otherwise retrievable in perceivable form,
and (b) the sender and the recipient have consented in writing to the use of such form of electronic transmission.

(11) Notwithstanding anything to the contrary in this section or any other section of this title, if whenever this title requires that a notice be given to shareholders be accompanied by certain material, of a public company, the public company may, if permitted by applicable federal law, satisfy such a requirement, whether or not a shareholder has consented to receive electronically transmitted notice, by (a) posting the material by (a) posting the notice, and any material that this title or the corporation’s articles of incorporation or bylaws requires to accompany the notice, on an electronic network (either separate from, or in combination with or as part of, any other materials the public company has posted on the electronic network in compliance with applicable federal law) at or prior to the time that the notice referred to in clause (b) of this subsection (11) is delivered to the public company’s shareholders entitled to receive the notice, and (b) delivering mailing to the public company’s shareholders entitled to receive the notice a separate record notice of the posting (which record may accompany, or be contained in, the notice), together with comprehensible instructions regarding how to obtain access to the posting on the electronic network. In such a case, the notice and any accompanying material posted on the electronic network is deemed to have been delivered to the public company’s shareholders at the time the notice to the shareholders separate notice required under clause (b) of this subsection (11) is effective under as provided in subsection (9) of this section. A public company that elects pursuant to this section subsection (11) to post on an electronic network any notice or any material required by that this title or the corporation’s articles of incorporation or bylaws requires to accompany a notice to shareholders is required, at its expense, to provide a copy of the notice and such material in a tangible medium (alone or in combination or as part of any other materials the public company has posted on the electronic network in compliance with federal law) to any shareholder entitled to such a notice who so requests.

(12) If this title prescribes requirements for notices or other communications in particular circumstances, those requirements govern. If articles of incorporation or bylaws prescribe requirements for notices or other communications, not inconsistent with this section or other provisions of this title, those requirements govern. The articles of incorporation or bylaws may authorize or require delivery of notices of meetings of directors by electronic mail or other electronic transmission.

(13) In the event that any provisions of this title are deemed to modify, limit, or supersede the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., the provisions of this title will control to the maximum extent permitted by section 102(a)(2) of that federal act.
23B.01.420. Notice--Common address--Address defined--Shareholder consent.

(1) A corporation has delivered written notice or any other report or statement to all shareholders of record who share a common address if all of the following requirements are met:

(a) The corporation delivers one copy of the notice, report or statement to the common address;

(b) The corporation addresses the notice, report or statement to the shareholders who share that address either as a group or to each of the shareholders individually or in any other manner to which each of those shareholders has consented; and

(c) Each of those shareholders consents to delivery of a single copy of such notice, report or statement to the shareholders’ common address, and the corporation notifies each shareholder of the duration of that shareholder’s consent, and explains the manner by which the shareholder can revoke the consent.

(2) For purposes of this section, “address” means a street address, a post office box number, a facsimile telephone number, an address, location, or system for electronic transmissions, an electronic mail address, or another similar destination to which records are delivered.

(3) Any consent described in subsection (1) of this section is revocable by any of those shareholders who deliver written notice of revocation to the corporation. If such written notice of revocation is delivered, the corporation must begin providing individual notices, reports or statements to the revoking shareholder within thirty days after delivery of the written notice of revocation.

(4) Prior to the delivery of notice by electronic transmission to a common address, each shareholder consenting to receive notice under this section must also have consented to the receipt of notices by electronic transmission as provided in RCW 23B.01.410. Any shareholder who fails to object by written notice to the corporation, within sixty days of written notice by the corporation of its intention to deliver single copies of notices, reports or statements to shareholders who share a common address as permitted by subsection (1) of this section, will be deemed to have consented to receiving such single copy at the common address, on condition that the notice of intention explains that consent may be revoked and the method for revoking.
23B.07.040. Corporate action without a meeting.

(1) (a) Corporate action required or permitted by this title to be approved by a shareholder vote at a meeting may be approved without a meeting or a vote if either:

(i) The corporate action is approved by all shareholders entitled to vote on the corporate action; or

(ii) The corporate action is approved by shareholders holding of record or otherwise entitled to vote in the aggregate not less than the minimum number of votes that would be necessary to approve such corporate action at a meeting at which all shares entitled to vote on the corporate action were present and voted, and at the time the corporate action is approved the corporation is authorized to approve such corporate action under subsection(1)(a)(ii) of this section, except that if a corporation's articles of incorporation authorize shareholders to cumulate their votes when electing directors pursuant to RCW 23B.07.280, shareholders may not elect directors by less than unanimous written consent.

(b) Corporate action may be approved by shareholders without a meeting or a vote if the approval is evidenced by one or more written consents:

(i) Executed by shareholders holding of record or otherwise entitled to vote in the aggregate not less than the minimum number of votes necessary under (a)(i) or (ii) of this subsection;

(ii) Indicating the date of execution, which date must be on or after the applicable record date determined in accordance with subsection (2) of this section;

(iii) Describing the corporate action being approved; and

(iv) Delivered to the corporation for filing by the corporation with the minutes or corporate records in accordance with subsection (4) of this section. When delivered to each shareholder for execution, the consent must include or be accompanied by the same material that would have been required by this title to be delivered to shareholders in or accompanying a notice of meeting at which the proposed corporate action would have been submitted for shareholder approval. A shareholder may withdraw an executed shareholder consent by delivering a written notice of withdrawal to the corporation prior to the time when shareholder consents sufficient to approve the corporate action have been delivered to the corporation.

(c) A written consent in the form of an electronic transmission must contain or be will be deemed to have been executed by a shareholder if it indicates that shareholder's present intent to approve the corporate action and contains or is accompanied by information from which the corporation can determine that the electronic transmission was transmitted by the shareholder and the date on which the shareholder transmitted the electronic transmission.
The record date for determining shareholders entitled to approve a corporate action without a meeting may be fixed under RCW 23B.07.030 or 23B.07.070, but if not so fixed shall be the date of execution indicated on the earliest dated shareholder consent executed under subsection (1) of this section, even though such shareholder consent may not have been delivered to the corporation on that date.

Notice that shareholder consents are being sought under subsection (1)(a) of this section must be given, by the corporation or by another person soliciting such consents, on or promptly after the record date, to all shareholders entitled to vote on the record date who have not yet executed the shareholder consent and, if this title would otherwise require that notice of a meeting of shareholders to consider the proposed corporate action be given to nonvoting shareholders, to all nonvoting shareholders as of the record date. Notice given under this subsection (3)(a) must include or be accompanied by the same information required to be included in or to accompany the shareholder consent under subsection (1)(b)(iii) and (iv) of this section.

Notice that sufficient written consents have been executed to approve the proposed corporate action under either of subsection (1)(a)(i) or (ii) of this section must be given by the corporation, promptly after delivery to the corporation of written consents sufficient to approve the corporate action in accordance with subsection (4) of this section, to all shareholders entitled to vote on the record date and, if this title would otherwise require that notice of a meeting of shareholders to consider the proposed corporate action be given to nonvoting shareholders, to all nonvoting shareholders as of the record date.

Unless the consent executed by shareholders specifies a later time as the time at which the approval of the corporate action is to be effective, shareholder approval obtained under this section is effective when:

(a) Executed shareholder consents sufficient to approve the proposed corporate action have been delivered to the corporation in any manner authorized by RCW 23B.01.410; and

(b) Any period of advance notice required by the corporation's articles of incorporation to be given to any nonconsenting shareholders has been satisfied. No written consent is effective to approve a proposed corporate action unless, within sixty days after the earliest date on which a consent delivered to the corporation as required by this section was executed, written consents executed by a sufficient number of shareholders to approve the corporate action are delivered to the corporation.

Approval of corporate action by written consents under this section has the effect of a meeting vote and may be described as such in any document, except that, if the corporate action requires the filing of a certificate under any other section of this title, the certificate so filed shall state, in lieu of any statement required by that section concerning any vote of shareholders, that shareholder approval has been obtained in
accordance with this section and that notice to any nonconsenting shareholders has been given to the extent required by this section.

(6) The notice requirements in subsection (3)(a) and (b) of this section will not delay the effectiveness of approval of corporate action by written consents, and failure to comply with those notice requirements will not invalidate approval of corporate action by written consents; except that this subsection is not intended to limit judicial power to fashion any appropriate remedy in favor of a shareholder adversely affected by a failure to give such notice in accordance with those subsections.

(1) Unless the articles of incorporation or bylaws provide otherwise, corporate action required or permitted by this title to be approved at a board of directors' meeting may be approved without a meeting if the corporate action is approved by all members of the board. The approval of the corporate action must be evidenced by one or more written consents describing the corporate action being approved, executed by each director either before or after the corporate action becomes effective, and delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) A written consent in the form of an electronic transmission must contain or be deemed to have been executed by a director if it indicates the director's present intent to approve the corporate action and contains or is accompanied by information from which the corporation can determine that the electronic transmission was transmitted by the director and the date on which the director transmitted the electronic transmission.

(3) Corporate action is approved under this section when the last director executes the consent.

(4) A consent under this section has the effect of a meeting vote and may be described as such in any document.

   (b) When given, if the notice is delivered by electronic transmission to the member's address shown in the corporation's current record of members; or
   (c) When given, if the notice is delivered in any other manner that the member has authorized.

(5) Notice to a domestic or registered foreign nonprofit corporation may be delivered to its registered agent or to the corporation or its secretary at its principal office shown in its most recent annual report or, in the case of a foreign corporation that has not yet delivered an annual report, in its registration statement.

(6) Where oral notice is permitted, it is effective when communicated, if communicated in a comprehensible manner.

(7) If this chapter prescribes notice requirements for particular circumstances, those requirements govern. If the articles or bylaws prescribe notice requirements, not inconsistent with this section or other provisions of this chapter, those requirements govern.

(8) With respect to electronic transmissions:
(a) Unless otherwise provided in the articles or bylaws, or otherwise agreed between the sender and the recipient, an electronic transmission is received when:

   (i) It enters an electronic system that the recipient has designated or currently uses for the purpose of receiving electronic transmissions of the type sent; and

   (ii) It is in a form capable of being processed by that system.

(b) An electronic transmission is received under (a)(i) of this subsection even if no individual is aware of its receipt.

(c) Receipt of an electronic acknowledgment from an electronic system described in (a)(i) of this subsection establishes that a record was received but, by itself, does not establish that the content sent corresponds to the content received, and is not necessary for the record to be received.

(9) A member may revoke in the form of a record a corporation's express or implied authorization to deliver notices or communications by electronic transmission to the member. Such authorization is deemed revoked with respect to a member if:

   (a) The corporation cannot deliver two consecutive notices or other communications to the member's address shown in the corporation's current record of members; and

   (b) The inability becomes known to the secretary or other person responsible for giving the notice or other communication; but the failure to treat the inability as a revocation does not invalidate any meeting or other action.

NEW SECTION. Sec. 1104. SERVICE ON CORPORATIONS. (1) Service upon a nonprofit corporation of any process, notice, or demand required or permitted by law may be made by serving the nonprofit corporation's registered agent.

(2) Service upon a nonprofit corporation made by serving the nonprofit corporation's registered agent, or service on the nonprofit corporation in the absence of a registered agent, is governed by chapter 23.95 RCW.

(2) Any corporation or association organized under any other chapter of Title 24 RCW may be reorganized under this chapter by adopting and filing amendments to its articles in accordance with this chapter. The articles as amended shall conform to this chapter, and shall state that the corporation accepts the benefits of and will be bound by this chapter.

(b) Any ratification, right, remedy, privilege, obligation, or liability acquired, accrued, or incurred under the repealed chapter before its repeal;
(c) Any violation of the repealed chapter, or any penalty, forfeiture, or punishment incurred because of the violation, before its repeal; or
(d) Any proceeding, reorganization, or dissolution commenced under the repealed chapter before its repeal, and the proceeding, reorganization, or dissolution may be completed in accordance with the repealed chapter as if it had not been repealed.
If a penalty or punishment imposed for violation of chapter 24.03 RCW repealed by this act is reduced by this chapter, then the penalty or punishment if not already imposed shall be imposed in accordance with this chapter.

NEW SECTION. Sec. 1109. RELATIONSHIP TO OTHER LAWS. (1) Unless displaced by particular provisions of this chapter, the principles of law and equity supplement this chapter.

(2) This chapter does not authorize an act prohibited by, and does not affect the application or requirements of, law other than this chapter.

(3) This chapter modifies, limits, or supersedes the federal electronic signatures in global and national commerce act, Title 15 U.S.C. Sec. 7001 et seq., but this chapter does not modify, limit, or supersedes section 101(c) of that act or authorize delivery by electronic transmission of any of the notices described in section 103(b) of that act.

NEW SECTION. Sec. 1110. SUBORDINATION TO CANON LAW. To the extent religious doctrine or canon law governing the internal affairs of a nonprofit corporation is inconsistent with this chapter, the religious doctrine or canon law controls to the extent required by the United States Constitution, the state Constitution, or both.

ARTICLE 5
GIFT RESTRICTIONS

NEW SECTION. Sec. 1501. UNRESTRICTED GIFTS. Giving a gift to a nonprofit corporation, including a charitable corporation, without a gift instrument transfers complete ownership of the gift to the nonprofit corporation. A restricted gift to a nonprofit corporation is created only by a gift instrument.

NEW SECTION. Sec. 1502. RESTRICTED GIFTS. (1) This section distinguishes between:
(a) Enforceable trusts held by a nonprofit corporation, including a charitable corporation, governed under chapter 11.110 RCW; and
(b) Gift restrictions whose terms may be enforced and are subject to modification under this chapter or other applicable law.
(2) A gift to a nonprofit corporation, including a charitable corporation, does not create a charitable trust unless:
(a) The donor expresses an intent to create a charitable trust; and
(b) The trustee, which may be a charitable corporation, agrees in the form of a record to act as trustee of that trust according to its terms.
(3) Giving a gift to a nonprofit corporation, including a charitable corporation, that is: (a) Accepted by the corporation; (b) not in trust; and (c) subject to material restrictions or requirements contained in a gift instrument transfers complete ownership to the nonprofit corporation. The nonprofit corporation is
bound by the material restrictions or requirements contained in the gift instrument.

(4) A nonprofit corporation complies with a term contained in a gift instrument if the nonprofit corporation reasonably complies with all material restrictions or requirements contained in the term, or, when appropriate under the facts and circumstances, seeks modification in accordance with section 1503 of this act.

(5) If the nonprofit corporation fails to comply with any material restriction or requirement contained in a gift instrument and fails to seek a modification in accordance with section 1503 of this act, then the attorney general may bring a proceeding to enforce the terms of the gift instrument.

NEW SECTION. Sec. 1503. MODIFICATION OR RELEASE OF GIFT RESTRICTIONS. (1) A term of a gift instrument that binds a nonprofit corporation may be modified or released, in whole or in part:
   (a) If the donor consents in a record;
   (b) As set forth in subsection (2) of this section, if the term is unlawful, impracticable, impossible to achieve, or wasteful;
   (c) For gift instruments limiting the use of property to one or more charitable purposes, through a binding agreement executed by the nonprofit corporation, the attorney general, and other interested parties, and filed with or approved by the court in accordance with section 1504 of this act;
   (d) By approval of the court in accordance with section 1505 of this act; or
   (e) As provided by other applicable law including, but not limited to, chapter 24.55 RCW.

(2) If a nonprofit corporation, including a charitable corporation, determines that a restriction contained in a gift instrument on the management, investment, or purpose of a gift is unlawful, impracticable, impossible to achieve, or wasteful, then the nonprofit corporation, sixty days after notification to the attorney general, may modify the restriction, in whole or part, if:
   (a) The gift subject to the restriction has a total value consistent with RCW 24.55.045(4)(a) or any successor provision;
   (b) More than twenty years have elapsed since the gift was given; and
(c) The nonprofit corporation uses the gift in a manner consistent with any charitable purposes expressed in the gift instrument.

(3) Application of sections 1501 through 1506 of this act to existing gifts:
   (a) Before July 1, 2022, sections 1501 through 1506 of this act apply to gifts existing on June 30, 2021, only if the institution's governing body elects to apply sections 1501 through 1506 of this act to existing gifts before July 1, 2022.
   (b) On or after July 1, 2022, sections 1501 through 1506 of this act apply to all gifts.
   (c) As applied to gifts existing on June 30, 2021, sections 1501 through 1506 of this act govern only decisions made or actions taken on or after July 1, 2022, except that in the case of a nonprofit corporation that makes the election under subsection (1) of this section sections 1501 through 1506 of this act govern decisions made or actions taken on or after the date the nonprofit corporation elects to be covered by sections 1501 through 1506 of this act.

NEW SECTION. Sec. 1504. BINDING AGREEMENT TO MODIFY OR RELEASE RESTRICTIONS. (1) If a gift instrument limits the use of the gift to one or more charitable purposes, and the conditions set forth in subsection (3) or (4) of this section are satisfied, then the gift instrument may be modified by agreement of the nonprofit corporation, the attorney general, and all other interested parties.
   (2) For purposes of this section, an "interested party" does not include:
      (a) The donor; or
      (b) Any member of any charitable class that the gift would benefit, either before or after the modifications to be made by the agreement.
   (3) A restriction related to a gift's management or investment may be modified by an agreement described in subsection (1) of this section if:
      (a) Because of circumstances not anticipated by the donor, modification will further the charitable purpose of the gift;
      (b) Enforcement of the restriction has become impracticable or wasteful; or
      (c) Enforcement of the restriction impairs the management or investment of the gift.
A restriction on the use of a gift relating to the gift's charitable purpose, rather than its management or investment, may be modified by an agreement described in subsection (1) of this section if the purpose becomes unlawful, impracticable, impossible to achieve, or wasteful.

An agreement described in subsection (1) of this section must:

(a) Be in writing and executed by all of the parties;
(b) Be binding and conclusive on the nonprofit corporation and all other parties with a beneficial interest in the gift;
(c) Identify the gift instrument and the term or terms of the gift instrument that it modifies;
(d) Describe completely the modifications that it would make;
(e) Set forth the reasons why the modifications would comply with subsection (3) or (4) of this section; and
(f) State changes to the charitable purposes to which the use of the gift is limited, if any, resulting from the modifications.

The nonprofit corporation or its legal representative may file the executed agreement with the court within thirty days of the agreement's execution by all parties. Upon filing of the executed agreement with the court:

(a) The agreement becomes effective and equivalent to a final court order binding on the nonprofit corporation and all other parties with a beneficial interest in the use of the gift, and
(b) The modifications are deemed approved by the court, and have the same effect as if the court ordered them pursuant to section 1505 of this act.

The nonprofit corporation or its legal representative may, as an alternative to the procedure described in subsection (6) of this section, petition the court for a hearing for presentation of an agreement entered under this section to the court within twenty-one days of the agreement's execution by all parties. The nonprofit corporation shall (a) provide notice of the time and date of the hearing to each party to the agreement unless that party has waived notice in the form of a record, and (b) file proof of mailing or delivery of the notice or waiver with the court. At the hearing, the court shall review the agreement on behalf of all the parties. The court shall determine whether the agreement adequately represents and protects the interests of the parties and the public interest, and enter an order declaring its determination. If the court determines...
that the agreement does not adequately represent and protect those interests, then the agreement is void.

NEW SECTION.  Sec. 1505.  JUDICIAL MODIFICATION OR RELEASE OF RESTRICTIONS. (1) The court may modify a restriction related to a gift's management or investment, rather than to its charitable purpose, if:

(a) Because of circumstances not anticipated by the donor, modification will further the charitable purpose of the gift;
(b) Enforcement of the restriction has become impracticable or wasteful; or
(c) Enforcement of the restriction impairs the management or investment of the gift.

(2) The court may modify a restriction on the use of a gift relating to the charitable purpose of the gift, rather than its management or investment, if the purpose becomes unlawful, impracticable, impossible to achieve, or wasteful.

(3) If the gift instrument provides for a forfeiture or gift-over to an alternative beneficiary, then the court may modify one or more restrictions under the procedure set out in subsection (1) of this section if a management or investment provision fails. The court may not, however, modify any restriction under the procedure set out in subsection (2) of this section to defeat the interest of an alternate beneficiary unless the beneficiary would also be subject to, and unable to perform, the term requiring modification. The alternative beneficiary is entitled to notice and may participate in the determination of whether to grant modification.

(4) Any modification made by the court must, to the extent possible, be made in a manner consistent with the charitable purposes as expressed in the gift instrument.

(5) A nonprofit corporation shall notify the attorney general whenever it seeks to modify a charitable gift restriction under this section and the court shall offer the attorney general an opportunity to be heard.

NEW SECTION.  Sec. 1506.  CHARITABLE PURPOSE SURVIVES. Modification or release of a gift restriction shall not allow a gift to be used for a purpose other than a charitable purpose.
NEW SECTION.  Sec. 1601. CORPORATE RECORDS. (1) A nonprofit corporation shall keep permanently a copy of the following records:

(3) A nonprofit corporation shall maintain appropriate accounting records.
(4) A membership corporation or its agent shall maintain a record of its members, in a form that permits preparation of a list of the names and addresses of all members, in alphabetical order by class, showing the number of votes each member is entitled to cast.
(5) A nonprofit corporation shall maintain its records in written form or in any other form of a record.
(6) All records required to be maintained by a nonprofit corporation may be maintained at any location within or without this state.

NEW SECTION.  Sec. 1602. INSPECTION BY MEMBERS. (1) A member of a nonprofit corporation may inspect and copy, during regular business hours at a reasonable location specified by the corporation, any of the records the corporation is required to maintain under section...
1601 of this act, if the member delivers to the corporation an executed notice in the form of a record at least five business days before the date on which the member wishes to inspect and copy the records.

(2) Subject to the limitations set forth in (c) and (d) of this subsection, a member of a nonprofit corporation may inspect and copy, during regular business hours at a reasonable location specified by the corporation, any of the following records of the corporation, if the member delivers to the corporation an executed notice in the form of a record at least five business days before the date on which the member wishes to inspect and copy the records:

(b) The address of any member who is known to the corporation to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar program established by law;

(c) Those portions of records, which, if disclosed, would be reasonably likely to result in harm to the corporation or a third party, such as disciplinary actions involving nondirector members, identities of job applicants, discussions of strategic acquisitions, records that are required to be kept confidential under obligations to a third party, etc.; or

(d) Any information that a nonprofit corporation is required to keep confidential under any other law.

(4) A member may inspect and copy the records described in subsection (2) of this section only if the:

(a) Member's demand is made in good faith and for a proper purpose;

(b) Member describes with reasonable particularity the purpose and the records the member desires to inspect;
(c) Member agrees in the form of a record to reasonable restrictions required by the board on the use or distribution of the records; and

(d) Records are directly connected with this purpose.

(5) The right of inspection granted by this section may not be abolished or limited by a nonprofit corporation's articles or bylaws.

(6) This section does not affect the:

(a) Right of a member to inspect records as part of discovery in connection with litigation; or

(b) Power of any court of competent jurisdiction, independently of this chapter, to compel the production of corporate records for examination.

NEW SECTION. Sec. 1603. SCOPE OF MEMBER'S INSPECTION RIGHT. (1) A member's agent or attorney has the same inspection and copying rights as the member represented.

(2) The right to copy records under section 1602 of this act includes, if reasonable, the right to receive copies. Copies may be provided through electronic transmission unless the member requests otherwise in the form of a record.

(3) The nonprofit corporation may comply with a member's demand to inspect and copy the list of members under section 1602(2)(c) of this act by providing the member for a reasonable charge as described in subsection (4) of this section with a list of members that was compiled no earlier than the date of the member's demand.

(4) The nonprofit corporation shall provide a copy of its articles and bylaws at no cost to a member on request. The nonprofit corporation may impose a reasonable charge, covering the costs of labor and material, for copies of any other documents provided to the member. The charge may not exceed the estimated cost of production, reproduction, or transmission of the records.

NEW SECTION. Sec. 1604. FINANCIAL STATEMENTS FOR MEMBERS. (1) Except as provided in the articles or bylaws of a nonprofit corporation engaged in religious activity, upon a demand in the form of a record from a member, a corporation shall furnish that member with its latest annual financial statements, which may be consolidated or combined statements of the corporation and one or more of its subsidiaries, as appropriate, that include a balance sheet as of the end of the fiscal year and a statement of operations.
for the year. If financial statements are prepared for the
1 corporation on the basis of generally accepted accounting principles,
2 then the annual financial statements must also be prepared on that
3 basis.

(2) If the annual financial statements are reported upon by a
certified public accountant, then the accountant's report shall
accompany them. If not, then the statements must be accompanied by a
statement of the president or the person responsible for the
nonprofit corporation's accounting records:

(a) Stating the reasonable belief of the president or other
person as to whether the statements were prepared on the basis of
generally accepted accounting principles and, if not, describing the
basis of preparation; and

(b) Describing any respects in which the statements were not
prepared on a basis of accounting consistent with the statements
prepared for the preceding year.

NEW SECTION. Sec. 1605. COURT-ORDERED INSPECTION. (1) If a
nonprofit corporation does not allow a member who complies with
section 1602(1) of this act to inspect and copy any records required
by that subsection to be available for inspection, then the court may
summarily order inspection and copying of the records demanded at the
corporation's expense upon application of the member.

(2) If a nonprofit corporation does not within a reasonable time
allow a member to inspect and copy any other record to which the
member is entitled under section 1602(2) of this act, then the member
who complies with section 1602 (3) and (4) of this act may apply to
the court for an order to permit inspection and copying of the records demanded. The court shall dispose of an application under
this subsection on an expedited basis. The court may inspect the
records in question in camera and determine the extent of required
disclosure, if any, in light of section 1602 of this act. In making
that determination, the court shall consider the probability and
extent of potential harm to the corporation or any third party that
may result from inspection, and the probability and extent of benefit
to the corporation or the member.

(3) If the court orders inspection and copying of the records
demanded, then it shall also order the nonprofit corporation to pay
the member's costs, including reasonable attorneys' fees, incurred to
obtain the order, unless the corporation proves that it refused

inspection in good faith because it had a reasonable basis for doubt about the right of the member to inspect the records demanded. If the court denies the majority of the request for inspection and copying, it may order the member to pay part or all of the nonprofit corporation's costs, including reasonable attorneys' fees.

(4) If the court orders inspection and copying of the records demanded, then it may impose reasonable restrictions on the use or distribution of the records by the demanding member.

NEW SECTION. Sec. 1606. INSPECTION BY DIRECTORS. (1) A director of a nonprofit corporation may inspect and copy the books, records, and documents of the corporation at any reasonable time to the extent reasonably related to the performance of the director's duties as a director, including duties as a member of a committee, but not for any other purpose or in any manner that would violate any duty to the corporation or law other than this chapter.

(2) The court may order inspection and copying of the books, records, and documents at the corporation's expense, upon application of a director who has been refused the inspection rights set out in subsection (1) of this section, unless the corporation establishes that the director is not entitled to those inspection rights. The court shall dispose of an application under this subsection on an expedited basis.

(3) If an order is issued, then the court may include provisions protecting the nonprofit corporation from undue burden or expense, and prohibiting the director from using information obtained upon exercise of the inspection rights in a manner that would violate a duty to the corporation, and may also order the corporation to reimburse the director for the director's costs, including reasonable attorneys' fees, incurred in connection with the application.

NEW SECTION. Sec. 1607. USE OF MEMBERSHIP LIST. (1) Without the consent of the board, a membership list or any part thereof may not be obtained or used by any person for any purpose unrelated to a member's interest as a member. Without limiting the generality of the foregoing, without the consent of the board, a membership list or any part thereof may not be:

(a) Used to solicit cash or other property unless the cash or other property will be used solely to solicit the votes of the members in an election to be held by the nonprofit corporation;
(b) Used for any commercial purpose; or
(c) Sold to or purchased by any person.
(2) Instead of making a membership list available for inspection and copying under sections 1601 through 1607 of this act, a nonprofit corporation may elect to proceed under the procedures set forth in section 2304(6) of this act.

(ii) In the absence of a provision fixing the number or proportion of members entitled to call a meeting, the number or proportion of members representing five percent of all the votes entitled to be cast on the subject matter proposed to be considered at the proposed special meeting;

execute, date, and deliver to the corporation one or more demands in the form of a record for the meeting describing the purpose for which it is to be held.

(2) Unless otherwise provided in the articles or bylaws, a demand for a special meeting may be revoked by notice to that effect received by the membership corporation from the members calling the meeting before the receipt by the corporation of demands sufficient in number to require the holding of a special meeting.

(3) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to demand a special meeting is the date the first member executes a demand.

(4) Only business within the purpose or purposes described in the meeting notice required by section 2305(3) of this act may be conducted at a special meeting of the members.

(5) Except as provided in subsection (6) of this section, special meetings of the members may be held in or out of this state at the place stated in or fixed in accordance with the articles or bylaws. If no place is stated or fixed in accordance with the articles or bylaws, then special meetings shall be held at the corporation's principal office.

(6) The articles or bylaws may provide that a special meeting of members be held at a specified location and, unless otherwise provided under the articles or bylaws, through means of remote communication through which members not physically present may participate in the meeting substantially concurrently, vote on matters submitted to the members, pose questions, and make comments. Notice of meetings at which one or more members may participate by means of remote communication must be delivered by a means which the member has authorized and provide complete instructions for participating in the meeting from a remote location.
NEW SECTION.  Sec. 2303.  COURT-ORDERED MEETING. (1) The court may summarily order a meeting to be held:

(a) On application of any member entitled to participate in an annual or regular meeting if an annual meeting was not held within eighteen months after the last annual meeting; or

(b) On application of a member who executed a demand for a special meeting under section 2302 of this act that was executed by a sufficient number of members to call a meeting, if:

(i) Notice of the special meeting was not given within thirty days after the date the demand was delivered to the corporation's secretary; or

(ii) The special meeting was not held in accordance with the notice.

(2) The court may fix the time and place of a court-ordered meeting, determine the members entitled to participate in the meeting, specify a record date for determining members entitled to notice of and to vote at the meeting, prescribe the form and content of the meeting notice, fix the quorum required for specific matters to be considered at the meeting or direct that the votes represented at the meeting constitute a quorum for action on those matters, and enter other orders necessary to accomplish the purpose or purposes of the court-ordered meeting.

NEW SECTION.  Sec. 2304.  LIST OF MEMBERS FOR MEETING. (1) After fixing a record date for a meeting, a membership corporation shall prepare an alphabetical list of the names of all its members who are entitled to notice of that meeting of the members. The list of members shall show the address of and number of votes each member is entitled to cast at the meeting, except that the address of any member who is known to the corporation to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar law may be omitted.

(2) The list of members must be available for inspection by any member, beginning two business days after notice of the meeting is given for which the list was prepared and continuing through the meeting, at the membership corporation's principal office or at a place identified in the meeting notice in the city where the meeting will be held. A member or the member's agent, on demand in the form of a record, may inspect and, subject to the requirements of section 1602(4) of this act, copy the list, during regular business hours and...
at the member's expense, during the period it is available for
inspection.

(3) The membership corporation shall make the list of members
available at the meeting, and a member or the member's agent may
inspect the list at any time during the meeting or any adjournment.

(4) If a membership corporation refuses to allow a member or the
member's agent to inspect the list of members before or at the
meeting or copy the list as permitted by subsection (2) of this
section, then the court, on application of the member, may:

(a) Summarily order the inspection or copying at the
corporation's expense;

(b) Postpone the meeting for which the list was prepared until
the inspection or copying is complete;

(c) Order the corporation to pay the member's costs including
reasonable attorneys' fees incurred to obtain the order; and

(d) Order other appropriate relief.

(5) Refusal or failure to prepare or make available the list of
members does not affect the validity of action taken at the meeting.

(6) Instead of making the list of members available as provided
in subsection (2) of this section, a membership corporation may state
in a notice of meeting that the corporation has elected to proceed
under this subsection. A member of a corporation that has elected to
proceed under this subsection shall state in the member's demand for
inspection a proper purpose for inspection. Within ten business days
after receiving a demand under this subsection, the corporation shall
deliver to the member making the demand an offer of a reasonable
alternative method of achieving the purpose identified in the demand
without providing access to or a copy of the list of members. An
alternative method that reasonably and in a timely manner
accomplishes the proper purpose set forth in the demand relieves the
corporation from making the list of members available under
subsection (4)(b) of this section, unless within a reasonable time
after acceptance of the offer the corporation fails to do the things
it offered to do. Any rejection of the corporation's offer must be in
the form of a record and indicate the reasons the alternative
proposed by the corporation does not meet the proper purpose of the
demand.

NEW SECTION. Sec. 2305. NOTICE OF MEMBERSHIP MEETING. (1) A
time, and place of each annual, regular, or special meeting of the members. Except as provided under subsection (6) of this section, the notice must be given in the form of a record no fewer than ten nor more than sixty days before the meeting date. Except as provided in this chapter, the articles, or the bylaws, the corporation is only required to give notice to members entitled to vote at the meeting.

(2) Unless this chapter, the articles, or the bylaws require otherwise, notice of an annual or regular meeting need not include a description of the purpose for which the meeting is called.

(3) Notice of a special meeting shall include a description of the purpose for which the meeting is called.

(4) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to notice of and to vote at an annual or special meeting of the members is the day before the first notice is given to members.

(5) Unless the articles or bylaws require otherwise, if an annual, regular, or special meeting of the members is adjourned to a different date, time, or place, notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or is required to be fixed under section 2307 of this act, then the corporation shall give notice of the adjourned meeting to the members entitled to vote on the new record date.

(6) Notice of regular meetings other than the annual meeting may be made by providing each member with the adopted schedule of regular meetings for the ensuing year in the form of a record at any time after the annual meeting and ten days before the next succeeding regular meeting and at any time requested by a member or by any other notice prescribed by the bylaws.

(7) Whenever notice would otherwise be required to be given under any provision of this chapter to a member, the notice need not be given if notice of two consecutive annual meetings, and all notices of meetings during the period between those two consecutive annual meetings, have been returned undeliverable or could not be delivered. If a member delivers to the nonprofit corporation a notice setting forth the member's then current address, then the requirement that notice be given to that member is reinstated.

NEW SECTION. Sec. 2306. WAIVER OF NOTICE. (1) A member may waive any notice required by this chapter, the articles, or the bylaws.
bylaws no more than sixty days before or sixty days after the date
and time stated in the notice or of the meeting or action. The waiver
must be in the form of a record, be executed by the member entitled
to the notice, and be delivered to the membership corporation for
inclusion in the minutes or filing with the corporate records.

(2) The attendance of a member at a meeting:
(a) Waives objection to lack of notice or defective notice of the
meeting, unless the member at the beginning of the meeting or
immediately upon arrival at the meeting objects to holding the
meeting or transacting business at the meeting; and
(b) Waives objection to consideration of a particular matter at
the meeting that is not within the purpose described in the meeting
notice, unless the member objects at the meeting to considering the
matter.

NEW SECTION. Sec. 2307. RECORD DATE. (1) The articles or bylaws
may fix or provide the manner of fixing the record date to determine
the members entitled to notice of a meeting of the members, to demand
a special meeting, to vote, or to take any other action. If the
articles or bylaws do not fix or provide for fixing a record date,
then the board of the membership corporation may fix a future date as
the record date.

(2) A record date fixed under this section may not be more than
seventy days before the meeting or action requiring a determination
of members.

(3) A determination of members entitled to notice of or to vote
at a meeting of the members is effective for any adjournment of the
meeting unless the board fixes a new record date, which it shall do
if the meeting is adjourned to a date more than one hundred twenty
days after the date fixed for the original meeting.

(4) If the court orders a meeting adjourned to a date more than
one hundred twenty days after the date fixed for the original
meeting, then it may provide that the original record date continues
in effect or it may fix a new record date.

NEW SECTION. Sec. 2308. CONDUCT OF MEETING. (1) At each meeting
of members, an individual shall preside as chair. The chair is
appointed and may be removed:
(a) As provided in the articles or bylaws;
(b) In the absence of a provision in the articles or bylaws, by the board; or
(c) In the absence of both a provision in the articles or bylaws and an appointment by the board, by the members at the meeting.

(2) Except as provided in the articles or bylaws or by resolution of the board, the chair determines the order of business and has the authority to establish rules for the order and conduct of the meeting.

(3) Any rules established for the order and conduct of the meeting pursuant to subsection (2) of this section must be fair to the members.

(4) Except as provided in the articles or bylaws or by resolution of the board:
   (a) The chair of the meeting shall announce at the meeting when the polls close for each matter voted upon.
   (b) If no announcement is made, then the polls are deemed to have closed upon the final adjournment of the meeting.
   (c) After the polls close, no ballots, proxies, or votes, nor any otherwise permissible revocations or changes thereto may be accepted.

NEW SECTION. Sec. 2309. PROXIES. (1) Except as provided in the articles or bylaws, a member may not vote by proxy.

(2) If the articles or bylaws allow members to vote by proxy, then the following procedure applies unless the articles or bylaws provide otherwise:
   (a) A member or the member's agent or attorney-in-fact may appoint a proxy to vote or otherwise act for the member by executing an appointment form in the form of a record. An appointment form must contain or be accompanied by information from which it can be determined that the member or the member's agent or attorney-in-fact authorized the appointment of the proxy.
   (b) An appointment of a proxy is effective when an executed appointment in the form of a record is received by the inspectors of election, the officer or agent of the membership corporation authorized to tabulate votes, or the secretary. An appointment is valid for eleven months unless a shorter or longer period is expressly provided in the appointment form.
   (c) The death or incapacity of the member appointing a proxy does not affect the right of the membership corporation to accept the proxy's authority unless notice of the death or incapacity is
received by the inspectors of election, the officer or agent
authorized to tabulate votes, or the secretary before the proxy
exercises his or her authority under the appointment.

(d) A membership corporation may accept the proxy's vote or other
action as that of the member making the appointment, subject to
section 2314 of this act and to any express limitation on the proxy's
authority stated in the appointment form.

(e) A proxy may be revoked by a member by delivering notice in
the form of a record to the corporation before the corporation has
relied upon the proxy.

NEW SECTION. Sec. 2310. VOTING ENTITLEMENT OF MEMBERS. Except
as provided in the articles or bylaws, each member is entitled to one
vote on each matter on which the articles or bylaws entitle the
members of the class of members to which the member belongs to vote.

NEW SECTION. Sec. 2311. MEMBERSHIP QUORUM AND VOTING
REQUIREMENTS. (1) Members may take action at a meeting on matters
with respect to which all of the members are entitled to vote only if
a quorum of the members is present. Except as provided in the
articles or the bylaws, ten percent of the votes entitled to be cast
at a meeting of the members constitutes a quorum with respect to
those matters.

(2) Members entitled to vote as a separate voting group may take
action on a matter at a meeting only if a quorum of those members is
present with respect to that matter. Except as provided in the
articles or bylaws, ten percent of the votes entitled to be cast on
the matter by the voting group constitutes a quorum of that voting
group for action on that matter.

(3) Once a member is represented for any purpose at a meeting,
the member is deemed present for quorum purposes for the remainder of
the meeting and for any adjournment of that meeting unless a new
record date is or is required to be set for that adjourned meeting.

(4) If a quorum is present, then action on a matter other than
the election of directors by a voting group is approved if the votes
cast within the voting group favoring the action exceed the votes
cast opposing the action, unless the articles, bylaws, or applicable
law require a greater number of affirmative votes.

(5) An amendment of the articles or bylaws adding, changing, or
deleting a quorum or voting requirement for a voting group greater...
than specified in subsection (2) or (4) of this section is governed by section 2311 of this act.

(6) If a meeting cannot be organized because a quorum of members entitled to vote is not present, then those members present may adjourn the meeting to such a time and place as they may determine. When a meeting that has been adjourned for lack of a quorum is reconvened, those members present, although less than a quorum as fixed in this section, the articles, or the bylaws, nonetheless constitute a quorum, if notice of the time and place of the reconvened meeting is provided by electronic transmission or in person to the members entitled to vote at least twenty-four hours before the reconvened meeting, or by other methods pursuant to the requirements and procedures set forth in section 2305 of this act. The articles or the bylaws may, however, permit the reconvening of a meeting without notice, by means of a provision that makes explicit reference to elimination of the notice requirement that would otherwise apply under this section.

(7) The election of directors is governed by section 2313 of this act.

NEW SECTION. Sec. 2312. DIFFERING QUORUM AND VOTING REQUIREMENTS. (1) The articles or bylaws may provide for a higher or lower quorum or higher voting requirement for members or voting groups of members than is provided for by this chapter, either generally or with respect to specific matters.

(2) An amendment to the articles or bylaws that adds, changes, or deletes a greater quorum or voting requirement must meet the same quorum requirement and be adopted by the same vote and voting groups required to take action under the quorum and voting requirements then in effect.

NEW SECTION. Sec. 2313. VOTING FOR DIRECTORS. (1) Except as provided in the articles or bylaws, directors of a membership corporation are elected by a plurality of the votes cast by the members entitled to vote in the election at a meeting at which a quorum is present.

(2) Except as provided in the articles or bylaws, or under subsection (3) of this section, members do not have a right to cumulate their votes for directors.
Members of a nonprofit corporation who were entitled to cumulate their votes for the election of directors on the effective date of this chapter continue to be entitled to cumulate their votes for the election of directors until otherwise provided in the articles or bylaws of the corporation.

NEW SECTION.  Sec. 2314. ACCEPTANCE OF BALLOTS, CONSENTS, WAIVERS, OR PROXIES. (1) If the name signed on a ballot, consent, waiver, or proxy appointment corresponds to the name of a member, then the membership corporation if acting in good faith may accept the ballot, consent, waiver, or proxy appointment and give it effect as the act of the member.

(2) If the name signed on a ballot, consent, waiver, or proxy appointment does not correspond to the name of its member, then the membership corporation if acting in good faith is nevertheless entitled to accept the ballot, consent, waiver, or proxy appointment and give it effect as the act of the member if:

(a) The member is an entity and the name signed purports to be that of an officer or agent of the entity;

(b) The name signed purports to be that of an administrator, executor, guardian, or conservator representing the member and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the ballot, consent, waiver, or proxy appointment;

(c) The name signed purports to be that of a receiver or trustee in bankruptcy of the member and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the ballot, consent, waiver, or proxy appointment;

(d) The name signed purports to be that of a beneficial owner or attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the member has been presented with respect to the ballot, consent, waiver, or proxy appointment; and

(e) Two or more persons are the member as cotenants or fiduciaries and the name signed purports to be the name of at least one of the co-owners and the person signing appears to be acting on behalf of all the co-owners.

(3) The membership corporation may reject a ballot, consent, waiver, or proxy appointment if the secretary or other officer of
agent authorized to tabulate votes, acting in good faith, has
reasonable basis for doubt about the validity of the signature on it
or about the signatory's authority to sign for the member.

(4) The membership corporation and its officer or agent who
accepts or rejects a ballot, consent, waiver, or proxy appointment in
good faith and in accordance with the standards of this section or
section 2309(2) of this act are not liable in damages to the member
for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a
ballot, consent, waiver, or proxy appointment under this section is
valid unless the court determines otherwise.

NEW SECTION. Sec. 2315. INSPECTORS OF ELECTION. (1) A
membership corporation may appoint one or more inspectors to act at a
meeting of members and make a report in the form of a record of the
inspectors' determinations. Each inspector shall execute the duties
of inspector impartially and according to the best of the inspector's
ability.

(2) The inspectors must:
(a) Ascertain the number of members and delegates, and their
voting power;
(b) Determine the members and delegates present at a meeting;
(c) Determine the validity of proxies and ballots;
(d) Count all votes; and
(e) Determine the result.
(3) An inspector may, but need not, be a director, member,
officer, or employee of the membership corporation. A person who is a
candidate for office to be filled at the meeting may not be an
inspector.

NEW SECTION. Sec. 2316. ACTION BY VOTING GROUPS. (1) If this
chapter, the articles, or the bylaws provide for voting by a single
voting group on a matter, then action on that matter is taken when
voted upon by that voting group as provided in section 2311 or 2318
of this act.

(2) If this chapter, the articles, or the bylaws provide for
voting by two or more voting groups on a matter, then action on that
matter is taken only when voted upon by each of those voting groups
counted separately as provided in section 2311 or 2318 of this act.
NEW SECTION.  Sec. 2317.  VOTING AGREEMENTS. (1) If the articles or bylaws allow voting agreements, then two or more members may provide for the manner in which they will vote by executing an agreement in the form of a record for that purpose, to the extent allowed under the articles or bylaws.

(2) A voting agreement is specifically enforceable if:
   (a) The voting agreement is allowed under the articles or bylaws; or
   (b) The effective date of the voting agreement is before the effective date of this section.

(3) Notwithstanding subsection (2) of this section, no voting agreement is enforceable to the extent that enforcement of the agreement would violate the purposes of the membership corporation.

NEW SECTION.  Sec. 2318.  ACTION WITHOUT MEETING BY UNANIMOUS WRITTEN CONSENT. (1) Except as provided in the articles or bylaws, action required or permitted by this chapter to be taken at a meeting of the members may be taken without a meeting if the action is taken by all the members entitled to vote on the action. The action must be evidenced by one or more consents in the form of a record bearing the date of execution and describing the action taken, executed by all the members entitled to vote on the action, and delivered to the membership corporation for inclusion in the minutes or filing with the corporate records.

(2) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to take action without a meeting is the date the first member executes the consent under subsection (1) of this section. A consent shall not be effective to take the corporate action referred to therein unless, within sixty days after the earliest date appearing on a consent delivered to the membership corporation in the manner required by this section, consents executed by all members entitled to vote on the action are received by the corporation. A consent may be revoked by an executed notice in the form of a record to that effect received by the corporation before receipt by the corporation of unrevoked consents sufficient in number to take corporate action.

(3) A consent executed under this section has the same force and effect as a unanimous vote at a meeting duly called and held, and may be described as such.
(4) If this chapter, the articles, or the bylaws require that prior notice of any proposed action be given to members not entitled to vote on the action and the action is to be taken by consent of the members entitled to vote, then the membership corporation shall deliver to the members not entitled to vote notice of the proposed action at least ten days before taking the action by consent. The notice must contain or be accompanied by the same material that would have been required to be delivered to members not entitled to vote in a notice of meeting at which the proposed action would have been submitted to the members for action.

NEW SECTION. Sec. 2319. ACTION WITHOUT MEETING BY BALLOT. (1) Except as otherwise restricted by the articles or bylaws, any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the membership corporation delivers a ballot to every member entitled to vote on the matter.

(2) A ballot must:
   (a) Be in the form of a record;
   (b) Set forth each proposed action;
   (c) Provide an opportunity to vote, or withhold a vote, separately for each candidate for a director position; and
   (d) Provide an opportunity to vote for or against each other proposed action.

(3) Approval by ballot pursuant to this section of action other than election of directors is valid only when the number of ballots returned equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(4) All requests for votes by ballot must:
   (a) Indicate the number of responses needed to meet the quorum requirements;
   (b) State the percentage of approvals necessary to approve each matter other than election of directors; and
   (c) Specify the time by which a ballot must be received by the membership corporation to be counted, which shall not be less than ten days after the ballot is delivered to the member.

(5) Except as provided in the articles or bylaws, a ballot may not be revoked.
NEW SECTION.  Sec. 2320.  PROCEDURE FOR REMOTE MEETINGS. When provided for in the articles or bylaws, meetings of the members held by remote communication must follow the provisions of sections 2301 through 2319 of this act to the greatest practicable extent.

ARTICLE 4
BOARD OF DIRECTORS

NEW SECTION.  Sec. 2401. BOARD OF DIRECTORS—AUTHORITY. (1) A nonprofit corporation shall have a board of directors. (2) All corporate powers shall be exercised by or under the authority of the board of directors, and the activities and affairs of the corporation shall be managed by or under the direction, and subject to the oversight, of the board of directors, subject only to any powers expressly reserved to the corporation's membership or other persons in the articles or bylaws.

NEW SECTION.  Sec. 2402. STANDARDS OF CONDUCT FOR DIRECTORS. (1) Each director, when discharging the duties of a director, shall act: (a) In good faith; (b) With the care an ordinarily prudent person in a like position would exercise under similar circumstances; and (c) In a manner the director reasonably believes to be in the best interests of the nonprofit corporation. (2) In discharging board or committee duties a director shall disclose, or cause to be disclosed, to the other board or committee members information not already known by them but known by the director to be material to the discharge of their decision-making or oversight functions, except that disclosure is not required to the extent that the director reasonably believes that doing so would violate a duty imposed by law, a legally enforceable obligation of confidentiality, or a professional ethics rule. (3) In discharging the duties of a director, a director may rely on information, opinions, reports, or statements, including financial statements or other financial data, if prepared or presented by: (a) One or more officers, employees, or volunteers of the nonprofit corporation whom the director reasonably believes to be reliable and competent in the functions performed or the matters presented;
(b) Legal counsel, public accountants, or other persons retained by the corporation as to matters involving skills or expertise the director reasonably believes are matters:
   (i) Within the particular person's professional or expert competence; or
   (ii) As to which the particular person merits confidence; or
   (c) A committee of the board of which the director is not a member, designated in accordance with provisions of the articles or bylaws, as to matters within its designated authority, if the director reasonably believes the committee merits confidence.
(4) A director is not a trustee with respect to the nonprofit corporation or with respect to any property held or administered by the corporation, including property that may be subject to restrictions imposed by the donor or transferor of the property.

NEW SECTION. Sec. 2403. QUALIFICATION OF DIRECTORS. A director of a nonprofit corporation must be an individual. The articles or bylaws may prescribe other qualifications for directors. A director need not be a resident of this state or a member of the corporation unless the articles or bylaws so prescribe.

NEW SECTION. Sec. 2404. NUMBER OF DIRECTORS. (1) A board of directors shall consist of one or more directors, with the number specified in or fixed in accordance with the articles or bylaws.
   (2) The board of directors of any corporation shall consist of three or more directors if:
      (a) The internal revenue service has determined the corporation to be a public charity described in section 509(a)(1) through (4) of the Internal Revenue Code;
      (b) The corporation has applied to the internal revenue service for a determination of exempt status through an application representing that the corporation is described in section 509(a)(1) through (4) of the Internal Revenue Code; or
      (c) The corporation has applied to the internal revenue service for classification as an organization described in section 509(a)(1) through (4) of the Internal Revenue Code.
   (3) A corporation described in subsection (2) of this section may have fewer than three directors if the death, incapacity, resignation, or removal of a director causes the corporation to have fewer than three directors, provided that the entity, body, or person

with the power to elect or appoint directors makes reasonable and prompt efforts to elect or appoint additional directors.

(4) The number of directors may be increased or decreased but to no fewer than one from time to time by amendment to, or in the manner provided in, the articles or bylaws.

(5) A decrease in the number of directors may not shorten an incumbent director's term.

NEW SECTION. Sec. 2405. SELECTION OF DIRECTORS. (1) The members of a membership corporation shall elect the directors, other than the initial directors named in the articles, at the annual meetings of members, unless the articles or bylaws provide some other time or method of election, or provide that some other person or persons shall appoint some or all of the directors, or designate some other manner of appointment, for example, ex officio directors.

(2) The directors of a nonmembership corporation shall elect the directors, other than the initial directors named in the articles, at the annual meeting of directors, unless the articles or bylaws provide some other time or method of election, or provide that some other person or persons shall appoint some or all of the directors, or designate some other manner of appointment, for example, ex officio directors.

NEW SECTION. Sec. 2406. TERMS OF DIRECTORS, GENERALLY. (1) The articles or bylaws may specify the terms of directors. If a term is not specified in the articles or bylaws, then the term of a director is one year. Each term of a director elected by the members or directors, or by some other method provided in the articles or bylaws, may not exceed five years except as provided in subsection (2) of this section. Terms of directors appointed by some other person or persons, or designated in some other manner, may be of any length.

(2) For a corporation formed before the effective date of this section, if the articles or bylaws current as of the effective date of this section provided for terms of elected directors longer than five years, then the terms for elected directors provided in those articles or bylaws may continue in effect until and unless the articles or bylaws are amended to shorten those terms.
(3) The initial directors named in the articles hold office until the first annual election of directors or for any other period specified in the articles.

(4) A reduction in directors' terms of office does not shorten an incumbent director's term.

(5) Except as provided in the articles or bylaws, the term of a director elected to fill a vacancy expires at the end of the unexpired term that the director is filling.

(6) Despite the expiration of a director's term, the director continues to serve until the director's successor is elected, appointed, or designated and until the director's successor takes office, unless otherwise provided in the articles or bylaws.

NEW SECTION. Sec. 2407. STAGGERED TERMS FOR DIRECTORS. The articles or bylaws may provide for staggering the terms of directors by dividing the total number of directors into groups of one or more directors. The terms of office and number of directors in each group do not need to be uniform.

NEW SECTION. Sec. 2408. RESIGNATION OF DIRECTOR. (1) A director may resign at any time by delivering an executed notice in the form of a record to the president, the secretary of the corporation, or another officer designated for that purpose in the articles or bylaws. A director may also resign by giving oral notice to the board at a meeting of the board.

(2) A resignation is effective when the notice is delivered unless the notice specifies a later effective time.

(3) If the resignation of a director of a charitable corporation results in the charitable corporation having no directors in office, then the resigning director shall notify the attorney general that the charitable corporation has no directors in office. Such notice must be in the form of a record delivered to the attorney general within ten calendar days after the effective date of the director's resignation.

NEW SECTION. Sec. 2409. REMOVAL OF DIRECTORS. (1) Removal of directors of a membership corporation is subject to the following provisions:

(a) The members may remove, with or without cause, one or more directors who have been elected by the members, unless the articles...
or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(b) The board of a membership corporation may not remove a director who has been elected by the members except as provided in subsection (5) of this section or in the articles or bylaws.

(c) The directors may remove, with or without cause, one or more directors who have been elected by the directors, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(d) Except as provided in the articles or bylaws, if a director is elected by a voting group of members, or by a chapter or other organizational unit, or by a region or other geographic grouping, then only the members of that voting group or chapter, unit, region, or grouping may participate in the vote to remove the director.

(e) The notice of a meeting of members at which removal of a director is to be considered shall state that the purpose, or one of the purposes, of the meeting is removal of the director.

(2) The board may remove a director of a nonmembership corporation who was elected by the directors:

(a) With or without cause, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(b) A nonprofit corporation shall give notice of any meeting of directors at which removal of a director is to be considered in accordance with the articles or bylaws governing notice for special meetings, but in no event less than forty-eight hours before the meeting. Such notice shall state that the purpose, or one of the purposes, of the meeting is removal of a director.

(c) As provided in subsection (5) of this section.

(3) A director who is designated by name in the articles or bylaws may be removed by an amendment to the articles or bylaws deleting or changing the designation.

(4) Except as provided in the articles or bylaws, a director who is appointed by persons other than the members or the directors may be removed with or without cause only by those persons.

(5) Notwithstanding anything else to the contrary in this section or the articles or bylaws, the board of a membership corporation or nonmembership corporation may remove a director:

(a) Who has been appointed a guardian under RCW 11.130.185 or 11.130.265;

Code Rev/RB:akl       62       S-0087.2/21 2nd draft
(b) Who has been appointed a conservator under RCW 11.130.360;

d) Who has been convicted of a felony;

e) Who has been found by a final order of any court of competent

jurisdiction to have breached a duty as a director under section 2402

of this act;

(f) Who has missed the number of board meetings specified in the

articles or bylaws, if the articles or bylaws at the beginning of the

director's current term provided that a director may be removed for

missing the specified number of board meetings; or

(g) Who does not satisfy any of the qualifications for directors

set forth in the articles or bylaws at the beginning of the

director's current term, if the decision that the director fails to

satisfy a qualification is made by the vote of a majority of the

directors who meet all of the required qualifications.

(6) Notwithstanding anything else to the contrary in this section

or the articles or bylaws, the board of a charitable corporation that

is a membership corporation or a nonmembership corporation may remove

a director if the director's continued service would cause the

charitable corporation to be prohibited from soliciting charitable

funds under RCW 19.09.100(13).

NEW SECTION. Sec. 2410. VACANCY ON BOARD OF DIRECTORS. (1)

Except as provided in subsection (2) of this section, the articles,
or the bylaws, if a vacancy occurs on the board, including a vacancy
resulting from an increase in the number of directors, then the
vacancy may be filled by a majority of the directors remaining in
office even if they constitute less than a quorum. For purposes of
section 2409 of this act, any director so elected is deemed to have
been elected by the members, voting group, or persons who would elect
that director at a regular election.

(2) Except as provided in the articles or bylaws, a vacancy in

the position of a director who is:

(a) Appointed by persons other than the members, may be filled
only by those persons; or

(b) Designated by name in the articles or bylaws, may not be
filled by action of the board.
(3) A vacancy that will occur at a specific later time, by reason of a resignation effective at a later time under section 2408(2) of this act, or otherwise, may be filled before the vacancy occurs but the new director may not take office until the vacancy occurs.

(4) If no directors remain in office, and there are no members with the right to elect directors, then the attorney general has the power to appoint one or more directors selected for their interest and ability to carry out the purposes of the corporation, unless the articles or bylaws provide a different method for electing, appointing, or designating at least one director.

NEW SECTION. Sec. 2411. LIABILITY OF DIRECTORS. (1) A director of a nonprofit corporation is not liable to the nonprofit corporation for any action taken, or any failure to take any action, as a director, except as provided in subsection (2) or (3) of this section or in the articles or bylaws.

(2) Notwithstanding any provision to the contrary in the articles or bylaws, a director is liable to the corporation for:
   (a) The value of any benefit in cash, other property, or services received by the director to which the director is not legally entitled; or
   (b) Intentional misconduct or a knowing violation of law, including but not limited to criminal law or this chapter, by the director.

(3) A director is liable to the corporation for a violation of any additional standard of conduct specified in the nonprofit corporation's articles as an exception to the limitation on director's liability.

(4) A director of a nonprofit corporation is not liable to any member of the nonprofit corporation for any action taken, or any failure to take action, as a director, except as provided in subsection (5) of this section.

(5) A director is liable to a member of the corporation only for:
   (a) A knowing infliction of harm upon the member; or
   (b) An intentional violation of criminal law or this chapter that results in harm or loss to the member.

(6) The party seeking to establish the director's liability to the corporation or any member of the corporation:
   (a) For money damages, also has the burden of establishing that:
(i) Harm to the nonprofit corporation or its members has been suffered; and

(ii) The harm suffered was proximately caused by the director's challenged conduct; or

(b) For other money payment under a legal remedy, such as compensation for the unauthorized use of corporate assets, also has whatever burden of persuasion may be called for to establish that the payment sought is appropriate in the circumstances; or

(c) For other money payment under an equitable remedy, such as profit recovery by or disgorgement to the corporation, also has whatever burden of persuasion may be called for to establish that the equitable remedy sought is appropriate in the circumstances.

(7) Nothing contained in this section:

(a) In any instance where fairness is at issue, such as consideration of the fairness of a transaction to the nonprofit corporation under section 2703(1)(c) of this act, alters the burden of proving the fact or lack of fairness otherwise applicable;

(b) Alters the fact or lack of liability of a director to the nonprofit corporation under another section of this chapter, such as the provisions governing the consequences of an unlawful distribution under section 2702 of this act, a conflicting interest transaction under section 2703 of this act, or taking advantage of a business opportunity under section 2704 of this act;

(c) Affects any rights to which the corporation or a director or member may be entitled under another statute of this state or the United States; or

(d) Affects the authority of the attorney general to take any action against a director under this chapter or other applicable Washington state law.

NEW SECTION.  Sec. 2412.  COMPENSATION OF DIRECTORS. Unless the articles or bylaws provide otherwise, the board may fix the compensation of directors.

ARTICLE 5

MEETINGS AND ACTION OF THE BOARD

NEW SECTION.  Sec. 2501.  MEETINGS OF THE BOARD. (1) The board may hold regular or special meetings in or out of this state.
(2) Unless the articles or bylaws provide otherwise, the board may permit any or all directors to participate in a regular or special meeting by, or conduct the meeting through the use of, one or more means of remote communication through which all of the directors may simultaneously participate with each other during the meeting. A director participating in a meeting by this means is considered present in person at the meeting. For any meeting at which one or more directors may participate by means of remote communication, notice of the meeting must be delivered to each director by a means which the director has authorized and provide complete instructions for participating in the meeting by remote communication.

NEW SECTION. Sec. 2502. NOTIFICATION OF BOARD MEETINGS. (1) Regular meetings of the board may be held with or without notice as prescribed in the articles or bylaws, unless notice is required by section 2409(2) of this act or other provisions of this chapter.

(2) Unless the articles or bylaws provide for a longer or shorter period, special meetings of the board must be preceded by at least forty-eight hours’ notice of the date, time, and place of the meeting. The notice need not describe the purpose of the special meeting, except as required by section 2409(2) of this act, other provisions of this chapter, or the articles or bylaws.

(3) Unless the articles or bylaws provide otherwise, the president, the secretary, or twenty percent of the directors then in office may call and give, or cause to be given, notice of a meeting of the board.

(4) Oral notice of meetings of the board may be given, unless oral notice is not permitted by a corporation's articles or bylaws.

NEW SECTION. Sec. 2503. WAIVER OF NOTICE. (1) A director may waive any notice required by this chapter, the articles, or the bylaws before or after the date and time stated in the notice. Except as provided by subsection (2) of this section, the waiver must be in the form of a record, executed by the director entitled to the notice, and filed with the minutes or corporate records.

(2) A director's attendance at or participation in a meeting waives any required notice to the director of the meeting, unless the director at the beginning of the meeting or promptly upon arrival objects to holding the meeting or transacting business at the meeting.
and does not thereafter vote for or assent to action taken at the meeting.

NEW SECTION.  Sec. 2504. BOARD QUORUM AND VOTING REQUIREMENTS.  
(1) Except as provided in subsection (2) of this section, the articles, or the bylaws, a quorum of the board consists of a majority of the directors in office before a meeting begins.
  (2) The articles or bylaws may authorize a quorum of the board to consist of no fewer than one-third of the number of directors in office.
  (3) If a quorum is present when a vote is taken, then the affirmative vote of a majority of directors present is the act of the board unless a greater vote is required by the articles or bylaws or this chapter.
  (4) No proxy for a director, however appointed, may:
    (a) Participate in any vote of the board or of any board committee;
    (b) Be counted for the purpose of determining whether a quorum is present at a meeting; or
    (c) Execute any written consent on behalf of the director.
  (5) A director who is present at a meeting of the board when corporate action is taken is considered to have assented to the action taken unless:
    (a) The director objects at the beginning of the meeting or promptly upon arrival to holding it or transacting business at the meeting;
    (b) The director dissents or abstains from the action; or
    (c) The director delivers notice in the form of a record of the director's dissent or abstention to the president or secretary of the corporation or another officer of the corporation designated in the bylaws before or during the meeting or before the approval of the minutes of the meeting.
  (6) The right of dissent or abstention is not available to a director who votes in favor of the action taken.

NEW SECTION.  Sec. 2505. ACTION WITHOUT MEETING BY UNANIMOUS WRITTEN CONSENT.  (1) Unless the articles or bylaws prohibit action without a meeting, action required or permitted by this chapter to be taken by the board may be taken without a meeting if each director entitled to vote with respect to the subject matter thereof executes
a consent in the form of a record describing the action to be taken and delivers it to the nonprofit corporation.

(2) For purposes of this section only, "each director entitled to vote" does not include an "interested director" who abstains in writing from providing consent, where:

(a) The board has determined that:

(i) The corporation is entering into the transaction for its own benefit; and

(ii) The transaction is fair and reasonable to the corporation when it enters into the transaction or the noninterested directors determine in good faith after reasonable investigation that the corporation cannot obtain a more advantageous arrangement with reasonable effort under the circumstances, at or before execution of the written consent;

(b) That determination of the board is included in the written consent executed by the noninterested directors or in other records of the corporation; and

(c) All of the noninterested directors approve the action.

(3) Action taken under this section is the act of the board when one or more consents executed by all the directors entitled to vote are delivered to the nonprofit corporation. In no event may the period between the date of the first signature by a director on such a consent and the date on which all directors have executed the consent be more than sixty days. The consent may specify the time at which the action taken in the consent is to be effective. A director's consent may be withdrawn by a revocation in the form of a record executed by the director and delivered to the president, secretary, or other officer of the corporation specified by the board for that purpose before delivery to the corporation of unrevoked consents executed by all the directors.

(4) A written consent executed under this section has the effect of action taken at a meeting of the board and may be described as such in any document.

NEW SECTION. Sec. 2506. BOARD AND ADVISORY COMMITTEES. (1)

Unless this chapter, the articles, or the bylaws provide otherwise, a board may create one or more committees of the board that consist of two or more directors. A committee of the board shall not include as voting members persons who are not directors, except:
(a) As provided in Title 48 RCW or the regulations promulgated thereunder;

(b) If the only powers delegated to the committee are those necessary for the committee to serve in any fiduciary capacity with respect to one or more employee benefit plans established under the federal employee retirement income security act of 1974, or any successor statute; or

(c) Unless without the inclusion of persons who are not directors it is impossible or impracticable for the corporation to comply with applicable law other than this chapter.

(2) Unless this chapter otherwise provides, the creation of a committee of the board and appointment of directors to it shall be approved by the greater of:

(a) A majority of all the directors in office when the action is taken; or

(b) The number of directors required by the articles or bylaws to take action under section 2504 of this act.

(3) Sections 2501 through 2505 of this act apply to both committees of the board and their members to the greatest practicable extent.

(4) To the extent specified by the board or in the articles or bylaws, each committee of the board may exercise the powers of the board granted through section 2401(2) of this act, except as limited by subsection (5) of this section.

(5) A committee of the board may not:

(a) Authorize distributions;

(b) Adopt, amend, alter, or repeal bylaws;

(c) In the case of a membership corporation, approve or propose to members action that must be approved by members under the articles or bylaws;

(d) Elect, appoint or remove any member of any committee of the board or any director or officer of the corporation;

(e) Amend the articles;

(f) Adopt a plan of merger with another corporation;

(g) Adopt a plan of domestication, for-profit conversion, or entity conversion;

(h) Authorize the sale, lease, or exchange of all or substantially all of the property and assets of the corporation not in the ordinary course of business;
(i) Authorize the voluntary dissolution of the corporation or
revoke proceedings therefor;

(j) Adopt a plan for the distribution of the assets of the
corporation; or

(k) Amend, alter, or repeal any resolution of the board, unless
the resolution provides by its terms that it may be amended, altered,
or repealed by a committee.

(6) The creation of, delegation of authority to, or action by a
committee of the board does not alone constitute compliance by a
director with the standards of conduct described in section 2402 of
this act.

(7) A nonprofit corporation may create or authorize the creation
of one or more advisory committees whose members need not be
directors or meet the qualification requirements for directors. The
board shall not delegate any of its authority to an advisory
committee. An advisory committee:

(a) Is not a committee of the board; and

(b) May not exercise any of the powers of the board.

NEW SECTION. Sec. 2507. PROCEDURE FOR REMOTE MEETINGS. Unless
otherwise provided in the articles or bylaws, meetings of the board
or any committee held by remote communication must follow the
provisions of sections 2501 through 2506 of this act to the greatest
practicable extent.

ARTICLE 6
OFFICERS

NEW SECTION. Sec. 2601. OFFICERS—DUTIES. (1) The officers of a
nonprofit corporation consist of a president, secretary, and
treasurer, and other officers as may be authorized by the articles,
the bylaws, or the board.

(2) Unless the articles or bylaws provide otherwise, the board
shall elect or appoint all officers annually, and officers shall
serve until their respective successors have been elected or
appointed or until their earlier removal or resignation.

(3) The same individual may simultaneously hold more than one
office in a nonprofit corporation, except that the same individual
may not hold the offices of president and secretary.
(4) Each officer has the authority and shall perform the duties set forth in the articles or bylaws or, to the extent consistent with the articles and bylaws, the duties prescribed by the board or by direction of an officer authorized by the board to prescribe the duties of other officers.

NEW SECTION. Sec. 2602. STANDARDS OF CONDUCT FOR OFFICERS. (1) An officer with discretionary authority shall discharge his or her duties under that authority:
(a) In good faith;
(b) With the care an ordinarily prudent person in a like position would exercise under similar circumstances; and
(c) In a manner the officer reasonably believes to be in the best interests of the corporation.

(2) The duty of an officer includes the obligation to convey to his or her superior officer, the board, a board committee, or another appropriate person within the nonprofit corporation:
(a) Information about the affairs of the nonprofit corporation within the scope of the officer's functions, and known to the officer to be material to the superior officer, board, or committee thereof; and
(b) Information regarding any actual or probable material violation of law involving the corporation or material breach of duty to the corporation by an officer, director, employee, agent, or vendor of the corporation, that the officer believes has occurred or is likely to occur.

(3) In discharging his or her duties, an officer who does not have knowledge that makes reliance unwarranted may rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:
(a) One or more officers or employees of the nonprofit corporation whom the officer reasonably believes to be reliable and competent in the functions performed or the information, opinions, reports, or statements provided;
(b) Legal counsel, public accountants, or other persons retained by the corporation as to matters involving skills or expertise the officer reasonably believes are matters:
   (i) Within the particular person's professional or expert competence; or
   (ii) As to which the particular person merits confidence.
(4) An officer is not a trustee with respect to the nonprofit corporation or with respect to any property held or administered by the corporation, including property that may be subject to restrictions imposed by the donor or transferor of the property.

NEW SECTION. Sec. 2603. RESIGNATION AND REMOVAL OF OFFICERS. (1) An officer may resign at any time by delivering notice to the nonprofit corporation. A resignation is effective when the notice is delivered unless the notice specifies a later effective time. If a resignation is made effective at a later time and the board or the appointing officer accepts the future effective time, then the board or the appointing officer may designate a successor before the effective time if the board or the appointing officer provides that the successor does not take office until the effective time.

(2) Except as provided in the articles or bylaws, an officer may be removed at any time with or without cause by:

(a) The board;

(b) The officer who appointed the officer being removed, unless the board provides otherwise; or

(c) Any other officer authorized by the articles, the bylaws, or the board to remove the officer being removed.

(3) In this section, "appointing officer" means the officer, including any successor to that officer who appointed the officer resigning or being removed.

NEW SECTION. Sec. 2604. CONTRACT RIGHTS OF OFFICERS. (1) The appointment or election of an officer does not itself create contract rights.

(2) An officer's removal does not affect the officer's contract rights, if any, with the nonprofit corporation. An officer's resignation does not affect the corporation's contract rights, if any, with the officer.

ARTICLE 7

PROVISIONS COMMON TO DIRECTORS AND OFFICERS

NEW SECTION. Sec. 2701. LOANS OR GUARANTEES. (1) A nonprofit corporation may not lend money to, advance credit to, or guarantee the obligation of a director or officer of the corporation.

(2) Subsection (1) of this section does not apply to:
(a) An advance to pay reimbursable expenses reasonably expected to be incurred within a time period that is reasonable under the circumstances by a director or officer;

(b) Advances pursuant to section 2706 of this act;

(c) Loans or advances pursuant to employee benefit plans; or

(d) A loan to pay reasonable relocation expenses of an officer.

(3) The fact that a loan or guarantee is made in violation of this section does not affect the borrower's liability on the loan.

(4) The directors who vote for or assent to any loan, advance, or guarantee in violation of subsection (1) of this section, and any officer materially participating in the making of such a loan, advance, or guarantee, are personally liable on a joint and several basis to the nonprofit corporation on the loan, advance, or guarantee. Liability under this subsection terminates upon the repayment of any funds advanced by the nonprofit corporation in violation of subsection (1) of this section or, if no funds have been advanced under a guarantee, upon the termination of the guarantee.

(5) A director or officer held liable under subsection (4) of this section for any unlawful loan or guarantee is entitled to contribution from every other director or officer who could be held liable under subsection (4) of this section for the unlawful loan or guarantee.

(6) A proceeding to enforce contribution or recoupment under subsection (5) of this section is barred unless it is commenced within one year after the liability of the claimant has been finally adjudicated under subsection (4) of this section.

NEW SECTION.  Sec. 2702. LIABILITY FOR UNLAWFUL DISTRIBUTIONS.

(1) A director or officer is personally liable to the nonprofit corporation for the amount of any distribution that exceeds the amount the corporation could have distributed without violating section 1406 of this act if:

(a) The nature or amount of the distribution was material to the interests of the corporation for any reason under all of the facts and circumstances including, but not limited to, federal excise tax liability or federal tax penalties imposed on the corporation as a result of the distribution;

(b) The director or officer voted for or assented to that distribution as a director, or participated beyond the level of a ministerial function in making that distribution as an officer; and
(c) The party asserting liability establishes that, when taking the action, the director or officer violated the standard of conduct set forth in subsection (2) of this section.

(2) A director or officer may be held liable under this section:
(a) For a distribution by a charitable corporation, or a distribution of assets held for charitable purposes, if the director did not comply with section 2402 of this act or the officer did not comply with section 2602 of this act; or
(b) If the conduct of the director or officer with respect to the distribution constitutes gross negligence.

(3) A director or officer held liable under this section for an unlawful distribution is entitled to:
(a) Contribution from every other director or officer who could be held liable under this section for the unlawful distribution; and
(b) Recoupment from each person of the pro rata portion of the amount of the unlawful distribution the person received:
(i) Whether or not the person knew the distribution was made in violation of this chapter, for a distribution by a charitable corporation or of property held for charitable purposes; or
(ii) Knowing the distribution was made in violation of this chapter, for a distribution of property not held for charitable purposes.

(4) A proceeding to enforce:
(a) The liability of a director or officer under this section is barred, unless it is commenced within three years after the date on which the distribution was made; or
(b) Contribution or recoupment under subsection (3) of this section is barred, unless it is commenced within one year after the liability of the claimant under this section has been finally adjudicated.

NEW SECTION. Sec. 2703. CONFLICTING INTEREST TRANSACTIONS—VOIDABILITY. (1) A contract or transaction between a nonprofit corporation and one or more of its members, directors, or officers; or between a nonprofit corporation and any other entity in which one or more of its directors or officers are directors or officers, hold a similar position, or have a financial interest is not void or voidable solely for that reason, or solely because the member, director, or officer is present at or participates in the meeting of
the board that authorizes the contract or transaction or solely because his or her or their votes are counted for that purpose, if:

(a) The material facts as to the relationship or interest and as to the contract or transaction are disclosed or are known to the board and the board in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested directors even though the disinterested directors are less than a quorum;

(b) The material facts as to the relationship or interest of the member, director, or officer and as to the contract or transaction are disclosed or are known to the members entitled to vote thereon, if any, and the contract or transaction is specifically approved in good faith by vote of those members; or

(c) The contract or transaction is fair as to the corporation as of the time the board or the members authorize, approve, or ratify the transaction.

(2) Interested directors or directors holding a similar position in the other entity involved in a contract or transaction specified in subsection (1) of this section may be counted in determining the presence of a quorum at a meeting of the board that authorizes the contract or transaction.

(3) This section is applicable except as provided in the articles or bylaws.

NEW SECTION. Sec. 2704. BUSINESS OPPORTUNITIES. (1) The taking advantage, directly or indirectly, by a director or officer of a business opportunity may not be the subject of equitable relief, or give rise to an award of damages or other sanctions against the director or officer, in a proceeding by or in the right of the nonprofit corporation on the ground that the opportunity should have first been offered to the corporation, if before becoming legally obligated or entitled respecting the opportunity the director or officer brings it to the attention of the corporation and action by the members or the directors disclaiming the corporation's interest in the opportunity is taken in compliance with the procedures set forth in section 2703 of this act, as if the decision being made concerned a conflicting interest transaction.

(2) In any proceeding seeking equitable relief or other remedies, based upon an alleged improper taking advantage of a business opportunity by a director or officer, the fact that the director or officer
officer did not employ the procedure described in subsection (1) of this section before taking advantage of the opportunity does not support an inference that the opportunity should have been first presented to the nonprofit corporation or alter the burden of proof otherwise applicable to establish that the director or officer breached a duty to the corporation in the circumstances.

NEW SECTION. Sec. 2705. REMOVAL BY JUDICIAL PROCEEDING. (1) The court may remove a director or officer from office in a proceeding commenced by or in the right of the corporation if the court finds that:

(a) The director or officer engaged in fraudulent conduct with respect to the corporation or its members, knowingly inflicted harm on the corporation, or engaged in acts or omissions constituting gross negligence with respect to the director's or officer's duties; and

(b) Considering the course of conduct of the director or officer and the inadequacy of other available remedies, removal would be in the best interest of the corporation.

(2) An action under this section may be commenced by a member, individual director, or delegate. The attorney general may also commence an action under this section if the corporation holds property for charitable purposes.

(3) The court, in addition to removing the director or officer, may bar the director or officer from being reelected, redesignated, or reappointed as a director, an officer, or both for a period prescribed by the court.

(4) Nothing in this section limits the equitable powers of the court to order other relief.

(5) If a proceeding is commenced under this section to remove a director or officer of a charitable corporation, then the plaintiff shall give the attorney general notice in the form of a record of the commencement of the proceeding.

NEW SECTION. Sec. 2706. INDEMNIFICATION AND ADVANCE FOR EXPENSES. The provisions of RCW 23B.08.500 through 23B.08.603, or their successors, apply to any corporation to which this chapter applies. For purposes of this chapter:
(1) All references in those provisions to shares of a corporation are deemed to refer to membership interests in the nonprofit corporation.

(2) All references in those provisions to shareholders are deemed to refer to members of the nonprofit corporation.

(3) All references in those provisions to a shareholders meeting are deemed to refer to a meeting of the members of the nonprofit corporation.

(4) All references in those provisions to transactions from which directors or officers will personally receive a benefit to which they are not entitled are deemed to include transactions approved or implemented by a director or officer knowing them to be in violation of section 1406 of this act.

(5) This section does not limit a nonprofit corporation's power to indemnify, advance expenses to, or provide or maintain insurance on behalf of an employee, agent, or volunteer.

PART III
FUNDAMENTAL TRANSACTIONS
ARTICLE 1
AMENDMENT OF ARTICLES OR BYLAWS

NEW SECTION.   Sec. 3101. AUTHORITY TO AMEND. (1) A nonprofit corporation may amend its articles of incorporation, from time to time, so long as its articles as amended contain only provisions that are lawful under this chapter.

(2) Amendments to the articles of a charitable corporation to include one or more purposes of the corporation substantially different from the corporation's purposes before the amendment are subject to the reporting requirement set out in section 1205 of this act.

NEW SECTION.   Sec. 3102. AMENDMENT OF ARTICLES BY NONMEMBERSHIP CORPORATION. (1) Except as provided in the articles, the board of a nonmembership corporation may adopt amendments to the corporation's articles by the vote of a majority of the directors in office.

(2) Except as provided in subsection (3) of this section, an amendment adopted by the board under this subsection must also be approved, if the amendment changes or deletes a provision regarding
the appointment of a director by persons other than the board, by
those persons as if they constituted a voting group.

(3) Unless the articles provide otherwise, the board of a
nonmembership corporation may adopt amendments to the corporation's
articles without approval of any of the other persons identified in
subsection (2) of this section to:

(a) Extend the duration of the corporation if it was incorporated
at a time when limited duration was required by law;
(b) Delete the names and addresses of the initial directors;
(c) Notwithstanding section 1303(1) of this act, delete the name
of each incorporator and the name and address of the initial
registered agent or registered office, if a statement of change is on
file with the secretary of state; and
(d) Restate without change all of the then operative provisions
of the articles.

NEW SECTION. Sec. 3103. AMENDMENT BEFORE ADMISSION OF MEMBERS.
If a membership corporation has not yet admitted members, then its
board may adopt one or more amendments to the articles.

NEW SECTION. Sec. 3104. AMENDMENT AFTER ADMISSION OF MEMBERS.
(1) An amendment to the articles of a membership corporation must be
adopted in the following manner:

(a) Except as provided in (e) of this subsection, a proposed
amendment must be adopted by the board.
(b) Except as provided in sections 3107 and 3108 of this act, a
proposed amendment must be submitted to the members entitled to vote
on the amendment, if any, for their approval.

(c) The board shall deliver to all members a recommendation that
the members approve an amendment, unless the board makes a
determination that because of conflicts of interest or other special
circumstances it should not make such a recommendation, in which case
the board shall deliver to the members the basis for that
determination.

(d) The board may condition its submission of an amendment to the
members on any basis. Such a condition is in addition to any approval
requirements set forth in the corporation's articles or bylaws or in
this chapter.

(e) If the articles or bylaws so permit, an amendment may be
proposed by ten percent or more of the members entitled to vote on
the amendment, or by a greater number of members if the articles or bylaws so specify. (a), (c), and (d) of this subsection do not apply to an amendment proposed by the members under this subsection.

(f) If an amendment is required to be approved by the members, including under (e) of this subsection, and the approval is to be given at a meeting, then the corporation shall give notice to each member, whether or not entitled to vote on the amendment, of the meeting of members at which the amendment is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the amendment and must contain or be accompanied by a copy or summary of the amendment. If a summary is provided in lieu of a copy of the amendment, then a copy must be available to members upon request and the notice shall state that fact.

(g) At a meeting described in (f) of this subsection, those members entitled to vote on the amendment may:

(i) Approve or reject the amendment exactly as provided or summarized in the notice of the meeting; or

(ii) Approve revisions to the amendment at the meeting, if the subject matter of the revisions is within the scope of the subject matter of the amendment as provided or summarized in the notice of the meeting.

(h) The board shall determine whether the subject matter of any revisions approved by members remains within the scope of the subject matter of the amendment as provided or summarized in the notice of the meeting. If the board determines that the revisions approved by the members are not within that scope, then the amendment is deemed rejected by the membership. If the board determines that the revisions by members are within scope, then the board may:

(i) Accept the amendment incorporating the revisions approved by the members; or

(ii) Propose a further revised amendment to the members for approval.

This process may continue until an amendment acceptable to the board has been approved by the members. If successive votes take place at the same meeting of members, then no further notices or meetings are required.

(i) Unless the articles or bylaws, or the board acting pursuant to (d) of this subsection, requires a greater vote or a greater number of votes to be present, the approval of an amendment by the
members entitled to vote thereon requires the approval of those
members at a meeting at which a quorum is present, and, if any class
of members is entitled to vote as a separate group on the amendment,
the approval of each separate voting group entitled to vote at a
meeting at which a quorum of the voting group is present.

(j) Except as provided in subsection (2) of this section, an
amendment adopted by the board under this subsection must also be
approved, if the amendment changes or deletes a provision regarding
the appointment of a director by persons other than the board, by
those persons as if they constituted a voting group.

(k) If a membership corporation has no members entitled to vote
on the amendment, then the corporation shall deliver notice of the
approval of the amendment by the board to all members of the
corporation at least five days before filing articles of amendment or
restated articles of incorporation with the secretary of state.

(2) Unless the articles provide otherwise, the board of a
membership corporation may adopt amendments to the corporation's
articles without approval of the members to:

(a) Delete the names and addresses of the initial directors;
(b) Notwithstanding section 1303(2) of this act, delete the name
of each incorporator and the name and address of the initial
registered agent or registered office, if a statement of change is on
file with the secretary of state; or
(c) Restate without change all of the then operative provisions
of the articles.

NEW SECTION. Sec. 3105. VOTING ON AMENDMENTS BY VOTING GROUPS.
(1) If a nonprofit corporation has more than one class of members
entitled to vote on an amendment to the articles, then the articles
or bylaws may provide that the members of each class entitled to vote
on the amendment are entitled to vote as a separate voting group if
the amendment would change the rights, powers, preferences, or
limitations of the class.

(2) If a class of members will be divided into two or more
classes by an amendment to the articles, then the amendment must be
approved by a majority of the members of each class that will be
created.

(2) A restatement of the articles may include one or more amendments to the articles. If restated articles of incorporation of a nonmembership corporation include one or more new amendments, then these amendments must have been adopted and approved as provided in section 3102 of this act. If restated articles of incorporation of a membership corporation include one or more new amendments that require member approval, then the amendments must have been adopted and approved as provided in section 3103 or 3104 of this act, as appropriate.

(3) A nonprofit corporation that restates its articles of incorporation shall deliver to the secretary of state for filing articles of restatement setting forth the name of the nonprofit corporation and the text of the restated articles of incorporation together with a certificate setting forth:
   (a) If the restatement does not include any amendments to the articles, a statement of that fact;
   (b) If the restatement contains one or more amendments to the articles, the information required by section 3106 (1) through (4) of this act.
(4) The articles of restatement and the certificate must be executed by an officer or other authorized representative.

(c) The date of the court's order or decree approving the articles of amendment;

(d) The title of the reorganization proceeding in which the order or decree was entered; and

(e) A statement that the court had jurisdiction of the proceeding.

(3) This section does not apply after entry of a final decree in the reorganization proceeding even though the court retains jurisdiction of the proceeding for limited purposes unrelated to consummation of the reorganization plan.

NEW SECTION.  Sec. 3109. EFFECTIVE DATE. Unless a delayed effective date is specified, articles of amendment or restated articles of incorporation become effective on the date the articles of amendment or restated articles of incorporation are filed by the secretary of state.

NEW SECTION.  Sec. 3110. EFFECT OF ARTICLES OF AMENDMENT. (1) Except as provided in subsection (2) of this section, an amendment to the articles does not affect a cause of action existing against or in favor of the nonprofit corporation, a proceeding to which the corporation is a party, or the existing rights of persons other than members of the corporation or persons referred to in the articles.
amendment changing a corporation's name does not abate a proceeding brought by or against the corporation in its former name.

(2) No amendment to the articles shall modify any restriction imposed through any means upon property held for charitable purposes unless, before the delivery of the amendment to the secretary of state for filing, the restriction is modified:

(a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW; or

(b) In the case of any other restriction, pursuant to section 1503 of this act.

(3) A person who is a member or otherwise affiliated with a charitable corporation may not receive a direct or indirect financial benefit in connection with an amendment of the articles unless the person is itself a charitable corporation, the federal government, a state, a governmental subdivision, or an unincorporated entity that has charitable purposes. This subsection does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION.  Sec. 3111. POWER TO AMEND BYLAWS. The power to alter, amend, or repeal the bylaws or adopt new bylaws is vested in the board unless otherwise provided in the articles, the bylaws, or this chapter.

NEW SECTION.  Sec. 3112. BYLAW AMENDMENTS REQUIRING MEMBER APPROVAL. (1) Except as provided in the articles or bylaws, the board of a membership corporation that has one or more members may not, without approval of the class or classes of members affected, adopt or amend a provision of the bylaws:

(a) That would eliminate any existing right, power, or privilege of membership contained in the bylaws;

(b) Under section 2107 of this act, providing that some of the members have different rights or obligations than other members with respect to voting, dissolution, transfer of memberships or other matters;

(c) Under section 2110 of this act, levying dues, assessments, or fees on some or all of the members;
(d) Under section 2113 of this act, relating to the termination or suspension of members; or

(e) Under section 2114 of this act, authorizing the purchase of memberships.

(2) The board of a membership corporation that has members may not amend the articles or bylaws without approval of every class or classes of members affected to vary the application of subsection (1) of this section to the corporation.

(3) If a nonprofit corporation has more than one class of members, then the members of a class are entitled to vote as a separate voting group on an amendment to the bylaws that:

(a) Is described in subsection (1) of this section, if the amendment would affect the members of that class differently than the members of another class; or

(b) Has any of the effects described in section 3104(1)(j) of this act.

(4) If a class of members will be divided into two or more classes by an amendment to the bylaws, then the amendment must be approved by a majority of the members of each class that will be created.

NEW SECTION. Sec. 3113. EFFECT OF BYLAW AMENDMENT. (1) No amendment to the bylaws shall modify any restriction imposed through any means upon property held for charitable purposes unless, before or simultaneously with the adoption of the bylaws amendment, the restriction is modified:

(a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW; or

(b) In the case of any other restriction, pursuant to section 1503 of this act.

(2) A person who is a member or otherwise affiliated with a charitable corporation may not receive a direct or indirect financial benefit in connection with an amendment of the bylaws unless the person is itself a charitable corporation, the federal government, a state, a governmental subdivision, or an unincorporated entity that has charitable purposes. This subsection does not apply to the receipt of reasonable compensation for services rendered.

ARTICLE 2

MERGER

NEW SECTION.  Sec. 3201. DEFINITIONS. The definitions in this section apply throughout this section and sections 3202 through 3209 of this act unless the context clearly requires otherwise.

(1) "Eligible interests" means interests or shares.

(2) "Interests" means either or both of the following rights under the organic law of an unincorporated entity:

(a) The right to receive distributions from the entity either in the ordinary course or upon liquidation; or

(b) The right to receive notice or vote on issues involving its internal affairs, other than as an agent, assignee, proxy, or person responsible for managing its business, activities, or affairs.

(3) "Merger" means a transaction pursuant to section 3205 of this act.

(4) "Party to a merger" means any domestic or foreign nonprofit corporation or eligible entity that will merge under a plan of merger.

(5) "Shares" means the units into which the proprietary interests in a domestic or foreign for-profit corporation are divided.

(6) "Survivor" in a merger means the corporation or eligible entity into which one or more other corporations or eligible entities are merged. A survivor of a merger may preexist the merger or be created by the merger.
NEW SECTION.  Sec. 3202. PROPERTY HELD FOR CHARITABLE PURPOSES.

(1) In a merger under sections 3201 through 3209 of this act, property held for charitable purposes by a nonprofit corporation may not be diverted from charitable purposes.

(2) The survivor of any merger under sections 3201 through 3209 of this act remains bound by any restriction imposed through any means upon property held for charitable purposes by any party to the merger including, but not limited to, any restriction that affects existing rights of persons other than members, shareholders, or interest holders of the other party, unless the restriction is modified:

(a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW; or

(b) In the case of any other restriction, pursuant to section 1503 of this act.

(3) Property held by a nonprofit corporation for charitable purposes upon condition requiring return, transfer, or conveyance, which condition occurs by reason of the merger, must be returned, transferred, or conveyed in accordance with that condition.

(4) A corporation that is not a charitable corporation but holds property for charitable purposes shall deliver to the attorney general notice of its intent to consummate a merger, unless the survivor of the merger is a charitable corporation. The notice must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed transaction is to be approved. Such a merger may not be implemented without the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the transaction, approval of the transaction is deemed to have been given.

(5) The notice described in subsection (4) of this section shall include:

(a) A statement specifying how the merger will comply with subsections (1) through (3) of this section; and
(b) A brief description of:

A person who is a member, director, officer, interest holder, or otherwise affiliated with a charitable corporation or any other eligible entity with a charitable purpose may not receive a direct or indirect financial benefit in connection with a transaction under this chapter to which the charitable corporation or unincorporated entity is a party unless the person is itself a charitable corporation, the federal government, a tribal government, a state or local government, a governmental subdivision, or an eligible entity that is organized exclusively for charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3204. LIMITATIONS ON CHARITABLE CORPORATIONS.

(1) A charitable corporation may merge only with:

(a) Another charitable corporation;

(b) A foreign corporation that, if it were a domestic corporation, would qualify under this chapter as a charitable corporation; or

(c) A foreign or domestic for-profit or nonprofit corporation, or unincorporated entity, only if the charitable corporation is the surviving corporation and continues to qualify as a charitable corporation after the merger.

(2) No member of a charitable corporation may receive or keep anything as a result of a merger other than a membership in the surviving charitable corporation, unless:
(a) The attorney general, or the court in a proceeding in which the attorney general has been given notice, has provided prior written consent; or

(b) The member is a charitable corporation, another entity that is organized and operated exclusively for one or more charitable purposes, the federal government, or a tribal, state, or local government.

NEW SECTION. Sec. 3205. MERGER. (1) Subject to the restrictions in sections 3202 through 3204 of this act, one or more domestic nonprofit corporations may merge with one or more domestic or foreign nonprofit corporations or eligible entities pursuant to a plan of merger or two or more foreign nonprofit corporations or domestic or foreign eligible entities may merge into a new domestic nonprofit corporation to be created in the merger in the manner provided in sections 3201 through 3209 of this act.

(2) A foreign nonprofit corporation, or a foreign eligible entity, may be a party to a merger with a domestic nonprofit corporation, or may be created by the terms of the plan of merger, only if the merger is permitted by the organic law of the corporation or eligible entity.

(3) If the law of this state, other than this chapter, permits the merger of a domestic eligible entity with a nonprofit corporation but does not provide procedures for the approval of such a merger, then a plan of merger may be adopted and approved, and the merger may be effectuated, in accordance with the procedures in sections 3201 through 3209 of this act. For the purposes of applying sections 3201 through 3209 of this act, as the context may require:

(a) The eligible entity is treated as a domestic nonprofit corporation, its interest holders are treated as members, eligible interests are treated as memberships, and organic records are treated as articles and bylaws; and

(b) If there is no board of directors and the business and affairs of the eligible entity are managed by a team or body of persons that is not identical to the interest holders, that team or body is deemed to be the board of directors.

(4) The plan of merger must be in the form of a record and include:

(a) The name of each domestic or foreign nonprofit corporation or eligible entity that will merge and the name of the domestic or eligible entity and the facts and reasons for the merger and the name of the surviving corporation or eligible entity.
foreign nonprofit corporation or eligible entity that will be the survivor of the merger;

(b) The terms and conditions of the merger;

(c) The manner and basis of converting the memberships of each merging domestic or foreign nonprofit membership corporation and the eligible interests of each merging domestic or foreign eligible entity into memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; other property or other consideration; or any combination of the foregoing;

(d) The articles and bylaws of any corporation, or the organic records of any eligible entity, to be created by the merger; or if a new corporation or eligible entity is not to be created by the merger, any changes to the survivor's articles or bylaws or organic records;

(e) Whether the corporation is a charitable corporation or is holding assets for charitable purposes;

(f) If the corporation is a charitable corporation or is holding assets for charitable purposes, a plan setting forth how the merging entities will comply with sections 3202 and 3204 of this act; and

(g) Any other provisions relating to the merger that the parties desire be included in the plan of merger.

(5) The plan of merger may also include a provision that the plan may be amended before filing articles of merger, but if the members of a domestic corporation that is a party to the merger are required or entitled to vote on the plan, then the plan shall provide that after approval of the plan by those members the plan may not be amended to change:

(a) The amount or kind of memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; or other property or other consideration to be received by the members of or owners of eligible interests in any party to the merger;

(b) The articles or bylaws of any corporation, or the organic records of any unincorporated entity, that will survive or be created as a result of the merger, except for changes permitted by section 3104(2) of this act or by comparable provisions of the organic law of a foreign nonprofit or for-profit corporation or domestic or foreign unincorporated entity; or
(c) Any of the other terms or conditions of the plan, if the change would adversely affect those members in any material respect.

(6) Terms of a plan of merger may be made dependent on facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

NEW SECTION. Sec. 3206. ADOPTION OF PLAN OF MERGER. In the case of a nonprofit corporation that is a party to a merger:

(1) The plan of merger must be adopted by the board.

(2) Except as provided in subsection (9) of this section, section 3205 of this act, or the articles or bylaws, after adopting the plan of merger, the board shall submit the plan to those members entitled to vote on the plan for their approval. The board shall also deliver to the members a recommendation that the members approve the plan, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(3) The board may condition its submission of the plan of merger to the members on any basis.

(4) If the plan of merger is required to be approved by the members, and if the approval is to be given at a meeting, then the nonprofit corporation shall give notice to each member, whether or not entitled to vote on the merger, of the meeting of members at which the plan is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. If the corporation is to be merged into an existing corporation or eligible entity, then the notice shall also include a copy or summary of the articles and bylaws or organic records of that corporation or eligible entity. If the corporation is to be merged into a corporation or eligible entity that is to be created pursuant to the merger, then the notice shall include a copy or a summary of the articles and bylaws or organic records of the corporation or eligible entity. If a summary is provided in lieu of a copy of the plan or of the articles and bylaws, then a copy of the plan and articles and bylaws, as applicable, must be available to members upon request and this fact must be stated in the notice. Such copy of the plan and articles and bylaws, as applicable, may be made available in electronic format.
(5) Unless the articles or bylaws, or the board acting pursuant to subsection (3) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of merger by the members entitled to vote thereon requires the approval of those members at a meeting at which a quorum is present, and, if any class of memberships is entitled to vote as a separate group on the plan of merger, the approval of each voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(6) Separate voting on a plan of merger is required:
(a) By each class of members:
(i) Whose memberships are to be converted into eligible interests, securities, or obligations; rights to acquire eligible interests, securities, or obligations; cash; other property or other consideration; or any combination of the foregoing;
(ii) Which is to experience a change in the rights, powers, preferences, or limitations of the class as a result of the merger; or
(iii) That would be entitled to vote as a separate group on a provision in the plan that, if contained in a proposed amendment to articles of incorporation, would require action by separate voting groups under the articles or bylaws.
(b) By a voting group, if the voting group is entitled under the articles or bylaws to vote as a voting group to approve a plan of merger.

(7) If a plan of merger would affect in the same or a substantially similar way two or more classes of members entitled to vote separately on the plan of merger under subsection (6)(a) of this section, then, instead of voting separately, all similarly affected classes of members shall vote together as a single voting group on the plan of merger, unless otherwise provided in the articles or as a condition imposed by the board under subsection (3) of this section.

(8) If as a result of a merger one or more members of a domestic nonprofit corporation would become subject to owner liability for the debts, obligations or liabilities of any other person or entity, then approval of the plan of merger requires the execution, by each member who would become subject to owner liability, of a separate record consenting to become subject to owner liability.

(9) If a domestic nonprofit corporation that is a party to a merger does not have any members entitled to vote on the merger, then a plan of merger is deemed adopted by the corporation when it has
been adopted by the board pursuant to subsection (1) of this section. If a membership corporation has no members entitled to vote on the merger, then the corporation shall deliver notice of the proposed merger to all members of the corporation at least five days before the meeting at which the board is to adopt the plan of merger.

(10) In addition to the adoption and approval of the plan of merger by the board and members as required by this section, the plan of merger must also be approved in the form of a record by any person or group of persons whose approval is required under section 3114 of this act to amend the articles or bylaws.

(11) Adoption and approval of a plan of merger by all required persons under the procedures set forth in this section constitutes adoption and approval of all changes to the approving party's articles, bylaws, or other organic documents contained within the plan of merger.

NEW SECTION. Sec. 3207. ARTICLES OF MERGER. (1) After a plan of merger has been adopted and approved as required by sections 3201 through 3209 of this act, articles of merger must be executed on behalf of each party to the merger by an officer or other authorized representative of the party. The articles of merger shall set forth:

(a) The names of the parties to the merger;

(b) If the articles of the surviving domestic nonprofit corporation are being changed, or if a new domestic nonprofit corporation is created as a result of a merger, the changes to the articles of the surviving corporation or the articles of the new corporation;

(c) If the plan of merger required approval by the members of a domestic nonprofit corporation that was a party to the merger, a statement that the plan was approved by the members and, if voting by any separate voting group was required, by each separate voting group entitled to vote, in the manner required by this chapter and the articles or bylaws;

(d) If the plan of merger did not require approval by the members of a domestic nonprofit corporation that was a party to the merger, a statement to that effect;

(e) If a party to the merger is a noncharitable corporation holding property for charitable purposes, and the survivor is not a charitable corporation, a statement that the attorney general has
approved, or is deemed to have approved, the merger pursuant to section 3202 of this act; and

(f) As to each foreign nonprofit corporation or eligible entity that was a party to the merger, a statement that the participation of the foreign corporation or eligible entity was authorized as required by the organic law of the corporation or eligible entity.

(2) Terms of articles of merger may be made dependent on facts objectively ascertainable outside the articles in accordance with section 1203 of this act.

(3) Articles of merger must be delivered to the secretary of state for filing by the surviving entity of the merger and shall take effect at the effective time provided in RCW 23.95.210. Articles of merger filed under this section may be combined with any filing required under the organic law of any domestic eligible entity involved in the transaction if the combined filing satisfies the requirements of both this section and the other organic law.

NEW SECTION. Sec. 3208. EFFECT OF MERGER. (1) Subject to sections 3202 and 3203 of this act, if the surviving entity is a domestic nonprofit corporation when a merger becomes effective:

(a) The domestic nonprofit corporation that is designated in the plan of merger as the surviving corporation continues or comes into existence, as the case may be;

(b) The separate existence of every domestic or foreign nonprofit corporation or eligible entity that is merged into the survivor ceases;

(c) All property owned by, and every contract and other right possessed by, each domestic or foreign nonprofit corporation or eligible entity that merges into the surviving corporation is vested in the surviving corporation without reversion or impairment;

(d) All liabilities of each domestic or foreign nonprofit corporation or eligible entity that is merged into the survivor are vested in the surviving corporation;

(e) The name of the surviving corporation may, but need not be, substituted in any pending proceeding for the name of any party to the merger whose separate existence ceased in the merger;

(f) The articles and bylaws or organic records of the surviving corporation are amended to the extent of the changes provided in the plan of merger;
(g) The articles and bylaws of a surviving corporation that is created by the merger become effective; and

(h) The memberships of each corporation that is a party to the merger, and the eligible interests in an eligible entity that is a party to a merger, that are to be converted under the plan of merger into memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; other property or other consideration; or any combination of the foregoing; are converted.

(2) A person who becomes subject to owner liability for some or all of the debts, obligations, or liabilities of any entity as a result of a merger has owner liability only to the extent provided in the organic law of the entity and only for those debts, obligations, and liabilities that arise after the effective time of the articles of merger, except to the extent that the person consented to become subject to liability under section 3206(8) of this act.

(3) The effect of a merger on the owner liability of a person who had owner liability for some or all of the debts, obligations, or liabilities of a party to the merger is as follows:

(a) The merger does not discharge any owner liability under the organic law of the entity in which the person was a member, shareholder, or interest holder to the extent that owner liability arose before the effective time of the articles of merger.

(b) The person does not have owner liability under the organic law of the entity in which the person was a member, shareholder, or interest holder before the merger for any debt, obligation, or liability that arises after the effective time of the articles of merger.

(c) The provisions of the organic law of any entity for which the person had owner liability before the merger continue to apply to the collection or discharge of any owner liability preserved by subsection (1) of this section, as if the merger had not occurred.

(d) The person has whatever rights of contribution from other persons are provided by the organic law of the entity for which the person had owner liability with respect to any owner liability preserved by (a) of this subsection, as if the merger had not occurred.

(4) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made before or after a merger, to or for any of the parties to the merger, inures to the
survivor, subject to the express terms of the will or other instrument.

NEW SECTION.  Sec. 3209. ABANDONMENT OF MERGER. (1) Unless otherwise provided in a plan of merger or in the organic law of a foreign nonprofit corporation or a domestic or foreign eligible entity that is a party to a merger, after the plan has been adopted and approved as required by this chapter, and at any time before the merger has become effective, it may be abandoned by a domestic nonprofit corporation that is a party thereto without action by its members, in accordance with any procedures set forth in the plan of merger or, if no procedures are set forth in the plan, in the manner determined by the board, subject to any contractual rights of other parties to the merger.

(2) If a merger is abandoned under subsection (1) of this section after articles of merger have been filed by the secretary of state but before the merger has become effective, then a statement that the merger has been abandoned in accordance with this section, executed on behalf of a party to the merger by an officer or other authorized representative, must be delivered to the secretary of state for filing before the effective date of the merger. Upon filing by the secretary of state, the statement takes effect and the merger is deemed abandoned and shall not become effective.

(8) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before July 1, 2021, applies to a merger of the corporation and that document does not refer to a domestication of the corporation, then the provision is deemed to apply to a domestication of the corporation until the provision is later amended.

NEW SECTION. Sec. 3311. ABANDONMENT OF DOMESTICATION. (1) Unless otherwise provided in a plan of domestication of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the domestication has become effective, it may be abandoned by the members if there are members entitled to vote on the plan of domestication, or by the board without action by members.

(3) A shareholder of a foreign for-profit corporation who becomes subject to interest holder liability for some or all of the debts, obligations, or liabilities of the corporation as a result of its domestication and conversion in this state has interest holder liability only for those debts, obligations, or liabilities of the corporation that arise after the effective time of the articles of domestication and conversion.

NEW SECTION. Sec. 3320. ABANDONMENT OF FOR-PROFIT DOMESTICATION AND CONVERSION. If the domestication and conversion of a foreign for-profit corporation to a domestic nonprofit corporation is abandoned in accordance with the laws of the foreign jurisdiction after articles of domestication and conversion have been filed by the secretary of state, then a statement that the domestication and conversion has been abandoned, executed by an officer or other authorized representative, must be delivered to the secretary of state for filing. The statement takes effect upon filing and the domestication and conversion is abandoned and does not become effective.

NEW SECTION. Sec. 3321. ENTITY CONVERSION FOR NONCHARITABLE CORPORATIONS. (1) A domestic nonprofit corporation, other than a charitable corporation, may become a domestic unincorporated entity pursuant to a plan of entity conversion only if the entity conversion is permitted under the organic law governing the entity that would survive the entity conversion.
(2) A domestic nonprofit corporation, other than a charitable
corporation, may become a foreign unincorporated entity if the entity
conversion is permitted by the laws of the foreign jurisdiction.

(3) A domestic unincorporated entity may be converted into a
domestic nonprofit corporation only if applicable Washington state
law provides procedures for the approval of an entity conversion into
a domestic nonprofit corporation.

(4) A foreign unincorporated entity may become a domestic
nonprofit corporation if the law of the foreign jurisdiction
authorizes it to become a nonprofit corporation in another
jurisdiction.

(5) If any provision of a debt security, note, or similar
evidence of indebtedness for money borrowed, whether secured or
unsecured, or a contract of any kind, issued, incurred, or executed
by a domestic nonprofit corporation before July 1, 2021, applies to a
merger of the corporation and the document does not refer to an
entity conversion of the corporation, then the provision is deemed to
apply to an entity conversion of the corporation until the provision
is later amended.

NEW SECTION. Sec. 3322. PLAN OF ENTITY CONVERSION. (1) A plan
of entity conversion shall include:

(a) A statement of the type of unincorporated entity the
surviving entity will be and, if it will be a foreign unincorporated
entity, its jurisdiction of organization;

(b) The terms and conditions of the conversion;

(c) The manner and basis of converting the memberships in the
domestic nonprofit corporation following its conversion into
interests or other securities, obligations, rights to acquire
interests or other securities, cash, other property, or any
combination of the foregoing;

(d) If the corporation is holding assets for charitable purposes,
a plan setting forth how the corporation will comply with section
3303 of this act; and

(e) The full text, as they will be in effect immediately
following the conversion, of the organic documents of the surviving
entity.

(2) The plan of entity conversion may also include a provision
that the plan may be amended before filing articles of entity
conversion, except that after approval of the plan by the members the plan may not be amended to change:

(a) The amount or kind of memberships or other securities, interests, obligations, rights to acquire memberships, securities, or interests, cash, or other property to be received under the plan by the members;

(b) The organic documents that will be in effect immediately following the conversion, except for changes permitted by a provision of the organic law of the surviving entity comparable to section 3104(2) of this act; or

c) Any of the other terms or conditions of the plan if the change would adversely affect any of the members in any material respect.

(3) Terms of a plan of entity conversion may be made dependent upon facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

NEW SECTION. Sec. 3323. ACTION ON A PLAN OF ENTITY CONVERSION. In the case of an entity conversion of a domestic nonprofit corporation to a domestic or foreign unincorporated entity:

(1) The plan of entity conversion must be adopted by a vote of the majority of the directors in office.

(2) If there are no members entitled to vote on the plan, then the plan must be adopted by a vote of the majority of directors then in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed entity conversion to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.

(3) After adopting the plan of entity conversion, the board shall submit the plan to the members for their approval if there are members entitled to vote on the plan. The board shall also deliver to the members a recommendation that the members approve the plan, unless the board determines that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(4) The board may condition its submission of the plan of entity conversion to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member, whether or not
entitled to vote, of the meeting of members at which the plan of entity conversion is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the organic documents as they will be in effect immediately after the entity conversion. The notice may additionally be accompanied by a summary of the required materials. If a summary is provided in lieu of a copy of the plan, then a copy of the plan must be available to members upon request and this fact must be stated in the notice. Such copy of the plan may be made available to members electronically.

(6) Unless the articles, or the board acting pursuant to subsection (3) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of entity conversion by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan of entity conversion, the approval of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before July 1, 2021, applies to a merger of the corporation and the document does not refer to an entity conversion of the corporation, then the provision is deemed to apply to an entity conversion of the corporation until the provision is later amended.

(8) If, as a result of the conversion, one or more members of the corporation would become subject to interest holder liability for the debts, obligations, or liabilities of any other person or entity, then approval of the plan of conversion requires the execution, by each affected member, of a separate written consent to become subject to interest holder liability.

NEW SECTION. Sec. 3324. ARTICLES OF ENTITY CONVERSION. (1) After the conversion of a domestic nonprofit corporation to a domestic or foreign unincorporated entity has been adopted and approved as required by this chapter, articles of entity conversion must be executed on behalf of the converting corporation by an officer of the corporation. The articles must:
(a) Set forth the name of the corporation immediately before the filing of the articles of entity conversion and the name to which the name of the corporation is to be changed, which must be a name that satisfies the organic law of the surviving entity if the surviving entity is a domestic entity;

(b) State whether the corporation is holding assets for charitable purposes;

(c) If the corporation is holding assets for charitable purposes, state that the attorney general has approved, or is deemed to have approved, the entity conversion pursuant to section 3304(4) of this act;

(d) State the type of unincorporated entity that the surviving entity will be and its jurisdiction of organization;

(e) State that the plan of entity conversion was approved in the manner required by this chapter; and

(f) If the surviving entity is a domestic filing entity, either contain all of the provisions required to be set forth in its public organic record and any other desired provisions that are permitted, or have attached a public organic record.

(2) After the conversion of a domestic unincorporated entity to a domestic nonprofit corporation has been adopted and approved as required by the organic law of the unincorporated entity, articles of entity conversion must be executed on behalf of the unincorporated entity by an officer or other authorized representative. The articles must:

(a) Set forth the name of the unincorporated entity immediately before the filing of the articles of entity conversion and the name to which the name of the unincorporated entity is to be changed, which must be a name that satisfies the requirements of section 1302 of this act;

(b) Set forth a statement that the plan of entity conversion was approved in accordance with the organic law of the unincorporated entity; and

(c) Either contain all of the provisions that section 1303(1) of this act requires to be set forth in articles of incorporation and any other desired provisions that section 1303 (2) and (3) of this act permit to be included in articles of incorporation, or have attached articles of incorporation that comply with this act.

(3) After the conversion of a foreign unincorporated entity to a domestic nonprofit corporation has been authorized as required by the...
laws of the foreign jurisdiction, articles of entity conversion must
be executed on behalf of the foreign unincorporated entity by an
officer or other authorized representative. The articles must:

(a) Set forth the name of the unincorporated entity immediately
before the filing of the articles of entity conversion and the name
to which the name of the unincorporated entity is to be changed,
which must be a name that satisfies the requirements of section 1302
of this act;

(b) Set forth the jurisdiction under the laws of which the
unincorporated entity was organized immediately before the filing of
the articles of entity conversion and the date on which the
unincorporated entity was organized in that jurisdiction;

(c) Set forth a statement that the conversion of the
unincorporated entity was approved in the manner required by the law
of the foreign jurisdiction; and

(d) Either contain all of the provisions that section 1303(1) of
this act requires to be set forth in articles of incorporation and
any other desired provisions that section 1303 (2) and (3) of this
act permit to be included in articles of incorporation, or have
attached articles of incorporation that comply with this act; except
that, in either case, provisions that would not be required to be
included in restated articles of incorporation of a domestic
nonprofit corporation may be omitted.

(4) The articles of entity conversion and articles of
incorporation must be simultaneously delivered to the secretary of
state for filing. The articles of entity conversion and articles of
incorporation take effect at the effective time provided in RCW
23.95.210. Articles of entity conversion filed under subsection (1)
or (2) of this section may be combined with any required conversion
filing under the organic law of the domestic unincorporated entity if
the combined filing satisfies the requirements of both this section
and the other organic law.

(5) If the converting entity is a foreign unincorporated entity
that is registered to do business in this state under chapter 23.95
RCW, then its registration statement is canceled automatically on the
effective date of its conversion.

NEW SECTION. Sec. 3325. EFFECT OF ENTITY CONVERSION. (1) Except
as provided in section 3303 of this act, when a conversion under
sections 3301 through 3326 of this act becomes effective:
(a) The title to all real and personal property, both tangible and intangible, of the converting entity remains in the surviving entity without reversion or impairment;

(b) The liabilities of the converting entity remain the liabilities of the surviving entity;

(c) An action or proceeding pending against the converting entity continues against the surviving entity as if the conversion had not occurred;

(d) In the case of a surviving entity that is a filing entity, its articles or public organic record and its private organic rules become effective;

(e) In the case of a surviving entity that is a nonfiling entity, its private organic rules become effective;

(f) The memberships or interests of the converting entity are reclassified into memberships, interests, other securities, obligations, rights to acquire memberships, interests, or securities, or into cash or other property in accordance with the plan of conversion; and the members or interest holders of the converting entity are entitled only to the rights provided to them under the terms of the conversion and to any appraisal rights they may have under the organic law of the converting entity;

(g) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the converting entity before or after a transaction under this chapter, inures to the surviving entity, subject to the express terms of the will or other instrument; and

(h) The surviving entity is deemed to be:

(i) Incorporated or organized under and subject to the organic law of the converting entity for all purposes; and

(ii) The same nonprofit corporation or unincorporated entity without interruption as the converting entity.

(2) A member who becomes subject to interest holder liability for some or all of the debts, obligations, or liabilities of the surviving entity has interest holder liability only for those debts, obligations, or liabilities of the surviving entity that arise after the effective time of the articles of entity conversion.

(3) The interest holder liability of an interest holder in an unincorporated entity that converts to a domestic nonprofit corporation is as follows:
(a) The conversion does not discharge any interest holder liability under the organic law of the unincorporated entity to the extent the interest holder liability arose before the effective time of the articles of entity conversion.

(b) The interest holder does not have interest holder liability under the organic law of the unincorporated entity for any debt, obligation, or liability of the corporation that arises after the effective time of the articles of entity conversion.

(c) The provisions of the organic law of the unincorporated entity continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

(d) The interest holder has whatever rights of contribution from other interest holders are provided by the organic law of the unincorporated entity with respect to any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

NEW SECTION. Sec. 3326. ABANDONMENT OF ENTITY CONVERSION. (1) Unless otherwise provided in a plan of entity conversion of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the entity conversion has become effective, it may be abandoned by the members if there are members entitled to vote, or by the board without action by the members.

(2) If an entity conversion is abandoned after articles of entity conversion have been filed by the secretary of state but before the entity conversion has become effective, then a statement that the entity conversion has been abandoned in accordance with this section, executed by an officer of the corporation, must be delivered to the secretary of state for filing before the effective date of the entity conversion. Upon filing, the statement takes effect and the entity conversion is abandoned and does not become effective.

ARTICLE 4

DISPOSITION OF ASSETS

NEW SECTION. Sec. 3401. DISPOSITIONS NOT REQUIRING MEMBER APPROVAL. Unless the articles or bylaws otherwise provide, approval of the members of a nonprofit corporation is not required:
(1) To sell, lease, exchange, or otherwise dispose of any or all of the corporation's assets:
   (a) In the usual and regular course of its activities; or
   (b) If the assets disposed of represent less than fifty percent of the total assets of the corporation and its consolidated subsidiaries, determined as of the end of the most recently completed fiscal year;

(2) To mortgage, pledge, dedicate to the repayment of indebtedness whether with or without recourse, or otherwise encumber any or all of the corporation's assets, whether or not in the usual and regular course of business its activities; or

(3) To transfer any or all of the corporation's assets to one or more corporations or other entities all of the memberships or interests of which are owned by the corporation.

NEW SECTION.  Sec. 3402. DISPOSITIONS REQUIRING MEMBER APPROVAL.
(1) A sale, lease, exchange, or other disposition of assets, other than a disposition described in section 3401 of this act, requires approval of the corporation's members that are entitled to vote on the disposition, unless the articles or bylaws otherwise provide.

(2) A disposition that requires approval of the members must be initiated by a resolution by the board authorizing the disposition. After adoption of the resolution, the board shall submit the proposed disposition to the members for their approval. The board shall also deliver to the members a recommendation that the members approve the proposed disposition, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make a recommendation, in which case the board shall deliver to the members the basis for that determination.

(3) The board may condition its submission of a disposition to the members under subsection (2) of this section on any basis.

(4) If a disposition is required to be approved by the members, and if the approval is to be given at a meeting, then the nonprofit corporation shall give notice to each member, whether or not entitled to vote, of the meeting of members at which the disposition is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the disposition and must contain a description of the disposition, including the terms and conditions thereof and the consideration to be received by the corporation.
(5) Unless the articles, bylaws, or the board acting pursuant to subsection (3) of this section requires a greater vote, or a greater number of votes to be present, the approval of a disposition by the members entitled to vote thereon requires the approval of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the disposition, the approval of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(6) If a membership corporation has no members entitled to vote on a disposition, then the corporation shall deliver notice of a proposed disposition to all members of the corporation at least ten days before the meeting at which the board is to act upon the disposition.

(7) After a disposition has been approved by the members under subsection (5) of this section, and at any time before the disposition has been consummated, it may be abandoned by the nonprofit corporation without action by the members, subject to any contractual rights of other parties to the disposition.

(8) In addition to the approval of a disposition of assets by the board and members as required by this section, the disposition must also be approved in the form of a record by any person or group of persons whose approval is required under section 3114 of this act to amend the articles or bylaws.

(9) The assets of a direct or indirect consolidated subsidiary are deemed the assets of the parent nonprofit corporation for the purposes of this section.

(10) A disposition of assets in the course of a dissolution governed by sections 3501 through 3512 of this act is not governed by this chapter.

NEW SECTION. Sec. 3403. EFFECT OF DISPOSITIONS. Unless a domestic entity that is a party to a transaction under this chapter obtains an appropriate order of the court or approval from the attorney general under the law of this state, a disposition of assets under sections 3401 through 3405 of this act may not affect:

(1) Any restriction imposed upon the entity by its organic documents or other governing authority that may not be amended by its directors, members, or interest holders; or

(2) The existing rights of persons other than members, shareholders, or interest holders of the entity.
NEW SECTION. Sec. 3404. PROPERTY HELD FOR CHARITABLE PURPOSES.

(1) In a transaction under this chapter, property held for charitable purposes by a nonprofit corporation may not be diverted from charitable purposes.

(2) Property held by a nonprofit corporation and restricted to charitable purposes by a gift instrument may not be diverted from the restricted charitable purpose by a transaction under this chapter unless modified in accordance with section 1503 of this act.

(3) Property held for charitable purposes pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary may not be diverted from the charitable purposes specified in the trust instrument unless those purposes are modified by the court or pursuant to an agreement between all interested parties, including the attorney general, under chapter 11.96A RCW.

(4) Property held by a nonprofit corporation for charitable purposes upon condition requiring return, transfer, or conveyance, which condition occurs by reason of a transaction under this chapter, must be returned, transferred, or conveyed in accordance with that condition.

(5) A charitable corporation or a corporation holding property for charitable purposes shall deliver to the attorney general of its intent to consummate a disposition, other than a disposition described in section 3401 of this act. The notice must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed disposition is to be approved. Such a disposition may not be implemented without the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the disposition, approval of the disposition is deemed to have been given.

(6) The notice described in subsection (5) of this section shall include:

(a) A statement specifying how the disposition will comply with subsections (1) through (4) of this section; and

(b) A brief description of:
(i) Real property held for charitable purposes that will be included in the disposition, and its nature and location;
(ii) Cash, bank deposits, brokerage accounts, or other financial assets held for charitable purposes that will be included in the disposition in full or in part, and their approximate total fair market value;
(iii) Other personal property held for charitable purposes that will be included in the disposition, and its nature and approximate total fair market value; and
(iv) Any gift restrictions applicable to any property described in (b)(i) through (iii) of this subsection, and the nature of those restrictions.

NEW SECTION. Sec. 3405. PROHIBITION OF FINANCIAL BENEFIT. A person who is a member or otherwise affiliated with a charitable corporation may not receive a direct or indirect financial benefit in connection with a disposition of assets governed by sections 3401 through 3405 of this act unless the person is a charitable corporation, the federal government, a tribal government, a state or local government, a governmental subdivision, or an unincorporated entity that has charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

ARTICLE 5
VOLUNTARY DISSOLUTION

NEW SECTION. Sec. 3501. AUTHORIZATION OF VOLUNTARY DISSOLUTION.
(1) Unless the articles or bylaws require a greater vote, a majority of the directors in office of a nonprofit corporation may authorize the dissolution of any nonprofit corporation that is not a membership corporation or is a membership corporation but has no members entitled to vote on its dissolution.
(2) If a membership corporation has no members entitled to vote on dissolution, then the corporation shall deliver notice of the proposed dissolution to all members of the corporation at least ten days before the meeting at which the board is to authorize the dissolution.
(3) For a membership corporation that has members that are entitled to vote on its dissolution:
(a) The board may propose dissolution for submission to the members entitled to vote, and for such a proposal to dissolve to be authorized:

(i) The board shall recommend dissolution to the members entitled to vote on the dissolution, unless the board determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the members entitled to vote on the dissolution;

(ii) The board may condition its submission of the proposal for dissolution on any basis, including approval of the proposed plan of distribution if required under section 3502 of this act;

(iii) The nonprofit corporation shall give notice to each member, whether or not entitled to vote, of the proposed meeting of members that includes the following statements:

(A) That the purpose, or one of the purposes, of the meeting is to consider dissolving the corporation; and

(B) How the assets of the corporation will be distributed after all creditors have been paid or how the distribution of assets will be determined; and

(iv) The members entitled to vote on the dissolution shall approve the proposal to dissolve as provided in (b) of this subsection.

(b) Unless the articles, the bylaws, or the board acting pursuant to (a)(ii) of this subsection requires a greater vote or a greater number of members to be present, the adoption of the proposal to dissolve by the members entitled to vote thereon requires the approval of at least a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the proposal, the approval by a majority of the members in each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

NEW SECTION. Sec. 3502. DISTRIBUTION OF ASSETS ON DISSOLUTION. The assets of a corporation in the process of dissolution shall be applied and distributed in the following order:

(1) All known liabilities and obligations of the corporation must be paid, satisfied, and discharged, or adequate provision must be made to pay, satisfy, and discharge those liabilities.

(2) All property held for charitable purposes by the corporation, including all assets of a charitable corporation remaining after
satisfaction of subsection (1) of this section, must be applied and
distributed consistently with the corporation's articles, such that
property is not diverted from charitable purposes, and as follows:

(a) Property held for charitable purposes pursuant to a trust
instrument in which the nonprofit corporation is a trustee or a
beneficiary must be governed by and distributed in accordance with
the trust instrument and chapter 11.110 RCW, and any modification of
restrictions imposed through the trust instrument accomplished
through an appropriate order of the court or the agreement of all
interested parties, including the attorney general, pursuant to
chapter 11.96A RCW.

(b) Property owned outright and held for charitable purposes, but
not held upon a condition requiring return, transfer, or conveyance
by reason of the dissolution and not subject to any gift restriction,
must be transferred or conveyed:

(i) To one or more entities operated exclusively for one or more
charitable purposes;

(ii) To the federal government, a tribal government, or a state
or local government for a public purpose; or

(iii) Subject to one or more gift restrictions requiring the
property to be used exclusively for the same charitable purposes for
which the dissolving corporation holds the property.

(c) Property that is subject to charitable purpose or management
or investment restrictions that do not require modification at the
time of dissolution and is not held upon a condition requiring
return, transfer, or conveyance by reason of the dissolution must be
transferred or conveyed subject to all restrictions applicable to the
property, except to the extent restrictions are modified pursuant to
section 1503 of this act before distribution, pursuant to a plan of
distribution adopted by the board and as provided by sections 3501
through 3512 of this act.

(d) Property subject to charitable purpose or management or
investment restrictions that require modification at the time of
dissolution and are not held upon a condition requiring return,
transfer, or conveyance by reason of dissolution, must be modified
pursuant to section 1503 of this act before the gifts can be
distributed, pursuant to a plan of distribution adopted by the board
and as provided by this chapter.

(e) Property held for charitable purposes by the nonprofit
corporation upon condition requiring return, transfer, or conveyance.
which condition occurs by reason of the dissolution, must be
returned, transferred, or conveyed in accordance with those
requirements.

(3) Property held by a corporation upon condition requiring
return, transfer, or conveyance, which condition occurs by reason of
the dissolution, must be returned, transferred, or conveyed in
accordance with the requirements of the condition.

(4) Other assets of a corporation other than a charitable
corporation, if any, must be distributed:

(a) To members or other persons in accordance with the articles
or bylaws, to the extent that the articles or bylaws determine the
rights of members to distributions upon dissolution, or provide for
distribution to other persons or classes of persons; and

(b) To the extent that the articles or bylaws do not govern
distribution of assets on dissolution, to any persons the board may
select.

NEW SECTION.  Sec. 3503.  CORPORATIONS HOLDING PROPERTY FOR
CHARITABLE PURPOSES.  (1) A nonprofit corporation holding property for
charitable purposes, including any charitable corporation, may not
deliver articles of dissolution to the secretary of state for filing
pursuant to section 3504 of this act until it has complied with all
of the requirements of this section.

(2) A nonprofit corporation described in subsection (1) of this
section shall adopt a plan for the distribution of assets for the
purpose of authorizing any transfer or conveyance of property held
for charitable purposes, which shall:

(a) Be consistent with sections 3502 and 3506 of this act; and

(b) Include a brief description of the following:

(i) Real property held for charitable purposes, and its nature
and location;

(ii) Cash, bank deposits, brokerage accounts, or other financial
assets held for charitable purposes, and their approximate total fair
market value;

(iii) Other personal property held for charitable purposes, and
its nature and approximate total fair market value; and

(iv) Any gift restrictions applicable to any property described
in (b)(i) through (iii) of this subsection, and the nature of those
restrictions.
(3) A plan of distribution shall be adopted in the following manner:

(a) Where there are no members, or no members having voting rights, a plan of distribution is adopted at a meeting of the board upon receiving a vote of a majority of the directors in office.

(b) Where there are members having voting rights, the board shall adopt a resolution recommending a plan of distribution and directing the submission thereof to a vote at a meeting of members having voting rights. Such vote may take place at the same meeting during which members having voting rights vote upon dissolution of the nonprofit corporation. Notice in the form of a record setting forth the proposed plan of distribution or a summary thereof must be given to each member, whether or not entitled to vote at the meeting, within the time and in the manner provided in this chapter for the giving of notice of meetings of members. Such plan of distribution is adopted upon receiving votes from a majority of the members entitled to vote at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan, the approval by a majority of the members in each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present. If the members entitled to vote on the dissolution approve the proposal to dissolve but do not approve the proposed plan of distribution in all material respects, then the board may either accept the plan of distribution, as approved by the members, or propose a new plan of distribution to the members for approval. This process shall continue until a plan of distribution acceptable to the board has been approved by the members. If successive votes take place at the same meeting of members, then no further notices or meetings are required.

(4) A nonprofit corporation described in subsection (1) of this section shall give the attorney general notice that it intends to dissolve. The notice shall include:

(a) A copy of the plan of distribution proposed to be adopted in accordance with subsection (3) of this section; and

(b) The names and phone numbers of individuals available to answer questions regarding the dissolution and proposed plan of distribution.

(5) Notice required under subsection (4) of this section must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed plan is to be
adopted. No plan of distribution for a corporation described in subsection (1) of this section may be implemented without the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the plan, approval of the plan is deemed to have been given.

NEW SECTION. Sec. 3504. ARTICLES OF DISSOLUTION. (1) At any time after dissolution is authorized, the nonprofit corporation may dissolve by filing with the secretary of state articles of dissolution, accompanied by a revenue clearance certificate issued pursuant to RCW 82.32.260. The articles of dissolution shall set forth:

(a) The name of the corporation;
(b) The date of its incorporation;
(c) The effective date of the dissolution, which may be the date on which the articles of dissolution are filed or any date and time up to thirty days thereafter;
(d) Whether it is a membership corporation and, if it is a membership corporation, whether it has members that have a right to vote on its dissolution;
(e) If the corporation is not a membership corporation or has no members that have a right to vote on its dissolution, that the dissolution was authorized by the requisite number of directors;
(f) If the corporation is a membership corporation that has members that have a right to vote on its dissolution, that the requisite number of members has approved the proposal to dissolve;
(g) Whether the corporation is a charitable corporation or is holding property for charitable purposes;
(h) If the corporation is a charitable corporation or is holding property for charitable purposes, that the attorney general has approved, or is deemed to have approved, the corporation's plan of distribution pursuant to section 3503(3) of this act; and
(i) That the net assets of the corporation remaining after winding up have been, or will be, distributed in accordance with the corporation's articles and bylaws and the corporation's adopted plan of distribution.
A nonprofit corporation is dissolved upon the effective date of its articles of dissolution. For purposes of sections 3501 through 3512 of this act, "dissolved corporation" means a nonprofit corporation whose articles of dissolution have become effective and includes a liquidating trust, if any, or other acquirer entity to which the remaining assets of the corporation are transferred subject to its liabilities for purposes of liquidation.

NEW SECTION. Sec. 3505. REVOCATION OF DISSOLUTION. (1) A nonprofit corporation may revoke its dissolution within one hundred twenty days of the effective date of the dissolution. (2) Revocation of dissolution must be authorized in the same manner as the dissolution was authorized unless that authorization permitted revocation by action of the board alone, in which event the board may revoke the dissolution without action by the members. (3) Except as provided in subsection (4) of this section, after the revocation of dissolution is authorized, the nonprofit corporation may revoke the dissolution by delivering to the secretary of state for filing articles of revocation of dissolution, together with a copy of its articles of dissolution, that set forth: (a) The name of the corporation; (b) The effective date of the dissolution that was revoked; (c) The date that the revocation of dissolution was authorized; and (d) That the revocation of dissolution was approved in the manner required by this chapter and by the articles and bylaws. (4) A charitable corporation or a nonprofit corporation holding property restricted to charitable purposes shall not deliver articles of revocation of dissolution to the secretary of state for filing without the approval of the attorney general. Such a corporation shall give the attorney general notice in the form of a record that it intends to revoke its dissolution, to which notice a copy of the articles of revocation of dissolution adopted in accordance with subsection (2) of this section must be attached. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the revocation of dissolution, approval of the revocation of dissolution is deemed to have been given.
(5) Revocation of dissolution is effective upon the effective
date of the articles of revocation of dissolution.

(6) When the revocation of dissolution is effective, it relates
back to and takes effect as of the effective date of the dissolution
and the nonprofit corporation resumes carrying on its activities as
if dissolution had never occurred.

NEW SECTION. Sec. 3506. EFFECT OF DISSOLUTION. (1) A nonprofit
corporation, the dissolution of which has been authorized, continues
its corporate existence but may not carry on any activities except
those appropriate to wind up and liquidate its affairs, including:
(a) Collecting its assets;
(b) Disposing of its properties that will not be distributed in
kind;
(c) Discharging or making provision for discharging its
liabilities;
(d) Distributing its remaining property as required by the plan
of distribution; and
(e) Doing every other act necessary to wind up and liquidate its
activities and affairs.

(2) Dissolution of or authorization to dissolve a nonprofit
corporation does not:
(a) Transfer title to the corporation's property;
(b) Subject its directors or officers to standards of conduct
different from those prescribed in sections 2402 and 2602 of this
act;
(c) Change quorum or voting requirements for its board or
members; change provisions for selection, resignation, or removal of
its directors or officers or both; or change provisions for amending
its bylaws;
(d) Prevent commencement of a proceeding by or against the
corporation in its corporate name;
(e) Abate or suspend a proceeding pending by or against the
corporation on the effective date of dissolution;
(f) Terminate the authority of the registered agent of the
corporation; or
(g) Modify any gift restriction, unless the restriction is
modified in accordance with section 1503 of this act.
NEW SECTION. Sec. 3507. PROHIBITION OF FINANCIAL BENEFIT. No person may receive a direct or indirect financial benefit in connection with the dissolution of a charitable corporation unless the person is an entity operated exclusively for one or more charitable purposes, the federal government, a tribal government, a state or local government, or an unincorporated entity that has charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3508. KNOWN CLAIMS AGAINST DISSOLVED CORPORATION. (1) A dissolved nonprofit corporation shall deliver notice of the dissolution in the form of a record to all of the corporation's known claimants within thirty days of the date when the corporation delivered articles of dissolution to the secretary of state for filing.

(2) A dissolved nonprofit corporation may dispose of the known claims against it by delivering a notice in the form of a record that meets the requirements listed in subsection (3) of this section to its known claimants at any time after the date when the corporation delivered articles of dissolution to the secretary of state for filing. Delivery of a notice under this subsection shall satisfy the requirement of subsection (1) of this section if the notice is delivered to all known claimants within thirty days of the date when the corporation delivered articles of dissolution to the secretary of state for filing.

(3) A notice to claimants under subsection (2) of this section must:

(a) Describe information that must be included in a claim;
(b) Provide a mailing address where a claim may be sent;
(c) State the deadline, which may not be fewer than one hundred twenty days from the effective date of the notice, by which the dissolved nonprofit corporation must receive the claim; and
(d) State that the claim will be barred if not received by the deadline.

(4) A claim against the dissolved nonprofit corporation is barred:

(a) If a claimant who was given notice under subsection (2) of this section does not deliver the claim to the dissolved corporation by the deadline; or
(b) If a claimant whose claim was rejected by the dissolved corporation does not commence a proceeding to enforce the claim within ninety days from the effective date of the rejection notice.

(5) For purposes of this section, "claim" does not include a contingent liability or a claim based on an event occurring after the effective date of dissolution.

NEW SECTION.  Sec. 3509.  OTHER CLAIMS AGAINST DISSOLVED CORPORATION. (1) A dissolved nonprofit corporation may publish notice of its dissolution and request that persons with claims against the dissolved corporation present them in accordance with the notice.

(2) The notice must:

(a) Be published three times during three successive weeks in a newspaper of general circulation in the county where the principal office of the dissolved nonprofit corporation or, if none in this state, its registered office is or was last located;

(b) Describe the information that must be included in a claim and provide a mailing address where the claim shall be sent; and

(c) State that a claim against the dissolved corporation will be barred unless a proceeding to enforce the claim is commenced within three years after the last publication date of the notice.

(3) If the dissolved nonprofit corporation publishes a newspaper notice in accordance with subsection (2) of this section, then the claim of each of the following claimants is barred unless the claimant commences a proceeding to enforce the claim against the dissolved corporation within three years after the last publication date of the newspaper notice:

(a) A claimant who was not given notice under section 3508 of this act;

(b) A claimant whose claim was timely sent to the dissolved corporation but not acted on; or

(c) A claimant whose claim is contingent or based on an event occurring after the effective date of dissolution.

NEW SECTION.  Sec. 3510.  ENFORCEMENT OF CLAIMS. A claim that is not barred by section 3508(4) or 3509(3) of this act may be enforced:

(1) Against the dissolved nonprofit corporation, to the extent of its undistributed assets; or

(2) Except as provided in section 3511(4) of this act, if the assets have been distributed in liquidation, against any person.
other than a creditor of the dissolved corporation, to whom the corporation distributed its property, subject to the following restrictions:

(a) Recovery is limited to the amount of the distributee's pro rata share of the claim or the corporate assets distributed to the distributee in liquidation, whichever is less;

(b) A distributee's total liability for all claims under this section may not exceed the total amount of assets distributed to the distributee; and

(c) A distributee is only liable to the extent permitted by existing common law or statutory remedies, and nothing in this section creates a separate cause of action against a distributee.

NEW SECTION. Sec. 3511. COURT PROCEEDINGS. (1) A dissolved nonprofit corporation that has published a notice under section 3508 of this act may file an application with the court for a determination of the amount and form of security to be provided for payment of claims that are contingent or have not been made known to the dissolved corporation or that are based on an event occurring after the effective date of dissolution but that, based on the facts known to the dissolved corporation, are reasonably estimated to be presented after the effective date of dissolution. Provision need not be made for any claim that is or is reasonably anticipated to be barred under section 3508(3) of this act.

(2) Within ten days after the filing of the application, the dissolved corporation shall give notice of the proceeding to each claimant holding a contingent claim whose contingent claim is shown on the records of the dissolved corporation.

(3) The court may appoint a guardian ad litem to represent all claimants whose identities are unknown in any proceeding brought under this section. The dissolved corporation shall pay reasonable fees and expenses of the guardian, including all reasonable expert witness fees.

(4) Provision by the dissolved nonprofit corporation for security in the amount and the form ordered by the court under section 3510(1) of this act satisfies the dissolved corporation's obligations with respect to claims that are contingent, have not been made known to the dissolved corporation, or are based on an event occurring after the effective date of dissolution. Such claims may not be enforced against a person who received assets in liquidation.
NEW SECTION. Sec. 3512. DIRECTORS' DUTIES. (1) Directors shall cause the dissolved corporation to discharge or make reasonable provision for the payment of claims and make distributions of assets in accordance with the plan of distribution after payment or provision for claims.

(2) Directors of a dissolved corporation that has disposed of claims under section 3508, 3509, or 3511 of this act are not liable for breach of subsection (1) of this section with respect to claims against the dissolved corporation that are barred or satisfied under section 3508, 3509, or 3511 of this act.

(3) Failure to dispose of claims under section 3508, 3509, or 3511 of this act is not, in and of itself, a violation of this section.

ARTICLE 6

NEW SECTION. Sec. 3601. ADMINISTRATIVE DISSOLUTION. The secretary of state may commence a proceeding under RCW 23.95.610 to administratively dissolve a nonprofit corporation for any reason set forth in RCW 23.95.605.

NEW SECTION. Sec. 3602. PROCEDURE AND EFFECT OF ADMINISTRATIVE DISSOLUTION. (1) Administrative dissolution does not terminate, bar, or otherwise modify any claim against the administratively dissolved corporation.

(2) A person is not liable in contract, tort, or otherwise solely by reason of being a director, officer, or member of a nonprofit corporation that was dissolved under sections 3601 through 3608 of this act, with respect to the activities or affairs of the corporation that have been continued, without knowledge of the dissolution.

NEW SECTION. Sec. 3603. PROPERTY HELD FOR CHARITABLE PURPOSES. (1) If a charitable corporation, or a corporation holding property for charitable purposes, has been administratively dissolved and has not been reinstated, then neither the corporation nor any other person may transfer or distribute to any other person any property held for charitable purposes by the corporation unless the corporation has:

(b) Obtained the approval or deemed approval of the attorney general of the plan of distribution, following the procedure set out in section 3503(4) of this act.

NEW SECTION. Sec. 3604. REINSTATEMENT OF ADMINISTRATIVELY DISSOLVED CORPORATION. A nonprofit corporation administratively dissolved under RCW 23.95.610 may apply to the secretary of state for reinstatement by following the procedure and meeting the requirements set forth in RCW 23.95.615. A nonprofit corporation denied reinstatement may obtain judicial review of the denial within the time specified in RCW 23.95.620.

NEW SECTION. Sec. 3605. JUDICIAL DISSOLUTION. The court may dissolve a nonprofit corporation:

(c) the directors are deadlocked in the management of the corporate affairs; the members, if any, are unable to break the deadlock; and irreparable injury to the corporation or its purposes is threatened or being suffered because of the deadlock; or

(d) The corporation is misapplying or wasting property held for charitable purposes;

(2) Except as provided in the articles or bylaws, in a proceeding by fifty members or members holding at least five percent of the voting power, whichever is less, or by a director, if it is established that:

(a) The directors are deadlocked in the management of the corporate affairs; the members, if any, are unable to break the
deadlock; and irreparable injury to the corporation or its mission is threatened or being suffered because of the deadlock;

(b) The directors or those in control of the corporation have acted, are acting, or have expressed intent to act in a manner that is illegal, oppressive, or fraudulent;

(c) The members are deadlocked in voting power and have failed, for a period that includes at least two consecutive annual meeting dates, to elect successors to directors whose terms have, or otherwise would have, expired;

(d) The corporate assets are being misapplied or wasted; or

(e) The corporation has insufficient assets to continue its activities and it is no longer able to assemble a quorum of directors or members;

(3) In a proceeding by a creditor, if it is established that:

(b) The corporation has admitted in a record that the creditor's claim is due and owing and the corporation is insolvent; or

(4) In a proceeding by the corporation to have its voluntary dissolution continued under court supervision.

NEW SECTION. Sec. 3606. PROCEDURE FOR JUDICIAL DISSOLUTION. (1) It is not necessary to make directors or members parties to a proceeding to dissolve a nonprofit corporation unless relief is sought against them individually.

(2) A person commencing a proceeding to dissolve a nonprofit corporation shall notify the attorney general of the proceeding in the form of a record if:

(a) The corporation is recognized by the internal revenue service as an organization described in section 501(c)(3) of the Internal Revenue Code; or

(b) The person bringing the proceeding knows that the nonprofit corporation is a charitable corporation or has property held for charitable purposes.

(3) The court in a proceeding brought to dissolve a nonprofit corporation may issue injunctions, take other action required to preserve the corporate assets wherever located, and carry on the activities of the corporation until a full hearing can be held.
NEW SECTION. Sec. 3607. RECEIVERSHIP. The court in a judicial proceeding brought to dissolve a nonprofit corporation may appoint one or more receivers to wind up and liquidate, or to manage, the affairs of the corporation, pursuant to chapter 7.60 RCW.

(1) If, after a hearing, the court determines that one or more grounds for judicial dissolution described in section 3605 of this act exist, then it may enter a decree dissolving the nonprofit corporation and specifying the effective date of the dissolution, and the clerk of the court shall deliver a certified copy of the decree to the secretary of state, who shall file it.

(3) Any person that has commenced any proceeding which this chapter authorizes the attorney general to bring, including but not limited to any proceeding involving a charitable corporation or property held for charitable purposes brought under section 1502, 1505, 2702, 3510, 3605, or 4203 of this act, shall serve notice of the commencement of the proceeding upon the attorney general. attorney general may waive this notice at any time.

(4) Notice to the attorney general is effective:
   (a) Five days after its deposit in the United States mail, only
       if the postage is paid and the notice is correctly addressed; or
   (b) When given, if the notice is delivered in any other manner
       that the attorney general has authorized.

NEW SECTION. Sec. 4102. ACTIONS TO SECURE PROPERTY HELD FOR
CHARITABLE PURPOSES. The attorney general may commence in the court
described in section 1105 of this act any action or proceeding to:

   (1) Ensure compliance by a nonprofit corporation, or its members,
directors, officers, employees, or agents, with any provision of this
chapter that governs the distribution, disposition, management, or
expenditure of, or reporting obligations relating to, any property
held for charitable purposes;

   (2) Secure the proper administration of a charitable corporation,
or of property held for charitable purposes by a nonprofit
corporation, when reasonably necessary to protect property held for
charitable purposes; and

   (3) Restrain and prevent any act that violates any provision of
this chapter that governs the distribution, disposition, management,
or expenditure of, or reporting obligations relating to, any property
held for charitable purposes.

NEW SECTION. Sec. 4103. ATTORNEY GENERAL'S RIGHT TO INTERVENE.
The attorney general, as of right, may intervene in any proceeding
that has been commenced by a person other than the attorney general
if the attorney general is otherwise authorized to bring such a
proceeding under this chapter.

NEW SECTION. Sec. 4104. ATTORNEY GENERAL'S INVESTIGATIVE POWER.
Upon reasonable suspicion that there has been a violation of any
 provision of this chapter that governs the distribution, disposition,
management, or expenditure of, or reporting obligations relating to,
any property held for charitable purposes, or that a charitable
corporation or property held for charitable purposes by a nonprofit
corporation has been improperly administered, the attorney general
may institute an investigation for the purpose of determining whether
there has been such a violation or improper administration.

Code Rev/RB: akl 138 S-0087.2/21 2nd draft
NEW SECTION.  Sec. 4105. CIVIL INVESTIGATIVE DEMANDS. (1) The attorney general may, before the institution of a civil proceeding arising from an investigation instituted under section 4104 of this act, execute in writing and cause to be served upon a person a civil investigative demand requiring the person to produce documentary material and permit inspection and copying, to answer in writing written interrogatories, to give oral testimony, or any combination of those demands, whenever the attorney general believes that the person:

(a) May be in possession, custody, or control of any original or copy of any record, report, memorandum, paper, communication, tabulation, map, chart, photograph, mechanical transcription, or other document or recording, wherever situated, which the attorney general reasonably believes to be relevant to the subject matter of any investigation instituted under section 4104 of this act; or

(b) May have knowledge of any information which the attorney general reasonably believes to be relevant to the subject matter of any such investigation.

(2) The provisions of RCW 19.86.110 (2) through (9) except for RCW 19.86.110(7) (b) and (c), shall apply to every civil investigative demand issued under this section.

(3) With respect to a civil investigative demand issued under this section, the venue for filing a petition to extend a return date under RCW 19.86.110(8) or a petition for an order of enforcement under RCW 19.86.110(9) shall include any court described in section 1105 of this act.

(4) The attorney general may provide copies of documentary material, answers to written interrogatories, or transcripts of oral testimony provided under this section to an official of this state, another state, or the federal government who is charged with the enforcement of state or federal laws related to the protection or regulation of property held for charitable purposes, provided that before the disclosure the receiving official agrees in the form of a record that the information may not be disclosed to anyone other than that official or the official's authorized employees or agents. Material provided under this subsection is subject to the limitations on disclosure contained in RCW 19.86.110(7)(a), and, where applicable, Title 5 U.S.C. Sec. 552, and may not be introduced as evidence in a criminal prosecution.
(5) The attorney general may use such copies of documentary material, answers to written interrogatories, or transcripts of oral testimony as the attorney general determines necessary in the enforcement of any provision of this chapter that governs the distribution, disposition, management, or expenditure of, or reporting obligations relating to, any property held for charitable purposes, including presentation before any court, provided, however, that any such material, answers to written interrogatories, or transcripts of oral testimony which contain trade secrets shall not be presented except with the approval of the court in which the action is pending after adequate notice to the person furnishing such material, answers to written interrogatories, or oral testimony.

NEW SECTION. Sec. 4106. RELIGIOUS CORPORATIONS. The attorney general shall not commence any action under section 4102 of this act against a religious corporation; intervene in any action under section 4103 of this act involving a religious corporation; institute any investigation under section 4104 of this act, the subject of which is a religious corporation; or serve any civil investigative demand under section 4105 of this act on a religious corporation, unless:

(1) The basis for the action, investigation, or civil investigative demand is the attorney general's reasonable belief that property held by the religious corporation for charitable purposes has been, is threatened to be, or is about to be distributed in violation of section 1406 of this act;

(2) The board of directors of the religious corporation has adopted a resolution in the form of a record requesting the attorney general's involvement in the action or investigation; or

(3) The attorney general reasonably believes that the religious corporation has no directors in office, in which case the attorney general may investigate the issue of whether the religious corporation has directors in office, and, if necessary, appoint one or more directors of the religious corporation following the procedure set out in section 2410(4) of this act.

NEW SECTION. Sec. 4107. ASSURANCES OF DISCONTINUANCE. In the enforcement of the provisions of this chapter that govern the distribution, disposition, or expenditure of, or reporting obligations relating to, property held for charitable purposes, the
attorney general may accept an assurance of discontinuance of any act or practice deemed in violation of such provision, from any person engaging in, or who has engaged in, such act or practice. Any such assurance must be in writing and be filed with and subject to the approval of the court. Such assurance of discontinuance is not an admission of a violation for any purpose, but proof of failure to comply with the assurance of discontinuance is prima facie evidence of a violation of this chapter.

NEW SECTION. Sec. 4108. CIVIL PENALTIES, COSTS, AND FEES. (1) Pursuant to an action by the attorney general, a person shall forfeit and pay a civil penalty of not more than five thousand dollars for each violation if such person:

   (b) As a director or officer of a corporation, votes for or assents to a distribution of property held for charitable purposes that would give rise to liability under section 2702 of this act; or
   (c) Receives any portion of a distribution described in (b) of this subsection knowing that the distribution was made in violation of this chapter.
(2) Any person who shall violate the terms of any injunction issued pursuant to an action by the attorney general under section 4102 of this act shall forfeit and pay a civil penalty of not more than twenty-five thousand dollars for each violation.
(3) At the discretion of the court, the attorney general is entitled to recovery of its costs and fees incurred in securing compliance with the provisions of this chapter governing the distribution, disposition, management, or expenditure of, or reporting obligations relating to, property held for charitable purposes.

NEW SECTION. Sec. 4109. CHARITABLE ASSET PROTECTION ACCOUNT. (1) The Washington state attorney general charitable asset protection account is created in the custody of the state treasurer. Only the attorney general or the attorney general's designee may authorize
expenditures from the account. Moneys in the account shall be used exclusively for:

(a) The costs associated with the attorney general's enforcement of the provisions of this chapter governing the distribution, disposition, management, or expenditure of, or reporting obligations relating to, property held for charitable purposes, or the proper administration of a charitable corporation or property held for charitable purposes;

(b) The costs associated with the attorney general's review and handling of notices and requests submitted to the attorney general under the provisions of this chapter including, but not limited to, binding agreements described in section 1504 of this act, major changes in purposes or programs reported under section 1205 of this act, and notices of proposed transactions under sections 3101 through 3608 of this act;

(c) The costs associated with the attorney general's review and handling of notices and requests submitted to the attorney general in connection with the release or modification under RCW 24.55.045 of restrictions applicable to institutional funds;

(d) The costs associated with the attorney general's supervision of charitable trusts under the authority granted in chapter 11.110 RCW, including review and handling of binding agreements under chapter 11.96A RCW, involving assets held in charitable trust; and

(e) The charitable solicitation education program.

An appropriation is not required for expenditures, but the account is subject to allotment procedures under chapter 43.88 RCW.

(2) The secretary of state shall collect and place into the Washington state attorney general charitable asset protection account a charitable asset protection fee, in addition to fees that the secretary of state may set under section 1207 of this act, for filing:

(a) Annual reports under section 1204 of this act;

(b) Articles of incorporation of newly formed corporations under section 1303 of this act;

(c) Articles of domestication under section 3309 of this act; and

(d) Articles of domestication and conversion under section 3318 of this act.

(3) The charitable asset protection fee is fifty dollars per year, reduced to ten dollars if the corporation certifies that its
total gross revenue in the most recent fiscal year was less than five hundred thousand dollars.

ARTICLE 2
CONTESTED CORPORATE ACTION

NEW SECTION. Sec. 4201. DEFINITIONS. This section and sections 4202 and 4203 of this act apply to, and the term "corporate action" in this section and sections 4202 and 4203 of this act means, any of the following actions:
(1) The election, appointment, designation, or other selection and the suspension, removal, or expulsion of members, delegates, directors, or officers of a nonprofit corporation;
(2) The taking of any action on any matter that:
(a) Is required under this chapter or any other provision of law to be submitted for approval of or adoption by the members, delegates, directors, or officers of a nonprofit corporation;
(b) Under the articles or bylaws may be submitted for approval of or adoption by the members, delegates, directors, or officers of a nonprofit corporation; or
(c) Is in fact approved or adopted by the members, delegates, directors, or officers of a nonprofit corporation.

NEW SECTION. Sec. 4202. PROCEEDINGS PRIOR TO CORPORATE ACTION.
(1) Where under applicable law or the articles or bylaws of a nonprofit corporation there has been a failure to hold a meeting to take corporate action and the failure has continued for thirty days after the date designated or appropriate therefor, the court may summarily order a meeting to be held upon the application of any person entitled, either alone or in conjunction with other persons similarly seeking relief under this section, to call a meeting to consider the corporate action in issue, and, in the case of a charitable corporation, upon the application of the attorney general.
(2) The court may determine the right to vote at the meeting of persons claiming that right, may appoint an individual to hold the meeting under such orders and powers as the court may deem proper, and may take such action as may be required to give due notice of the meeting and convene and conduct the meeting in the interests of justice.
NEW SECTION.  Sec. 4203. REVIEW OF CONTESTED CORPORATE ACTION.
(1) Except as provided in subsection (3) of this section, upon
petition of a person whose status as, or whose rights or duties as, a
member, delegate, director, or officer of a corporation are or may be
affected by any corporate action, or, in the case of a charitable
corporation, the attorney general, the court may hear and determine
the validity of the corporate action.
(2) The court may make such orders in any such case as may be
just and proper, with power to enforce the production of any books,
papers, and records of the corporation and other evidence that may
relate to the issue. The court shall provide for notice of the
pendency of the proceedings under this section to every person
affected thereby. If it is determined that no valid corporate action
has been taken, the court may order a meeting to be held in
accordance with section 4202 of this act.
(3) If a nonprofit corporation has provided in its articles or
bylaws for a means of resolving a challenge to a corporate action,
then subsection (1) of this section shall not apply, except in the
case of actions brought by the attorney general with respect to
corporate actions of charitable corporations. The court may enforce
provisions of the articles or bylaws if appropriate.

(5) The court may condition the appointment of a receiver upon the giving of security by the person seeking the receiver's appointment, in such amount as the court may specify, for the payment of costs and damages incurred or suffered by any person should it later be determined that the appointment of the receiver was wrongfully obtained.

The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the internal revenue code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

(c) Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

(2) For the purposes of RCW 9.46.0315 and 9.46.110, a bona fide nonprofit organization can be licensed by the commission and includes:

No person or other entity may receive compensation in any form from the group for services rendered in support of this purpose;

(iii) Promptly provides such information about the group's receipts, expenditures, and other activities as the agency's chief executive official or designee may periodically require, and otherwise complies with this section and RCW 9.46.0315; and

(iv) Limits the participation in the raffle such that raffle tickets are sold only to, and winners are determined only from, the employees of the agency.

(3) For the purposes of RCW 9.46.0277, a bona fide nonprofit organization also includes a county, city, or town, provided that all revenue less prizes and expenses from raffles conducted by the county, city, or town must be used for community activities or tourism promotion activities.

Sec. 5203. RCW 15.105.020 and 2004 c 26 s 3 are each amended to read as follows:

The nonprofit corporation must be organized under chapter (24.03 RCW) 24.-- RCW (the new chapter created in section 6101 of this act) and has the powers granted under that chapter. However, this chapter does not prohibit the department or other agencies, boards, commissions, and associations from separately continuing to promote Washington products under their existing authorities.

(2) The department may contract with the successor organization to carry out the program. The contract must require the successor organization to aggressively seek to fund its continued operation from nonstate funding sources.
(3) The successor organization must report to the department each January 1st on the amounts it has secured from both nonstate and state funding sources, its operations, and its programs.

(4) Debts and other liabilities of the successor organization are successor organization debts and liabilities only and may be satisfied only from the resources of the successor organization. The state of Washington is not liable for the debts or liabilities of the successor organization.

Sec. 5204. RCW 18.100.050 and 2020 c 80 s 21 are each amended to read as follows:

(1) An individual or group of individuals duly licensed or otherwise legally authorized to render the same professional services within this state may organize and become a shareholder or shareholders of a professional corporation for pecuniary profit under the provisions of Title 23B RCW for the purpose of rendering professional service. (c) Formation of a professional service corporation under this subsection does not restrict the application of the uniform disciplinary act under chapter 18.130 RCW, or applicable health care professional statutes under Title 18 RCW, including but not limited to restrictions on persons practicing a health profession without being appropriately credentialed and persons practicing beyond the scope of their credential.

Sec. 5205. RCW 18.100.130 and 1991 c 72 s 5 are each amended to read as follows:

Sec. 5246. RCW 82.04.431 and 2011 1st sp.s. c 19 s 3 are each

The organization must be a nonprofit corporation under chapter ((24.03 RCW)) 24.-- RCW (the new chapter created in section 6101 of this act) and managed by a governing board of not less than eight individuals none of whom is
paid employee of the organization or by a corporation sole under chapter 24.12 RCW. In addition, to qualify for deduction or exemption from taxation under RCW 82.04.4327, 82.08.031, and 82.12.031, the corporation must satisfy the following conditions:

(f) Services must be available regardless of race, color, national origin, or ancestry; and

(g) The director of revenue must have access to its books in order to determine whether the corporation is exempt from taxes.

(2) The term "artistic or cultural exhibitions, presentations, or performances or cultural or art education programs" includes and is limited to:

(a) An exhibition or presentation of works of art or objects of cultural or historical significance, such as those commonly displayed in art or history museums;

Sec. 5248. RCW 82.08.0203 and 2008 c 260 s 1 are each amended to read as follows:
The tax levied by RCW 82.08.020 does not apply to sales of trail grooming services to the state of Washington or nonprofit corporations organized under chapter ((24.03 RCW)) 24.-- RCW (the new chapter created in section 6101 of this act). For the purposes of this section, "trail grooming" means the activity of snow compacting, snow redistribution, or snow removal on state-owned or privately owned trails.

Sec. 5249. RCW 82.08.0293 and 2019 c 8 s 401 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of food and food ingredients. "Food and food ingredients" means substances, whether in liquid, concentrated, solid, frozen, dried, or dehydrated form, that are sold for ingestion or chewing by humans and are consumed for their taste or nutritional value. "Food and food ingredients" does not include:

(a) "Alcoholic beverages," which means beverages that are suitable for human consumption and contain one-half of one percent or more of alcohol by volume;

(b) "Tobacco," which means cigarettes, cigars, chewing or pipe tobacco, or any other item that contains tobacco; and

(c) Marijuana, useable marijuana, or marijuana-infused products.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section does not apply to prepared food, soft drinks, bottled water, or dietary supplements. The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Bottled water" means water that is placed in a safety sealed container or package for human consumption. Bottled water is calorie free and does not contain sweeteners or other additives except that it may contain: (i) Antimicrobial agents; (ii) fluoride; (iii) carbonation; (iv) vitamins, minerals, and electrolytes; (v) oxygen; (vi) preservatives; and (vii) only those flavors, extracts, or essences derived from a spice or fruit. "Bottled water" includes water that is delivered to the buyer in a reusable container that is not sold with the water.

(b) "Dietary supplement" means any product, other than tobacco, intended to supplement the diet that:

(i) Contains one or more of the following dietary ingredients:

(A) A vitamin;
(B) A mineral;
(C) An herb or other botanical;
(D) An amino acid;
(E) A dietary substance for use by humans to supplement the diet by increasing the total dietary intake; or
(F) A concentrate, metabolite, constituent, extract, or combination of any ingredient described in this subsection;
(ii) Is intended for ingestion in tablet, capsule, powder, softgel, gelcap, or liquid form, or if not intended for ingestion in such form, is not represented as conventional food and is not represented for use as a sole item of a meal or of the diet; and
(iii) Is required to be labeled as a dietary supplement, identifiable by the "supplement facts" box found on the label as required pursuant to 21 C.F.R. Sec. 101.36, as amended or renumbered as of January 1, 2003.

(c)(i) "Prepared food" means:
(A) Food sold in a heated state or heated by the seller;
(B) Food sold with eating utensils provided by the seller, including plates, knives, forks, spoons, glasses, cups, napkins, or straws. A plate does not include a container or packaging used to transport the food; or
(C) Two or more food ingredients mixed or combined by the seller for sale as a single item, except:
(I) Food that is only cut, repackaged, or pasteurized by the seller; or
(II) Raw eggs, fish, meat, poultry, and foods containing these raw animal foods requiring cooking by the consumer as recommended by the federal food and drug administration in chapter 3, part 401.11 of The Food Code, published by the food and drug administration, as amended or renumbered as of January 1, 2003, so as to prevent foodborne illness.
(ii) Food is "sold with eating utensils provided by the seller" if:
(A) The seller's customary practice for that item is to physically deliver or hand a utensil to the customer with the food or food ingredient as part of the sales transaction. If the food or food ingredient is prepackaged with a utensil, the seller is considered to have physically delivered a utensil to the customer unless the food and utensil are prepackaged together by a food manufacturer.
classified under sector 311 of the North American industry
classification system (NAICS);

(B) A plate, glass, cup, or bowl is necessary to receive the food
or food ingredient, and the seller makes those utensils available to
its customers; or

(C)(I) The seller makes utensils available to its customers, and
the seller has more than seventy-five percent prepared food sales.
For purposes of this subsection (2)(c)(ii)(C), a seller has more than
seventy-five percent prepared food sales if the seller's gross retail
sales of prepared food under (c)(i)(A), (c)(i)(C), and (c)(ii)(B) of
this subsection equal more than seventy-five percent of the seller's
gross retail sales of all food and food ingredients, including
prepared food, soft drinks, and dietary supplements.

(II) However, even if a seller has more than seventy-five percent
prepared food sales, four servings or more of food or food
ingredients packaged for sale as a single item and sold for a single
price are not "sold with utensils provided by the seller" unless the
seller's customary practice for the package is to physically hand or
otherwise deliver a utensil to the customer as part of the sales
transaction. Whenever available, the number of servings included in a
package of food or food ingredients must be determined based on the
manufacturer's product label. If no label is available, the seller
must reasonably determine the number of servings.

(III) The seller must determine a single prepared food sales
percentage annually for all the seller's establishments in the state
based on the prior year of sales. The seller may elect to determine
its prepared food sales percentage based either on the prior calendar
year or on the prior fiscal year. A seller may not change its elected
method for determining its prepared food percentage without the
written consent of the department. The seller must determine its
annual prepared food sales percentage as soon as possible after
accounting records are available, but in no event later than ninety
days after the beginning of the seller's calendar or fiscal year. A
seller may make a good faith estimate of its first annual prepared
food sales percentage if the seller's records for the prior year are
not sufficient to allow the seller to calculate the prepared food
sales percentage. The seller must adjust its good faith estimate
prospectively if its relative sales of prepared foods in the first
ninety days of operation materially depart from the seller's
estimate.
(iii) "Prepared food" does not include the following items, if sold without eating utensils provided by the seller:

(A) Food sold by a seller whose proper primary NAICS classification is manufacturing in sector 311, except subsector 3118 (bakeries), as provided in the "North American industry classification system—United States, 2002";

(B) Food sold in an unheated state by weight or volume as a single item; or

(C) Bakery items. The term "bakery items" includes bread, rolls, buns, biscuits, bagels, croissants, pastries, donuts, Danish, cakes, tortes, pies, tarts, muffins, bars, cookies, or tortillas.

(d) "Soft drinks" means nonalcoholic beverages that contain natural or artificial sweeteners. Soft drinks do not include beverages that contain: Milk or milk products; soy, rice, or similar milk substitutes; or greater than fifty percent of vegetable or fruit juice by volume.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section applies to food and food ingredients that are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided for in the older Americans act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(b) That are provided to senior citizens, individuals with disabilities, or low-income persons by a nonprofit organization organized under chapter (24.03) or 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" means a facility:

(i) That meets the definition of a qualified low-income housing project under 26 U.S.C. Sec. 42 of the federal internal revenue code, as existing on August 1, 2009;

(ii) That has been partially funded under 42 U.S.C. Sec. 1485; and
(iii) For which the lessor or operator has at any time been entitled to claim a federal income tax credit under 26 U.S.C. Sec. 42 of the federal internal revenue code.

(4)(a) Subsection (1) of this section notwithstanding, the retail sale of food and food ingredients is subject to sales tax under RCW 82.08.020 if the food and food ingredients are sold through a vending machine. Except as provided in (b) of this subsection, the selling price of food and food ingredients sold through a vending machine for purposes of RCW 82.08.020 is fifty-seven percent of the gross receipts.

(b) For soft drinks, bottled water, and hot prepared food and food ingredients, other than food and food ingredients which are heated after they have been dispensed from the vending machine, the selling price is the total gross receipts of such sales divided by the sum of one plus the sales tax rate expressed as a decimal.

(c) For tax collected under this subsection (4), the requirements that the tax be collected from the buyer and that the amount of tax be stated as a separate item are waived.

Sec. 5250. RCW 82.12.0293 and 2017 3rd sp.s. c 28 s 102 are each amended to read as follows:

(1) The provisions of this chapter do not apply in respect to the use of food and food ingredients for human consumption. "Food and food ingredients" has the same meaning as in RCW 82.08.0293.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section does not apply to prepared food, soft drinks, bottled water, or dietary supplements. "Prepared food," "soft drinks," "bottled water," and "dietary supplements" have the same meanings as in RCW 82.08.0293.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section applies to food and food ingredients which are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided for in the older Americans act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(b) Which are provided to senior citizens, individuals with disabilities, or low-income persons by a ((not-for-profit)) nonprofit organization organized under chapter ((24.03)) 24.-- (the new chapter created in section 6101 of this act) or 24.12 RCW; or

Code Rev/RB:akl 217 S-0087.2/21 2nd draft
(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" has the same meaning as in RCW 82.08.0293.

**Sec. 5251.** RCW 88.46.065 and 1994 sp.s. c 9 s 853 are each amended to read as follows:

A nonprofit corporation established for the sole purpose of providing contingency plan coverage for any vessel in compliance with RCW 88.46.060 is entitled to liability protection as provided in this section. Obligations incurred by the corporation and any other liabilities or claims against the corporation may be enforced only against the assets of the corporation, and no liability for the debts or actions of the corporation exists against a director, officer, member, employee, incident commander, agent, contractor, or subcontractor of the corporation in his or her individual or representative capacity. Except as otherwise provided in this chapter, neither the directors, officers, members, employees, incident commanders, or agents of the corporation, nor the business entities by whom they are regularly employed may be held individually responsible for discretionary decisions, errors in judgment, mistakes, or other acts, either of commission or omission, that are directly related to the operation or implementation of contingency plans, other than for acts of gross negligence or willful or wanton misconduct. The corporation may insure and defend and indemnify the directors, officers, members, employees, incident commanders, and agents to the extent permitted by chapters 23B.08 and (24.03) 24.-- (the new chapter created in section 6101 of this act) RCW. This section does not alter or limit the responsibility or liability of any person for the operation of a motor vehicle.

**Sec. 5252.** RCW 89.08.405 and 2015 c 88 s 1 are each amended to read as follows:

(1) Any county legislative authority may approve by resolution revenues to a conservation district by fixing rates and charges. The
county legislative authority may provide for this system of rates and charges as an alternative to, but not in addition to, a special assessment provided by RCW 89.08.400. In fixing rates and charges, the county legislative authority may in its discretion consider the information proposed to the county legislative authority by a conservation district consistent with this section.

(2) A conservation district, in proposing a system of rates and charges, may consider:

(a) Services furnished, to be furnished, or available to the landowner;
(b) Benefits received, to be received, or available to the property;
(c) The character and use of land;
(d) The nonprofit public benefit nonprofit corporation status, as defined in ((RCW 24.03.490)) section 1701 of this act, of the land user;
(e) The income level of persons served or provided benefits under this chapter, including senior citizens and disabled persons; or
(f) Any other matters that present a reasonable difference as a ground for distinction, including the natural resource needs within the district and the capacity of the district to provide either services or improvements, or both.

(3)(a) The system of rates and charges may include an annual per acre amount, an annual per parcel amount, or an annual per parcel amount plus an annual per acre amount. If included in the system of rates and charges, the maximum annual per acre rate or charge shall not exceed ten cents per acre. The maximum annual per parcel rate shall not exceed five dollars, except that for counties with a population of over four hundred eighty thousand persons, the maximum annual per parcel rate shall not exceed ten dollars, and for counties with a population of over one million five hundred thousand persons, the maximum annual per parcel rate shall not exceed fifteen dollars.

(b) Public land, including lands owned or held by the state, shall be subject to rates and charges to the same extent as privately owned lands. The procedures provided in chapter 79.44 RCW shall be followed if lands owned or held by the state are subject to the rates and charges of a conservation district.

(c) Forestlands used solely for the planting, growing, or harvesting of trees may be subject to rates and charges if such lands are served by the activities of the conservation district. However,
if the system of rates and charges includes an annual per acre amount or an annual per parcel amount plus an annual per acre amount, the per acre rate or charge on such forestlands shall not exceed one-tenth of the weighted average per acre rate or charge on all other lands within the conservation district that are subject to rates and charges. The calculation of the weighted average per acre shall be a ratio calculated as follows: (i) The numerator shall be the total amount of money estimated to be derived from the per acre special rates and charges on the nonforestlands in the conservation district; and (ii) the denominator shall be the total number of nonforestland acres in the conservation district that are served by the activities of the conservation district and that are subject to the rates or charges of the conservation district. No more than ten thousand acres of such forestlands that is both owned by the same person or entity and is located in the same conservation district may be subject to the rates and charges that are imposed for that conservation district in any year. Per parcel charges shall not be imposed on forestland parcels. However, in lieu of a per parcel charge, a charge of up to three dollars per forestland owner may be imposed on each owner of forestlands whose forestlands are subject to a per acre rate or charge.

(4) The consideration, development, adoption, and implementation of a system of rates and charges shall follow the same public notice and hearing process and be subject to the same procedure and authority of RCW 89.08.400(2).

(5)(a) Following the adoption of a system of rates and charges, the conservation district board of supervisors shall establish by resolution a process providing for landowner appeals of the individual rates and charges as applicable to a parcel or parcels. (b) Any appeal must be filed by the landowner with the conservation district no later than twenty-one days after the date property taxes are due. The decision of the board of supervisors regarding any appeal shall be final and conclusive. (c) Any appeal of the decision of the board shall be to the superior court of the county in which the district is located, and served and filed within twenty-one days of the date of the board's written decision.

(6) A conservation district shall prepare a roll that implements the system of rates and charges approved by the county legislative authority. The rates and charges from the roll shall be spread by the
county assessor as a separate item on the tax rolls and shall be collected and accounted for with property taxes by the county treasurer. The amount of the rates and charges shall constitute a lien against the land that shall be subject to the same conditions as a tax lien, and collected by the treasurer in the same manner as delinquent real property taxes, and subject to the same interest and penalty as for delinquent property taxes. The county treasurer shall deduct an amount from the collected rates and charges, as established by the county legislative authority, to cover the costs incurred by the county assessor and county treasurer in spreading and collecting the rates and charges, but not to exceed the actual costs of such work. All remaining funds collected under this section shall be transferred to the conservation district and used by the conservation district in accordance with this section.

(7) The rates and charges for a conservation district shall not be spread on the tax rolls and shall not be allocated with property tax collections in the following year if, after the system of rates and charges has been approved by the county legislative authority but before the fifteenth day of December in that year, a petition has been filed with the county legislative authority objecting to the imposition of such rates and charges, which petition has been signed by at least twenty percent of the owners of land that would be subject to the rate or charge to be imposed for a conservation district.

RE: Proposed changes to the charter for the Task Force Team Administering Xenial Involvement with Court Appointed Boards to change the make-up

ACTION: Approve proposed amendments to charter of the Task Force Administering Xenial Involvement with Court Appointed Boards to change the composition of the task force.

The charter of the Task Force Administering Xenial Involvement with Court Appointed Boards was approved by the Board of Governors on April 17, 2020. Its purpose is to work with the Washington Supreme Court and WSBA’s Court appointed entities to clarify the WSBA’s role in administering these entities so as to minimize the conflicts that have sometimes arisen throughout WSBA’s history.

The amendments accomplish two things:

1. Changing the membership of the Task Force to include the WSBA President-Elect, Immediate Past President, and President and
2. Expanding the membership to include representatives of the Supreme Court entities that are the subject of the Task Force.

Attached, please find a redlined and proposed clean version of the revised charter.

RE: Proposed Amendments to WSBA Bylaws Articles III, IX, and XI Re: Pro Bono Status

FIRST READ: The Regulatory Services Department presents for first reading proposed technical amendments to the WSBA Bylaws related to the recently adopted amendments to APR 3(g), Pro Bono Admission.

By orders dated October 7, 2020, the Washington Supreme Court recently adopted amendments to APR 3(g), Pro Bono Admission, and approved related amendments to the WSBA Bylaws. Those amendments related to changing the name of emeritus pro bono status to simply pro bono status. Those amendments also modified some of the requirements for pro bono status. The amendments submitted to and approved by the Court did not capture all references to emeritus pro bono status in the WSBA Bylaws. Thus, these proposed amendments align all references to pro bono status with the newly amended APR 3(g). In addition, there is one proposed amendment correcting the name of the Pro Bono and Public Service Committee. There are no new substantive changes to the Bylaws due to these proposed amendments.

2. **Inactive**
Inactive members must not practice law in Washington, nor engage in employment or duties that constitute the practice of law. Inactive members are not eligible to vote in Bar matters or hold office therein, or serve on any committee or board.

a. Inactive members may:
   1) Join Bar sections as non-voting members,
   2) Continue their affiliation with the Bar;
   3) Change their membership status to Active pursuant to these Bylaws and any applicable court rule;
   4) Request a free subscription to the Bar’s official publication; and
   5) Receive member benefits available to Inactive members.

b. Types of Inactive membership:
   1) Inactive Member: Inactive members must pay an annual license fee in an amount established by the BOG and approved by the Supreme Court. They are not required to earn or report MCLE credits while Inactive, but may choose to do so, and may be required to do so to return to Active membership.
   2) Disability: Disability inactive members are not required to pay a license fee, or earn or report MCLE credits while in this status, but they may choose to do so, and they may be required to earn and report MCLE credits to return to Active membership.
   3) Honorary: All members who have been Active or Judicial, or a combination of Active and Judicial, members for 50 years may elect to become Honorary members of the Bar. Honorary members are not required to pay a license fee. A member who otherwise qualifies for Honorary membership but wants to continue to practice law in any manner must be an Active member or, if applicable, a Pro Bono member.

3. **Judicial**

a. A member may qualify to become a Judicial member if the member is one of the following:
   1) A current judge, commissioner, or magistrate judge of the courts of record in the State of Washington, or the courts of the United States, including Bankruptcy courts;
   2) A current judge, commissioner, or magistrate in the district or municipal courts in the State of Washington, provided that such position requires the person to be a lawyer;
   3) A current senior status or recall judge in the courts of the United States;
   4) An administrative law judge, which is defined as either:
      (a) Current federal judges created under Article I and Article II of the United States Constitution, excluding Bankruptcy court judges, or created by the Code of Federal Regulations, who by virtue of their position are prohibited by the United States Code and/or the Code of Federal Regulations from practicing law; or
      (b) Full-time Washington State administrative law judges in positions created by either the Revised Code of Washington or the Washington Administrative Code; or
   5) A current Tribal Court judge in the State of Washington.
5) A member of any type who has transferred to Inactive status during the pendency of a grievance or disciplinary proceedings may not be transferred to Active except as provided herein and may be subject to such discipline by reason of any grievance or complaint as may be imposed under the ELC, ELPOC, or ELLLTC.

b. Transfer from Judicial to Active.

A Judicial member may request to transfer to any other status, including Active. Upon a Judicial member’s resignation, retirement, or completion of such member’s term of judicial office, such member must notify the Bar within 10 days, and any Judicial member desiring to continue his or her affiliation with the Bar must change to another membership status within the Bar.

1) A Judicial member who has complied with all requirements for maintaining eligibility to return to another membership status may transfer to Active by submitting an application for change to Active membership status and
   (a) paying the then current Active license fee for the member’s license type, including any mandatory assessments, less any license fee (not including late fees) and assessments paid as a Judicial member for the same licensing year; and
   (b) complying with the MCLE requirements for members returning from Inactive to Active. Either judicial continuing education credits or lawyer continuing education credits may be applied to the credit requirement for Judicial members transferring to Active. If judicial continuing education credits are applied, the standards for determining accreditation for judicial continuing education courses will be accepted as establishing compliance.

2) A Judicial member wishing to transfer to Active upon leaving service as a judicial officer who has failed in any year to provide the annual member registry information or pay the annual license fee required of Judicial members to maintain eligibility to transfer to another membership status shall, prior to transfer to Active, be required to pay the Active license fee for the member’s license type any years the registry information was not provided or the Judicial fee was not paid, in addition to complying with the requirements of (a) above.

c. Transfer from Pro Bono to Active

A Pro Bono member may transfer to Active by complying with the requirements for members returning from Inactive to Active. There is no limit on how long a member may be Pro Bono before returning to Active status.

d. Referral to Character and Fitness Board

All applications for readmission, reinstatement or transfer to Active status will be reviewed by Bar staff and handled consistent with the provisions of APR 20-24.3. In all cases reviewed by it, the Character and Fitness Board has broad authority to recommend withholding a transfer to Active status or imposing
conditions on readmission to Active status, which may include retaking and passing the licensing examination applicable to the member’s license type. The member will be responsible for the costs of any investigation, examination, or proceeding before the Character and Fitness Board and the Washington Supreme Court.

E. CHANGE OF MEMBERSHIP STATUS TO INACTIVE

1. Any member who is an Active, Judicial, or Pro Bono member and who is not Suspended will become an Inactive member when the member files a request for Inactive membership with the Bar, in such form and manner as the Bar may require, and that request is approved.

Effective January 1, 2012, a Judicial member wishing to transfer to Inactive member status upon leaving service as a judicial officer, who has failed in any year to provide the annual member registry information or to pay the annual licensing fee required of Judicial members to maintain eligibility to transfer to another membership status shall, prior to transfer to Inactive, be required to pay the Active license fee for lawyer members for any years the registry information was not provided or the Judicial fee was not paid.

2. Members are transferred to Disability Inactive pursuant to Title 8 of the ELC, ELPOC, or ELLLTC. Any member seeking to transfer from Disability Inactive to Inactive member status must first establish that the member has complied with the requirements of Title 8 of the ELC, ELPOC, or ELLLTC, and then must submit a written request to make the change and comply with all applicable licensing requirements for Inactive members.

3. All members who have been Active or Judicial, or a combination of Active and Judicial, members for 50 years may qualify for Honorary status. A qualified member may request to change to Honorary status by submitting a written request and any required application.

4. An Active member may apply to change from Active to Inactive status while grievances or disciplinary proceedings are pending against such member. Such transfer, however, shall not terminate, stay or suspend any pending grievance or proceeding against the member.

F. CHANGE OF MEMBERSHIP STATUS TO JUDICIAL

An Active member may request to become a Judicial member of the Bar by submitting a written request on judicial letterhead and any required application, and complying with the provisions of these Bylaws.

G. CHANGE OF MEMBERSHIP STATUS TO PRO BONO

A member may become a Pro Bono member by complying with the requirements of APR 3(g), including payment of any required license fee, and passing a character and fitness review.

Effective January 1, 2012, a Judicial member wishing to transfer to Pro Bono status upon leaving service as a judicial officer who has failed in any year to provide the annual member registry information or to pay the annual licensing fee required of Judicial members to maintain eligibility to transfer to another membership status shall, prior to transfer to Pro Bono, be required to pay
months of that calendar year and 25% of the full active license fee if admitted in Washington in the last six months of that calendar year.

6) All members in their first two full licensing years after admission or licensure to practice law in any jurisdiction will pay 50% of the applicable full Active license fee.

7) An Active member of the Bar who is activated from reserve duty status to full-time active duty in the Armed Forces of the United States for more than 60 days in any calendar year, or who is deployed or stationed outside the United States for any period of time for full-time active military duty in the Armed Forces of the United States will be exempt from the payment of license fees and assessments for the Client Protection Fund upon submitting to the Executive Director satisfactory proof that he or she is so activated, deployed or stationed. All requests for exemption must be postmarked or delivered to the Bar’s offices on or before February 1st of the year for which the exemption is requested. Eligible members must apply every year they wish to claim the exemption. Each exemption applies for only the calendar year in which it is granted, and exemptions may be granted for a maximum total of five years for any member. Granting or denying an exemption under this provision is within the sole discretion of the Executive Director and is not appealable.

b. Inactive Members

1) The annual license fee for Inactive members will be as established by resolution of the BOG and as approved by the Washington Supreme Court. Except for the amount of the license fee itself, the annual license fee payment requirements, including deadlines and late payment fees, for Active members will apply to Inactive members.

2) Honorary and Disability Inactive status members will be exempt from license fees and assessments, unless otherwise provided by Supreme Court order.

c. Judicial Members [Effective January 1, 2012]

Judicial members who wish to preserve eligibility to transfer to another membership status upon leaving service as a judicial officer must pay the annual license fee established by the Bar and as approved by the Supreme Court. Except for the amount of the license fee itself, the annual license fee payment requirements, including deadlines and late payment fees, for Active members apply to Judicial members; however, Judicial members are not subject to administrative suspension for nonpayment of license or late payment fees.

d. Pro Bono Members

Pro Bono members must pay the annual license fee required of Inactive members with the same type of license unless the member qualifies for the license fee waiver as provided for in APR 3(g). Except for the amount of the license fee itself, the annual license fee payment requirements, including deadlines and late payment fees, for Active members apply to Pro Bono members.
IX. COMMITTEES, COUNCILS, AND OTHER BAR ENTITIES

A. GENERALLY

1. The work of the Bar shall be accomplished by the BOG, the officers, and the Bar staff. To facilitate the work of the Bar in accordance with its purposes as provided in Article I, the BOG may delegate such work to an appropriate Bar entity, such as sections, committees, councils, task forces, or other Bar entity, however that may be designated by the BOG.

2. The work of any Bar entity established by the BOG must:
   a. have a defined scope that requires the active and continuing attention of the BOG;
   b. further the Bar’s Guiding Principles and/or the purposes of the Bar outlined in General Rules promulgated by the Supreme Court; and
   c. enhance consideration of a topic that is beyond the time and expertise of the BOG and staff by incorporating expertise and additional viewpoints from the broader community.

3. A list of the current committees, councils, and task forces, and their functions, will be maintained by the Executive Director. The BOG may terminate any recurring committee whenever in its opinion such committee is no longer necessary. Any nonrecurring Bar entity shall automatically terminate pursuant to the terms of its charter or originating document.

4. Governors appointed to serve as BOG liaisons to any Bar entity are not voting members. However, if a Governor is appointed as a member of any Bar entity, then he or she may vote in accordance with the terms of the charter or originating document for that entity.

B. COMMITTEES AND OTHER BAR ENTITIES

1. Committees

Committees are created and authorized by the BOG to study matters relating to the general purposes and business of the Bar which are of a continuous and recurring character. The number, size, and functions of each committee will be determined from time to time by the BOG.

   a. Committee members, Chairs, and Vice Chairs must be Active members of the Bar. Exceptions: (a) up to two Pro Bono members are permitted to serve on the Pro Bono and Public Service Committee (PBPSC) and may be appointed to serve as the Chair, Co-Chair, or Vice-Chair of that committee; and (b) faculty of Washington state law schools who are not Active members of the Bar are permitted to serve on the Committee on Professional Ethics (CPE).

   b. Committee members are appointed by the BOG. Appointments to committees are for a two-year term unless the BOG determines otherwise. A committee member’s service on any committee is limited to two consecutive terms, after which the member cannot be reappointed to that committee for three years, subject to individual exceptions for cause as approved by the BOG. Appointments to the Legislative Committee will be made pursuant to the written BOG policy for that committee.
B. Establishing Sections

1. The BOG will consider the establishment of a new section on a petition and report endorsed by at least 150 Active members of the Bar. Any such petition must be filed with the Executive Director at least one BOG meeting prior to the meeting at which action on the proposal is contemplated and must substantially set forth:
   a. The contemplated purpose of the section, which will be within the purposes of the Bar and not in substantial conflict with the purpose of any existing section or committee, the continuance of which is contemplated after the section is established;
   b. Proposed bylaws of the section, which must contain a definition of its purpose;
   c. The names of any proposed committees of the section;
   d. A proposed budget of the section for the first two years of its operation;
   e. A list of members of the Bar who have signed statements that they intend to apply for membership in the section;
   f. A statement of the need for the proposed section.
2. The BOG may create a new section by combining sections as set forth in these Bylaws.

C. Membership

1. Any Active member of the Bar may be a voting member of a section and eligible for election to office in the section upon paying the annual dues established by the section. Inactive members may not be voting members of sections.
2. If provided for in the section bylaws, any Pro Bono member pursuant to APR 3(g), Judicial member, House Counsel under APR 8(f), professor at a Washington law school (whether licensed in Washington or not), or any lawyer who is a full time lawyer in a branch of the military who is stationed in Washington but not licensed in Washington, may be a voting member of the section and eligible for election to office in the section.
3. Law students will be allowed to be nonvoting members of any section at a standard annual dues amount set by the BOG.
4. Sections may adopt bylaw provisions authorizing inactive members, and others not eligible for section membership as voting members, to be nonvoting members or “subscribers” of the section.

D. Dues

Dues will be paid annually in the amount determined by the section executive committee and approved by the BOG. Any person who fails to pay the annual dues will cease to be a member of the section.

E. Bylaws and Policies

Sections are subject to all Bar Bylaws, policies, and procedures. Each section must have bylaws consistent with the Bar Bylaws. Amendments to section bylaws may be made by a majority vote of the voting executive committee members or by a majority vote of section members present at a section meeting. Section bylaws or amendments thereof will become effective when approved by the BOG.

b. Transfer from Judicial to Active.

A Judicial member may request to transfer to any other status, including Active. Upon a Judicial member’s resignation, retirement, or completion of such member’s term of judicial office, such member must notify the Bar within 10 days, and any Judicial member desiring to continue his or her affiliation with the Bar must change to another membership status within the Bar.

1) A Judicial member who has complied with all requirements for maintaining eligibility to return to another membership status may transfer to Active by submitting an application for change to Active membership status and

TO:        WSBA Board of Governors  
FROM:  Renata de Carvalho Garcia, Chief Regulatory Counsel  
DATE:  October 21, 2020  
RE:  Proposed Amendments to Admissions Policies of the Washington State Bar Association

**ACTION**: The Regulatory Services Department asks the Board of Governors to approve proposed amendments to the Admissions Policies of the Washington State Bar Association with an effective date of February 1, 2021

**BACKGROUND**
The Admissions Policies adopted by the Board of Governors supplement the Washington Supreme Court’s Admission and Practice Rules (APR). Many of the policies are adopted because the Court has directed through court rule that the WSBA establish policies for various details regarding applications for the admission to the practice of law in Washington. See, for example, APR 3(i) which directs the Bar to prescribe the form and manner of the application, pay a fee set by the Board of Governors, and establish policies for refunds and transfers of applications. Other policies are adopted to ensure consistent administration and handling of all applications for admission and to provide direction to the staff of the Regulatory Services Department.

The Admissions Policies are not amended frequently. Usually there is a significant change in procedures, technology or exam format that precipitates a review and the necessity to amend the policies. When a precipitating event occurs, all policies are reviewed and amended as necessary to be current with new or anticipated procedures. Currently, the Regulatory Services Department is working toward implementation of a new online admissions site that will allow applicants of all the various application types for a license or admission to practice law to be completed and submitted online. Thus, the need for the amendments to the Admissions Policies being proposed at this time.

**EXPLANATION OF CHANGES**
The primary reasons for proposing amendments at this time is to make sure that the policies align with the technical requirements for the new online admissions site, include all license types that will be submitting applications online with a fee, and incorporate new or anticipated procedures or processes brought about by changes in technology, efficiencies or to replace outdated procedures or processes.

The new online admissions site will allow for online filing of applications for all license types. Thus, these amendments add foreign law consultants and house counsel to the types of applicants that will adhere to the relevant admissions policies. In addition, under an anticipated change in procedure with the new online admissions site, there will not be a “foreign” applicant type. Instead, applicants who are lawyers or who have a law degree from outside the United States will be handled almost entirely the same as any other general or attorney applicant and have the same application filing deadlines.
Three pre-exam deadlines are modified under these amendments. First, the deadline to request accommodations under the Americans with Disabilities Act has been modified to be 45 days prior to the first day of the exam instead of 80 days. This will allow applicants with disabilities more time to complete medical appointments and gather necessary documentation. The second modification is to change the deadline for resolution of character and fitness issues to 18 days prior to the exam rather than 60 days prior. This is consistent with the deadlines for all other applicants to complete any missing application materials and allows more opportunity for more applicants with character and fitness issues to avoid a delay in sitting for the exam. Lastly, the deadline to withdraw from an exam with a partial refund has also been changed to 18 days prior to the first day of the exam instead of 60 days prior. This aligns with the deadline applicants have to complete and resolve all missing application materials, information and issues. We expect a negligible financial impact due to this amendment.

There is a new provision that permits the LLLT Board and Limited Practice Board to establish a different exam schedule and application deadlines. The primary reason for this provision is to permit the LLLT Board to have a final LLLT exam outside the regular schedule prior to the sun-setting of the LLLT program as decided by the Washington Supreme Court. We do not anticipate that either board will deviate from the regular exam schedule except for one instance in the Spring of 2022.

The amendments to the sections related to character and fitness, the NCBE report, and ADA accommodations clarify and expand on current procedures and processes.

ILG Exam360 is the company that is providing the new online admissions site. In addition, ILG is the provider for the testing software used by the examinees during the exams. These amendments make that change in provider and related policies of ILG relating to software for those using a laptop during the exam.

The amendments also remove an antiquated policy of posting the names of the successful exam applicants at the headquarters of the Bar. At one time, this may have served a purpose, however, in modern times posting on the website reaches a much larger audience and very few members, and even fewer members of the public, visit the Bar office.

Finally, there is a new provision relating to applicants who transfer a UBE score from another jurisdiction. This provision would allow a person to apply in Washington as a UBE score transfer applicant while at the same time applying elsewhere to actually take the UBE. It clarifies that one cannot be both an exam and score transfer applicant.

EFFECTIVE DATE
We ask that the amendments take effect on February 1, 2021. The reason for this date is because the first exams using the new online admissions site will be Summer 2021. The application period opens on February 1, 2021, for the summer exams. Applicants will begin preparing their applications earlier than that so the sooner the policies are approved, the better prepared applicants will be because they will have knowledge of the policies that will apply to their applications.

CONCLUSION
As described above, the proposed amendments seek to align policies with current, new or anticipated procedures related to changes in the times and in technology and are meant to provide guidance to and efficiency for the staff and consistency in application of the rules and policies for all applicants. An effective date of February 1, 2021, is necessary so that all applicants for the Summer 2021 exams are operating under the same policies.

Payments received or postmarked after the first deadline will incur a late filing fee as outlined in section II (B). Applications will not be accepted if payment is received or postmarked after the final deadline.

B. NCBE Investigation Fee

Applications for General Applicants applying under APR 3(b)(4)(B), House Counsel Applicants, Foreign Law Consultant Applicants, and all Attorney Applicants, except for applicants eligible for military spouse admission by motion under APR 3(c)(2), are referred to the National Conference of Bar Examiners (NCBE) for verification and investigation of the information in the application. Applicants are required to pay a nonrefundable investigation fee to the NCBE. See section V of these policies for all NCBE requirements.
C. **Withdrawals and Refunds**

For all applicants, the application fee includes a non-refundable administrative processing fee as set forth below. An exam applicant must withdraw an application at least 18 days prior to the date of the examination for a partial refund. All other applicants must withdraw their applications no later than one year after filing the application to receive a partial refund. The Bar will issue a refund of the application fee less the administrative fee. Any late filing fees paid and any investigation costs are nonrefundable. No refunds will be issued for withdrawals or disqualifications made less than 18 days prior to the date of the exam. Exam applicants forfeit all fees if they do not show up for the exam.

The partial refund policy applies to applications that are disqualified.

**Administrative Fee (nonrefundable portion of application fee):**

- General, Attorney, House Counsel and Foreign Law Consultant Applicants ...... $300
- LLLT Applicants .......................................................... $150
- LPO Applicants .............................................................. $100

If there are extraordinary circumstances that prevent an applicant from taking the examination (e.g., a serious medical emergency, death in the immediate family, significant health problems, house fire), a written request must be delivered to the Bar within 18 days after the exam in order to receive a partial refund as set forth above. The Bar may require the applicant to submit supporting documentation for the request.

For good cause shown, Bar staff has discretion to change the application type upon request of the applicant and transfer any application fee already paid to the new application type.

**IV. CHARACTER & FITNESS REVIEW**

All applicants are subject to a character and fitness review prior to being admitted to practice law in Washington State. The responsibility for full disclosure rests entirely upon the applicant. Permission to sit for the examination or admission to practice law may be withheld pending a hearing before the Character and Fitness Board and a final determination by the Washington Supreme Court regarding whether the applicants have met their burden of proving that they are of good moral character, fit to practice law and have met the Essential Eligibility Requirements. See APR 20-24.3. Factors considered by Admissions staff and Bar Counsel when determining whether an applicant should be referred to the Character and Fitness Board are set forth in APR 21(a).

Washington requires resolution of all character and fitness issues at least 18 days prior to sitting for the exam. Exam applicants with unresolved character and fitness issues after this deadline will not be permitted to sit for the exam and will have their application transferred to the next exam. Applicants may choose to withdraw from the exam and receive a partial refund if the request is made at least 18 days prior to the first day of the exam in lieu of transferring to the next exam. Therefore, applicants who disclose any information that may raise an issue of character or fitness are advised to file their applications early in the registration period. Early filing or providing information prior to the 18 day deadline does not guarantee all issues will be resolved 18 days prior to the exam.
V. NCBE REPORT REQUIREMENT

Applications for General Applicants applying under APR 3(b)(4)(B), House Counsel Applicants, Foreign Law Consultant Applicants, and all Attorney Applicants, except for applicants eligible for military spouse admission by motion under APR 3(c)(2), are referred to the National Conference of Bar Examiners (NCBE) for verification and investigation of the information in the application. Applicants who have an application that is referred to the NCBE will be contacted by the NCBE and required to pay an investigation fee and submit authorization and release forms directly to the NCBE. The Bar cannot finish processing applications until the report is received from the NCBE.

Applicants applying for an exam will not be allowed to sit for the exam if the Bar does not receive a report back from the NCBE at least 18 days prior to the first day of the exam; in that case, the application will be transferred to the next exam.

Applicants may choose to withdraw from the exam and receive a partial refund if the request is made at least 18 days prior to the first day of the exam in lieu of transferring to the next exam.

NCBE reports are valid for one calendar year from the date the Bar receives the completed report from the NCBE, after which a supplemental or new NCBE report will be required. See the NCBE website for additional information: http://www.ncbex.org/character-and-fitness/jurisdiction/wa.

VI. REASONABLE ACCOMMODATIONS UNDER THE ADA

Any applicant with a disability for which reasonable accommodation is needed must request such accommodation through the online admissions site at least 45 days prior to the examination date. Applicants requesting reasonable accommodations because of disabilities must provide appropriate documentation of the disability and specify the extent to which the standard testing procedures need to be modified. The burden of proof is on the applicant to show the need for any reasonable accommodations. The Bar reserves the right to make final judgment concerning testing accommodations and may have documentation reviewed by a medical specialist, psychologist or learning disability specialist. See the online admissions site for additional information regarding accommodations requests and required documentation.

Any reasonable accommodation may not compromise the integrity or security of the examination or affect the standards set for the examination. The Bar and any applicant granted accommodations must agree to and accept the terms and conditions of the accommodations no less than 18 days prior to the first day of the examination.

VII. SPECIAL REQUESTS FOR THE EXAM ROOM

For good cause shown, applicants may be permitted to bring otherwise prohibited items into the exam room. Examples of items are: pillows/lumbar supports, ergonomic chairs, book stand, wrist rest, medication, external keyboard or mouse, and religious headgear. In addition, applicants may request a specific seating location in the exam room due to a medical condition.

The Bar will provide a room for nursing mothers upon request. Nursing mothers may use the nursing room before and after the exam, during breaks and during the exam. An applicant must be accompanied by a proctor if the nursing room is used during the exam session.
All special requests for an exam must be made on the online admissions site no less than 18 days prior to the first day of the exam. All requests must be supported (if applicable) by a doctor’s note.

**VIII. LAPTOP USE AND EXAM360 SOFTWARE**

Applicants for an exam requesting to use a laptop computer for the written portions of the exam must register, pay for, and download software from ILG Exam360. Exam360 must be purchased and downloaded for each administration of the exam, even if used in the past. Fees paid to ILG Exam360 are nonrefundable and nontransferrable. Laptop users must sign a waiver of liability on exam day. Applicants who do not purchase and download the software by 18 days prior to the exam will be required to handwrite the exam.

If an exam applicant’s laptop fails prior to the exam, the applicant must contact ILG Exam360 to download Exam360 again.

**IX. EXAMINATION PROVISIONS**

**A. Grading and Results for All Examinations**

(1) All applicants for all exams are to abide by the Exam Security Policy as established by the Bar.

(2) Grading of examinations shall be anonymous. Graders shall be provided exam answers with only the applicant ID number to identify to whom the answer belongs. Names or other personal information that would identify an applicant is not provided to the graders. All information matching names and numbers of the applicants shall be kept in the custody of the Bar until all examinations have been graded and each examination has been given either a pass or fail grade by applicant number only.

(3) There is no review or appeal of final examination results. APR 4(b).

(4) The names of successful applicants will be posted on the Bar’s website.

(5) Unsuccessful exam applicants may reapply and retake the exam in the same manner as any other applicant.

**B. Lawyer Bar Examination**

(1) All lawyer bar exam applicants must pass the Uniform Bar Exam prepared and coordinated by the National Conference of Bar Examiners. The UBE consists of Multistate Bar Exam (MBE), Multistate Essay Exam (MEE) and Multistate Performance Test (MPT) questions. The UBE is administered over two days in accordance with the procedures established by the NCBE.

(2) The Board of Bar Examiners is responsible for the grading of the MEE and MPT questions on the UBE. In order to assure fairness and uniformity in grading, the Board of Bar Examiners shall follow NCBE-prescribed standards for grading to be used by all graders. The Board of Bar Examiners shall, as soon as practicable and within any guidelines prepared by the NCBE, certify the scores on the MEE and MPT portions for all applicants who have taken the UBE.
(3) Upon completion of the grading and certification, the Bar shall cause each lawyer bar exam applicant to be notified of the result of the examination. All results shall be reported to the NCBE in accordance with procedures established by the NCBE. All scaled scores and the applicant’s national percentile rank for the MBE will also be reported to the applicant’s law school.

(4) All lawyer bar exam applicants will be provided with the scaled written (MEE+MPT) score, scaled MBE score, total scaled UBE score and their national percentile rank for the MBE. Unsuccessful lawyer bar exam applicants will receive copies of their written essay and performance test questions and answers and written raw scores. No other raw scores, results information or examination materials will be provided to the applicants.

C. Washington Law Component

All applicants qualifying for admission as a lawyer under APR 3 must pass the Washington Law Component (WLC). The WLC is comprised of online materials and an online multiple choice test based on areas or subjects of law that are specific to Washington State. The Board of Bar Examiners is responsible for the content of the WLC and shall publish the Washington state specific materials for applicants.

The WLC is self-administered by applicants and is available to applicants after submitting the application. There is no fee to take the WLC. The WLC is an open-book test. Applicants may take the WLC as many times as necessary to achieve the minimum pass score. There is a mandatory waiting period of 24 hours after failing to pass the WLC the first time. Subsequent fails of the WLC require a 72 hour waiting period before retaking the test. The WLC minimum pass score is 80% correct. If an applicant fails the UBE or withdraws from the UBE after taking the WLC, that applicant must retake the WLC after applying for the next UBE administration.

X. UBE Score Transfer Applicant Provisions

UBE score transfer applicants must have a qualifying UBE score and must meet one of the qualifications for lawyer bar examination applicants as set forth in APR 3(b).

UBE score transfer applicants may apply in Washington as a UBE score transfer applicant while applying in a different UBE jurisdiction to take the UBE, with the intent of transferring a qualifying score from that jurisdiction to Washington. The applicant must notify the Bar of the jurisdiction where the applicant will take the UBE.

Applicants are not permitted to apply at the same time for admission in Washington as both an applicant to take the UBE in Washington and an applicant seeking to transfer a UBE score to Washington.
ADMISSIONS POLICIES OF THE WASHINGTON STATE BAR ASSOCIATION

Under the authority of, and consistent with, the Washington Supreme Court’s Admission and Practice Rules, the Board of Governors of the Washington State Bar Association (Bar) has adopted the following Admissions Policies in administering those rules. These policies apply to individuals seeking admission to the Bar as a lawyer, limited license legal technician (LLLT), or limited practice officer (LPO), house counsel or foreign law consultant, and These policies supplement APR 3-5, 8(f), 14 and 20-25. The Bar will issue a refund of the application fee less the administrative fee. Any late filing fees paid, and any investigation costs are nonrefundable. No refunds will be issued for withdrawals requested, or disqualifications made, less than 60 18 days prior to the date of the exam. Exam applicants forfeit all fees if they do not show up for the exam.

Applicants with an admission by motion or UBE score transfer application who withdraw their application will receive a refund less the administrative fee provided the application is withdrawn less than 12 months after filing it.
The partial refund policy applies to applications that are disqualified.

Administrative Fee (nonrefundable portion of application fee):

- General, Attorney, House Counsel and Foreign Law Consultant Applicants: $300
- LLLT Applicants: $150
- LPO Applicants: $100

If there are extraordinary circumstances that prevent an applicant from taking the examination (e.g., a serious medical emergency, death in the immediate family, significant health problems, house fire), a written request must be delivered to the WSBA Bar within 18 days after the exam in order to receive a partial refund as set forth above. The Bar may require the applicant to submit supporting documentation for the request.

For good cause shown, Bar staff has discretion to change the application type upon request of the applicant and transfer any application fee already paid to the new application type.

IV. CHARACTER & FITNESS REVIEW

All applicants are subject to a character and fitness review prior to being admitted to practice law in Washington State. The responsibility for full disclosure rests entirely upon the applicant. Permission to sit for the examination or admission to practice law may be withheld pending a hearing before the Character and Fitness Board and a final determination by the Washington Supreme Court regarding whether the applicants have met their burden of proving that they are of good moral character, fit to practice law and have met the Essential Eligibility Requirements. See APR 20-24.3. Factors considered by Admissions staff and Bar Counsel when determining whether an applicant should be referred to the Character and Fitness Board are set forth in APR 21(a).

Washington requires resolution of all character and fitness issues at least 60 18 days prior to sitting for the exam. Exam applicants with unresolved character and fitness issues after this deadline will not be permitted to sit for the exam and will have their application transferred to the next exam. Applicants may choose to withdraw from the exam and receive a partial refund if the request is made at least 18 days prior to the first day of the exam in lieu of transferring to the next exam. Therefore, applicants who disclose any information that may raise an issue of character or fitness are advised to file their applications early in the registration period. Early filing or providing information prior to the 18 day deadline does not guarantee all issues will be resolved 60 18 days prior to the exam.

The WSBA Character and Fitness Board will not consider applications from attorney applicants including foreign attorney applicants who are currently under disciplinary suspension from another jurisdiction in which they are admitted to practice law.

V. NCBE REPORT REQUIREMENT FOR ATTORNEY AND FOREIGN APPLICANTS

Applications for General Applicants applying under APR 3(b)(4)(B), House Counsel Applicants, Foreign Law Consultant Applicants, and all Attorney Applicants, except for applicants eligible for military spouse admission by motion under APR 3(c)(2), are referred to the National Conference of Bar Examiners (NCBE) for verification and investigation of the information in the application. All attorney and foreign applicants will have their applications investigated and verified by the National Conference of Bar...
Examiners (NCBE). Applicants who have an application that is referred to the NCBE will be contacted by the NCBE and required to pay an investigation fee and submit authorization and release forms directly to the NCBE. The Bar cannot finish processing applications until the report is received from the NCBE.

Attorney applicants Applicants applying for an exam will not be allowed to sit for the exam if the WSBA Bar does not receive a report back from the NCBE at least 18 days prior to the first day of the exam; in that case, the application will be transferred to the next exam. Foreign applicants must apply during the application period for the exam prior to the one they want to take (see Application Filing Deadlines in section II B).

All applicants will be given the option to transfer their registration fees and application to the next exam if the character and fitness review is not complete or the NCBE report is not received by the appropriate deadline. Applicants may also choose to withdraw from the exam and receive a partial refund if the request is made at least 60 days prior to the first day of the exam in lieu of transferring to the next exam.

NCBE reports are valid for one calendar year from the date the Bar receives the completed report from the NCBE, after which a supplemental or new NCBE report will be required. See the NCBE website for additional information: http://www.ncbex.org/character-and-fitness/jurisdiction/wa. Applications with a completed NCBE report may be used for two consecutive exam cycles after which a new investigation will be required.

VI. REASONABLE ACCOMMODATIONS UNDER THE ADA

Any applicant with a disability for which reasonable accommodation is needed must request such accommodation in writing through the online admissions site at least 80 days prior to the examination date. Applicants requesting reasonable accommodations because of disabilities must provide appropriate documentation of the disability and specify the extent to which the standard testing procedures need to be modified. The burden of proof is on the applicant to show the need for any reasonable accommodations. The Bar reserves the right to make final judgment concerning testing accommodations and may have documentation reviewed by a medical specialist, psychologist or learning disability specialist. See the online admissions site for additional information regarding accommodations requests and required documentation.

Any reasonable accommodation may not compromise the integrity or security of the examination or affect the standards set for the examination. The Bar and any applicant granted accommodations must agree to and accept the terms and conditions of the accommodations no less than 60 days prior to the first day of the examination.

VII. SPECIAL REQUESTS FOR THE EXAM ROOM

For good cause shown, applicants may be permitted to bring otherwise prohibited items into the exam room. Examples of items are: pillows/lumbar supports, ergonomic chairs, book stand, wrist rest, medication, external keyboard or mouse, and religious headgear. In addition, applicants may request a specific seating location in the exam room due to a medical condition.
The WSBA Bar will provide a room for nursing mothers upon request. Nursing mothers may use the nursing room before and after the exam, during breaks and during the exam. An applicant must be accompanied by a proctor if the nursing room is used during the exam session.

All special requests for the lawyer bar exam must be made on the online admissions site using the special request tool at least no less than 18 days prior to the first day of the exam. All requests from LLLT and LPO applicants must be in writing. All requests must be supported (if applicable) by a doctor’s note.

VIII. LAPTOP USE AND EXAMSOFT EXAM360 SOFTWARE

Applicants for the lawyer bar exam requesting to use a laptop computer for the MEE and MPT written portions of the exam must register, pay for, and download software from ExamSoft ILG Exam360. Lawyer bar exam applicants using a laptop are required to purchase and download the Examsoft software Exam360 must be purchased and downloaded for each administration of the exam, even if they have used it in the past. Fees paid to ExamSoft ILG Exam360 are nonrefundable and nontransferable. Lawyer bar exam applicants who will be using a laptop to take the exam must sign a waiver of liability on exam day. Lawyer bar exam applicants who do not purchase and download the software by 18 days prior to the exam will be required to handwrite the exam.

If an exam applicant’s laptop fails prior to the exam, the applicant must contact ILG Exam360 to download Exam360 again.

IX. EXAMINATION PROVISIONS

A. Grading and Results for All Examinations

(1) All applicants for all exams are to abide by the Exam Security Policy as established by the Bar.

(2) Grading of examinations shall be anonymous. Graders shall be provided exam answers with only the applicant ID number to identify to whom the answer belongs. Names or other personal information that would identify an applicant is not provided to the graders. All information matching names and numbers of the applicants shall be kept in the custody of the Bar until all examinations have been graded and each examination has been given either a pass or fail grade by applicant number only.

(3) There is no review or appeal of final examination results. APR 4(b).

(4) The names of successful applicants shall will be posted at the headquarters of the Bar and on the Bar’s website.

(5) Unsuccessful exam applicants may reapply and retake the exam in the same manner as any other applicant.

B. Lawyer Bar Examination

(1) All lawyer bar exam applicants must pass the Uniform Bar Exam prepared and coordinated by the National Conference of Bar Examiners. The UBE consists of Multistate Bar Exam (MBE), Multistate Essay Exam (MEE) and Multistate Performance Test (MPT) questions. The UBE is administered over two days in accordance with the procedures established by the NCBE.
The Board of Bar Examiners is responsible for the grading of the MEE and MPT questions on the UBE. In order to assure fairness and uniformity in grading, the Board of Bar Examiners shall follow NCBE-prescribed standards for grading to be used by all graders. The Board of Bar Examiners shall, as soon as practicable and within any guidelines prepared by the NCBE, certify the scores on the MEE and MPT portions for all applicants who have taken the UBE.

Upon completion of the grading and certification, the Bar shall cause each lawyer bar exam applicant to be notified of the result of the examination. All results shall be reported to the NCBE in accordance with procedures established by the NCBE. All scaled scores and the applicant’s national percentile rank for the MBE will also be reported to the applicant’s law school.

All lawyer bar exam applicants will be provided with the scaled written (MEE+MPT) score, scaled MBE score, total scaled UBE score and their national percentile rank for the MBE. Unsuccessful lawyer bar exam applicants will receive copies of their written essay and performance test questions and answers and written raw scores. No other raw scores, results information or examination materials will be provided to the applicants.

C. Washington Law Component

All applicants qualifying for admission as a lawyer under APR 3 must pass the Washington Law Component (WLC). The WLC is comprised of online materials and an online multiple choice test based on areas or subjects of law that are specific to Washington State. The Board of Bar Examiners is responsible for the content of the WLC and shall publish the Washington state specific materials for applicants.

The WLC is self-administered by applicants and is available to applicants after filing the application for the bar exam. There is no fee to take the WLC. The WLC is an open-book test. Applicants may take the WLC as many times as necessary to achieve the minimum pass score. There is a mandatory waiting period of 24 hours after failing to pass the WLC the first time. Subsequent fails of the WLC require a 72 hour waiting period before retaking the test. The WLC minimum pass score is 80% correct. If an applicant fails the UBE or withdraws from the UBE after taking the WLC, that applicant must retake the WLC after applying for the next UBE administration.

X. UBE Score Transfer Applicant Provisions

UBE score transfer applicants must have a qualifying UBE score and must meet one of the qualifications for lawyer bar examination applicants as set forth in APR 3(b).

UBE score transfer applicants may apply in Washington as a UBE score transfer applicant while applying in a different UBE jurisdiction to take the UBE, with the intent of transferring a qualifying score from that jurisdiction to Washington. The applicant must notify the Bar of the jurisdiction where the applicant will take the UBE.

Applicants are not permitted to apply at the same time for admission in Washington as both an applicant to take the UBE in Washington and an applicant seeking to transfer a UBE score to Washington.
In April 2020, the Washington Supreme Court approved amendments to the WSBA Bylaws regarding Article IV. Governance and Article VI. Elections. The approved amendments included, 1) changes to the Governor At Large positions from appointed by the Board to elected by WSBA members and, 2) the candidates for two of the At Large positions to be identified by the Washington Diversity Committee.

However, remnants of the previous processes remain in Article VI. These remnants include, 1) an appointment process and requisite deadline for the At Large positions and, 2) a requisite timeline for the congressional district elections that does not include the At Large positions nor account for the aforementioned committee’s obligations within the Bylaws. Therefore, the goal of the proposed amendments is to align processes and modify the overall timeline for Governor elections in advance of the next regular election in 2021. To summarize, the draft amendments:

- remove reference to appointment process for the At Large positions,
- expand the reference to an election to be inclusive of both Congressional and At Large positions, unless the distinction is necessary,
- modify timelines,
- clarify the mechanism for placing committee nominees on the ballot when no Board action is required and
- include copy edit changes throughout for consistency.

The proposed amendments include feedback from the staff liaisons for both the Diversity and Washington Young Lawyers Committees. The Washington Diversity Committee and Washington Young Lawyers Committee are aware of the need to update the Bylaws to clarify the election process. The Chair(s) of both committees have received these amendments and been invited to provide feedback. It is anticipated that both committees will discuss these amendments at their respective meetings in November and December. Additionally, given that the draft timeline may overlap with some section elections, feedback has been solicited from section leaders.

Note: a ‘calendar look’ of the shift in the overall Board elections timeline set forth in these amendments can be found on the next page.

VI. ELECTIONS

A. ELIGIBILITY FOR MEMBERSHIP ON BOARD OF GOVERNORS

1. Governors from Congressional Districts: Any Active member of the Bar, except a person who has previously served as a Governor for more than 48 consecutive months, may be nominated or apply for election as Governor from the Congressional District, or geographic regions within the Seventh Congressional District, in which such person resides.

Members that have served as Governors for more than 48 consecutive months at time of filing an application, are not eligible to be nominated or apply for election or appointment as Governor from the Congressional District, At-Large Governor position, or geographic regions within the Seventh Congressional District, in which such person resides, for a period of 36 months after the conclusion of that term of service.

2. At Large Governors: There will be a total of three At Large Governor positions.
   a. Two At Large (“Member At Large Governor”) Positions: Any Active member of the Bar, except a person who has previously served as a Governor for more than 48 consecutive months, may be nominated or apply.
   b. One Young Lawyer (“Young Lawyer At Large Governor”) Position: Any Active lawyer member of the Bar who qualifies as a Young Lawyer as set forth in these Bylaws, except for a person who has previously served as a Governor for more than 48 consecutive months, may be nominated or apply.

3. Filing of nominations and applications must be in accordance with this Article.

B. NOMINATIONS AND APPLICATIONS

1. Applications for the Board of Governors must be filed in the office of the Bar not later than 5:00 p.m., on the 15th day of March of the year in which the election is to be held. If this day falls on a day in which the office of the Bar is closed, the deadline will be 500 p.m. of the following business day.

2. Applications for the position of President-elect must be filed by the deadline set forth in the notice published in the Bar’s official publication and posted on the Bar’s website; notice must be given not less than 30 days before the filing deadline.

3. In the event no application is made for a seat, the position will be treated, advertised, and filled by Board appointment until the next election cycle only, in which the position will be included in the election cycle for the remaining term.

C. ELECTION OF GOVERNORS
1. Election of one Governor from each Congressional District and for the At Large positions will be held every three years as follows:
   a. Third, Sixth, Eighth Congressional Districts and the North region of the Seventh Congressional District and one At Large Member Governor – 2014 and every three years thereafter.
   b. First, Fourth, Fifth Congressional Districts and the South region of the Seventh Congressional District and one At Large Young Lawyer Governor – 2015 and every three years thereafter.
   c. Second, Ninth and Tenth Congressional Districts and one At Large Member Governor – 2013 and every three years thereafter.

2. Voting in the Election of Governors will be conducted in the following manner:
   a. Eligibility to Vote. All Active members, as of May 1st of each year, are eligible to vote in the BOG election. For Congressional Districts, all Active members are eligible to vote in the BOG election for their district, subject to the election schedule shown above. Active members residing in the State of Washington may only vote in the district in which they reside. Active members residing outside the State of Washington may only vote in the district of the address of the agent they have designated within the State of Washington for the purpose of receiving service of process as required by APR 13, or, if specifically designated to the Executive Director, within the district of their primary Washington practice.
   b. Ballots. On June 1st of each election year, the Executive Director will ensure delivery of ballots containing the names of all candidates for Governor for each District and At Large Governor seats in which an election is to be held to each Active member eligible to vote. Elections will be conducted electronically using a secure process ("electronic voting"). Active members who are eligible to vote in an election may request a paper ballot to be used in place of the electronic ballot. Electronic ballots will be sent to active members eligible to vote in an election, and will include information about how to vote by electronic voting. Should any Active member eligible to vote fail to receive a ballot, or receive a defective ballot, the member may obtain a replacement ballot by furnishing proof of eligibility to the Executive Director, and upon returning the defective ballot if the member received a paper ballot.
   c. Voting Procedure. Each Active member eligible to vote in the election may vote in one of the following ways. Each member has only one vote. Only one vote will be counted from any member who inadvertently votes both by paper ballot and by electronic means:
      1) By paper ballot. Paper ballots will be available upon request. The member must submit the request by June 1st and cause the envelope containing the ballot to be delivered to the office of the Bar by no later than 5:00 p.m. (PDT) on June 15th of that election year. Alteration of or addition to the ballot, other than the marking of the member’s choice, invalidates the ballot.
      2) By electronic voting. Voters will be sent links to their ballots via email. Voting must be completed by no later than 5:00 p.m. (PDT) on June 15th of that election year.
   d. Voting System. In any election for membership on the BOG, if there is only one qualified candidate nominated, then that candidate will be declared elected. If there are only two candidates for a position, then the candidate receiving the highest number of votes will be
declared elected. If there are more than two candidates, and if no candidate receives more than 50% of the total vote, the two candidates receiving the highest number of votes will participate in a run-off election. In the event of a tie for the second highest vote total, all candidates who are tied will participate in the run-off election along with the candidate who received the most votes.

If a run-off election is necessary, the Executive Director in consultation with the President will designate the date for delivering the ballots and the deadline for voting, which will be no later than 5:00 p.m. (PDT), June 30th. The candidate receiving the highest number of votes will be declared elected.

e. Checking and Custody of Ballots. The Executive Director will maintain custody of all satisfactorily identified and signed paper ballot envelopes, segregated as to position. The paper ballot will remain in the custody of the Executive Director until counted. Any paper ballots not enclosed in an envelope, satisfactorily identified and signed, will not be counted.

f. Electronic votes must be verified and securely stored by the online voting vendor.

g. Counting of Ballots. Paper ballots will be counted by the Executive Director or their designee under the supervision of the Election Board, and electronic ballots will be counted by the online voting vendor. The ballot verification process will be supervised by an Election Board of not less than three Active members appointed by the President. At least two members of the Election Board must be present (in person or by video conference) at any count of paper ballots. Any Active member of the Bar may be present at such count of paper ballots.

The Executive Director will establish and follow a procedure that will ensure that no member’s vote is counted more than once.

Promptly upon determination of the election results, the Election Board will forward the results to the Executive Director, who will notify each candidate as promptly as reasonably possible of the result of the election and publicly announce the election of the successful candidates. Official written notice of the election results also will be emailed to each candidate.

h. Retaining Ballots. All paper ballots and identifying return envelopes must be retained in the custody of the Executive Director. The elections vendor must retain the electronic voting data, and maintain an auditable trail of the election, for no less than 90 days after the close of the election.

i. If no challenge to the ballot count has been made after 90 days, the ballots and identifying return envelopes may be destroyed, and the Executive Director will notify the vendor to destroy the data and auditable trail for that election.

3. Eligibility Requirements: Election of At Large Governors

At-Large Governors shall be elected by the Members as follows:

a. Member At Large Governors: After notice of the position has been adequately provided to all members, the Diversity Committee shall forward at least three candidates who have the
experience and knowledge of the needs of those members whose membership is or may be historically underrepresented in governance, or who represent some of the diverse elements of the public of the State of Washington, to the end that the BOG will be a more diverse and representative body than the results of the election of Governors based solely on Congressional Districts may allow. Underrepresentation and diversity may be based upon, but not be limited to age, race, gender, sexual orientation, disability, geography, areas and types of practice, and years of membership, provided that no single factor will be determinative. The Executive Director shall then place all candidates forwarded by the Diversity Committee on the ballot to be elected by all eligible voting members. If the Diversity Committee forwards less than three candidates, the Executive Director shall notify the BOG, which may, at its option, select additional qualifying candidates on its own or place only those candidates forwarded by the Diversity Committee on the ballot to be elected by all eligible voting members.

b. Young Lawyer At Large Governor: The Washington Young Lawyers Committee shall forward at least three candidates to the BOG who qualify as Young Lawyers as defined by Article XII(B) of these Bylaws in the year of the election. The BOG shall then place all candidates forwarded by the Washington Young Lawyers Committee on the ballot to be elected by a vote of all Young Lawyer Members as defined in section XII(B) of these Bylaws. If the Washington Young Lawyers Committee forwards less than three candidates the BOG may, at its option, select additional qualifying candidates on its own or place only those candidates forwarded by the Washington Young Lawyers Committee on the ballot to be elected by a vote of all Young Lawyer Members as defined in section XII(B) of these Bylaws.

D. ELECTIONS BY BOARD OF GOVERNORS

1. Office of President-Elect.
The BOG will elect an Active lawyer member of the Washington State Bar Association to serve as President-elect. The election shall take place during a BOG meeting not later than the 38th week of each fiscal year, and will be by secret written ballot. The President-elect will take office upon the incumbent President-elect becoming President or upon vacancy of the office of President-elect.

If at the time of election, no President-elect in the preceding three years was an individual whose primary place of business was located in Eastern Washington, the President-elect must be an individual whose primary place of business is located in Eastern Washington. For purposes of these Bylaws, “Eastern Washington” is defined as that area east of the Cascade mountain range generally known as Eastern Washington. In any year where the President-elect must be an individual from Eastern Washington and no qualifying application is received within the timeframe allowed, the President will advise the BOG, and the BOG, at any regular meeting or special meeting called for that purpose, will establish procedures to re-open and extend the application period or otherwise address the issue. Such action by the BOG may include waiver of any geographic limitation for the year in question.

2. Treasurer
The Treasurer must be a current lawyer Governor and will be nominated and elected by the BOG at the second to the last regularly scheduled BOG meeting of the fiscal year. The Treasurer will be elected by simple majority of Governors voting. In the event there is more than one nomination, the vote will be by secret written ballot.

3. Election Procedures for President and President-elect
Elections of President and President-elect elections, and any other elections held by the BOG under these Bylaws, are conducted as follows:
   a. Notice of the position will be advertised in the Bar’s official publication and on the Bar’s website no less than 30 days before the filing deadline and must include the closing date and time for filing candidate applications.
   b. Following expiration of the closing date and time identified, all candidate names will be posted publicly.
   c. The BOG may appoint a committee to recommend candidates to the BOG from all who have submitted their applications for a position in a timely manner.
   d. All recommended candidates, or others as determined at the discretion of the BOG, will be interviewed in public session of the BOG’s meeting. Candidates who are competing for the same position must not be present for each other’s interviews.
   e. Discussion of the candidates will be in public session but candidates will be asked by the President not to be present.
   f. Election of candidates will be conducted by secret written ballot.
   g. If no candidate for a given position receives a majority of the votes cast, the two candidates receiving the highest number of votes will be voted on in a run-off election. In the event of a tie for the second highest vote total, all candidates who are tied will participate in the run-off election along with the candidate who received the most votes. The candidate with the most votes in the run-off will be deemed the winner.
   h. Ballots will be tallied by three persons designated by the President, one of whom will be the Executive Director.
   i. Proxy votes are not allowed; however, a Governor who participated in the interview and discussion process by electronic means may cast a vote telephonically via a confidential phone call with the Executive Director and the other persons designated by the President to count the ballots.
   j. The elected candidate will be announced publicly following the vote. However, the vote count will not be announced and all ballots will be immediately sealed to both the BOG and the public and remain in the custody of the Executive Director for 90 days, when they will be destroyed.

Sections E, F and G are unchanged.

The candidate receiving the highest number of votes will be declared elected.

e. Checking and Custody of Ballots. The Executive Director will deposit-maintain custody of all satisfactorily identified and signed paper ballot envelopes, in receptacles segregated as to Districts position. The receptacles-paper ballot will remain in the custody of the Executive Director until the ballots are counted. Any paper ballots not enclosed in an envelope, satisfactorily identified and signed, will not be counted.

f. Electronic votes must be verified and securely stored by the online voting vendor.

g. Counting of Ballots. Paper ballots will be counted by the Executive Director or their designee under the supervision of the Election Board in the office of the Bar, and electronic ballots, if any, will be counted by the online voting vendor and certified. The election-ballot verification process will be supervised by an Election Board of not less than three Active members appointed by the President. At least two members of the Election Board must be present (in person or by video conference) at any count of paper ballots. Any Active member of the Bar may be present at such count of paper ballots.

The Executive Director will establish and follow a procedure that will ensure that no member’s vote is counted more than once.
Promptly upon determination of the election results, the Election Board will forward the results to the Executive Director, who will notify each candidate as promptly as reasonably possible of the result of the election and publicly announce the election of the successful candidates. Official written notice of the election results also will be emailed to each candidate.

h. Retaining Ballots. All paper ballots and identifying return envelopes must be retained in the custody of the Executive Director. The elections vendor must retain the electronic voting data, and maintain an auditable trail of the election, for no less than 90 days after the close of the election.

i. If no challenge to the ballot count has been made after 90 days, the ballots and identifying return envelopes may be destroyed, and the Executive Director will notify the vendor to destroy the data and auditable trail for that election.

3. **Eligibility Requirements:** Election of At-Large Governors

At-Large Governors shall be elected by the Members as follows:

a. **Member At Large Governors:** After notice of the position has been adequately provided to all members, the Diversity Committee shall forward at least three candidates who have the experience and knowledge of the needs of those members whose membership is or may be historically underrepresented in governance, or who represent some of the diverse elements of the public of the State of Washington, to the end that the BOG will be a more diverse and representative body than the results of the election of Governors based solely on Congressional Districts may allow. Underrepresentation and diversity may be based upon, but not be limited to age, race, gender, sexual orientation, disability, geography, areas and types of practice, and years of membership, provided that no single factor will be determinative. The **BOG-Executive Director** shall then place all candidates forwarded by the Diversity Committee on the ballot to be elected by all eligible voting members. If the Diversity Committee forwards less than three candidates, the **Executive Director** shall notify the BOG, which may, at its option, select additional qualifying candidates on its own or place only those candidates forwarded by the Diversity Committee on the ballot to be elected by all eligible voting members.

b. **Young Lawyer At Large Governor:** The Washington Young Lawyers Committee shall forward at least three candidates to the BOG who qualify as Young Lawyers as defined by Article XII(B) of these Bylaws as of December 31 in the year of the election. The BOG shall then place all candidates forwarded by the Washington Young Lawyers Committee on the ballot to be elected by a vote of all Young Lawyer Members as defined in section XII(B) of these bylaws. If the Washington Young Lawyers Committee forwards less than three candidates the BOG may, at its option, select additional qualifying candidates on its own or place only those candidates forwarded by the Washington Young Lawyers Committee on the ballot to be elected by a vote of all Young Lawyer Members as defined in section XII(B) of these bylaws.
D. ELECTIONS BY BOARD OF GOVERNORS

1. Office of President-Elect.
The BOG will elect an Active lawyer member of the Washington State Bar Association to serve as President-elect. The election shall take place during a BOG meeting not later than the 38th week of each fiscal year, and will be by secret written ballot. The President-elect will take office upon the incumbent President-elect becoming President or upon vacancy of the office of President-elect.

If at the time of election, no President-elect in the preceding three years was an individual whose primary place of business was located in Eastern Washington, the President-elect must be an individual whose primary place of business is located in Eastern Washington. For purposes of these Bylaws, “Eastern Washington” is defined as that area east of the Cascade mountain range generally known as Eastern Washington. In any year where the President-elect must be an individual from Eastern Washington and no qualifying application is received within the timeframe allowed, the President will advise the BOG, and the BOG, at any regular meeting or special meeting called for that purpose, will establish procedures to re-open and extend the application period or otherwise address the issue. Such action by the BOG may include waiver of any geographic limitation for the year in question.

2. Treasurer
The Treasurer must be a current lawyer Governor and will be nominated and elected by the BOG at the second to the last regularly scheduled BOG meeting of the fiscal year. The Treasurer will be elected by simple majority of Governors voting. In the event there is more than one nomination, the vote will be by secret written ballot.

3. Election Procedures for President and President-elect
Elections of At Large Governors, President and President-elect elections, and any other elections held by the BOG under these Bylaws, except elections for the position of Treasurer, are conducted as follows:
   a. Notice of the position will be advertised in the Bar’s official publication and on the Bar’s website no less than 30 days before the filing deadline and must include the closing date and time for filing candidate applications.
   b. Following expiration of the closing date and time identified, all candidate names will be posted publicly.
   c. The BOG may appoint a committee to recommend candidates to the BOG from all who have submitted their applications for a position in a timely manner.
   d. All recommended candidates, or others as determined at the discretion of the BOG, will be interviewed in public session of the BOG’s meeting. Candidates who are competing for the same position must not be present for each other’s interviews.
   e. Discussion of the candidates will be in public session but candidates will be asked by the President not to be present.
   f. Election of candidates will be conducted by secret written ballot.
   g. If no candidate for a given position receives a majority of the votes cast, the two candidates receiving the highest number of votes will be voted on in a run-off election. In the event of a tie for the second highest vote total, all candidates who are tied will participate in the run-off.
election along with the candidate who received the most votes. The candidate with the most votes in the run-off will be deemed the winner.

h. Ballots will be tallied by three persons designated by the President, one of whom will be the Executive Director.

i. Proxy votes are not allowed; however, a Governor who participated in the interview and discussion process by electronic means may cast a vote telephonically via a confidential phone call with the Executive Director and the other persons designated by the President to count the ballots.

j. The elected candidate will be announced publicly following the vote. However, the vote count will not be announced and all ballots will be immediately sealed to both the BOG and the public and remain in the custody of the Executive Director for 90 days, when they will be destroyed.

Sections E, F and G are unchanged.

[Adopted effective September 1, 2007; amended effective September 1, 2017.]

GR 12.4
WASHINGTON STATE BAR ASSOCIATION ACCESS TO RECORDS

(a) Policy and Purpose. It is the policy of the Washington State Bar Association to facilitate access to Bar records. A presumption of public access exists for Bar records, but public access to Bar records is not absolute and shall be consistent with reasonable expectations of personal privacy, restrictions in statutes, restrictions in court rules, or as provided in court orders or protective orders issued under court rules. Access shall not unduly burden the business of the Bar.

(b) Scope. This rule governs the right of public access to Bar records. This rule applies to the Washington State Bar Association and its subgroups operated by the Bar including the Board of Governors, committees, task forces, commissions, boards, offices, councils, divisions, sections, and departments. This rule also applies to boards and committees under GR 12.3 administered by the Bar. A person or entity entrusted by the Bar with the storage and maintenance of Bar records is not subject to this rule and may not respond to a request for access to Bar records, absent express written authority from the Bar or separate authority in rule or statute to grant access to the documents.

(c) Definitions.

(1) "Access" means the ability to view or obtain a copy of a Bar record.

(2) "Bar record" means any writing containing information relating to the conduct of any Bar function prepared, owned, used, or retained by the Bar regardless of physical form or characteristics. Bar records include only those records in the possession of the Bar and its staff or stored under Bar ownership and control in facilities or servers. Records solely in the possession of hearing officers, non-Bar staff members of boards, committees, task forces, commissions, sections, councils, or divisions that were prepared by the hearing officers or the members and in their sole possession, including private notes and working papers, are not Bar records and are not subject to public access under this rule. Nothing in this rule requires the Bar to create a record that is not currently in possession of the Bar at the time of the request.

(3) "Writing" means handwriting, typewriting, printing, photostating, photographing, and every other means of recording any form of communication or representation in paper, digital, or other format.
(d) Bar Records—Right of Access.

(1) The Bar shall make available for inspection and copying all Bar records, unless the record falls within the specific exemptions of this rule, or any other state statute (including the Public Records Act, chapter 42.56 RCW) or federal statute or rule as they would be applied to a public agency, or is made confidential by the Rules of Professional Conduct, the Rules for Enforcement of Lawyer Conduct, the Admission to Practice Rules and associated regulations, the Rules for Enforcement of Limited Practice Officer Conduct, General Rule 25, court orders or protective orders issued under those rules, or any other state or federal statute or rule. To the extent required to prevent an unreasonable invasion of personal privacy interests or threat to safety or by the above-referenced rules, statutes, or orders, the Bar shall delete identifying details in a manner consistent with those rules, statutes, or orders when it makes available or publishes any Bar record; however, in each case, the justification for the deletion shall be explained in writing.

(2) In addition to exemptions referenced above, the following categories of Bar records are exempt from public access except as may expressly be made public by court rule:

(A) Records of the personnel committee, and personal information in Bar records for employees, appointees, members, or volunteers of the Bar to the extent that disclosure would violate their right to privacy, including home contact information (unless such information is their address of record), Social Security numbers, driver’s license numbers, identification or security photographs held in Bar records, and personal data including ethnicity, race, disability status, gender, and sexual orientation. Membership class and status, bar number, dates of admission or licensing, addresses of record, and business telephone numbers, facsimile numbers, and electronic mail addresses (unless there has been a request that electronic mail addresses not be made public) shall not be exempt, provided that any such information shall be exempt if the Executive Director approves the confidentiality of that information for reasons of personal security or other compelling reason, which approval must be reviewed annually.

(B) Specific information and records regarding

(i) internal policies, guidelines, procedures, or techniques, the disclosure of which would reasonably be expected to compromise the conduct of disciplinary or regulatory functions, investigations, or examinations;

(ii) application, investigation, and hearing or proceeding records relating to lawyer, Limited Practice Officer, or Limited License Legal Technician admissions, licensing, or discipline, or that relate to the work of ELC 2.5 hearing officers, the Board of Bar Examiners, the Character and Fitness Board, the Law Clerk Board, the Limited Practice Board, the MCLE Board, the Limited License Legal Technician Board, the Practice of Law Board, or the Disciplinary Board in conducting investigations, hearings or proceedings; and

(iii) the work of the Judicial Recommendation Committee and the Hearing Officer selection panel, unless such records are expressly categorized as public information by court rule.

(C) Valuable formulae, designs, drawings, computer source code or object code, and research data created or obtained by the Bar.

(D) Information regarding the infrastructure, integrity, and security of computer and telecommunication networks, databases, and systems.
(E) Applications for licensure by the Bar and annual licensing forms and related records, including applications for license fee hardship waivers and any decision or determinations on the hardship waiver applications.

(F) Requests by members for ethics opinions to the extent that they contain information identifying the member or a party to the inquiry.

Information covered by exemptions will be redacted from the specific records sought. Statistical information not descriptive of any readily identifiable person or persons may be disclosed.

(3) Persons Who Are Subjects of Records.

(A) Unless otherwise required or prohibited by law, the Bar has the option to give notice of any records request to any member or third party whose records would be included in the Bar's response.

(B) Any person who is named in a record, or to whom a record specifically pertains, may present information opposing the disclosure to the applicable decision maker.

(C) If the Bar decides to allow access to a requested record, a person who is named in that record, or to whom the records specifically pertains, has a right to initiate review or to participate as a party to any review initiated by a requester. The deadlines that apply to a requester apply as well to a person who is a subject of a record.

(e) Bar Records--Procedures for Access.

(1) General Procedures. The Bar Executive Director shall appoint a Bar staff member to serve as the public records officer to whom all records requests shall be submitted. Records requests must be in writing and delivered to the Bar public records officer, who shall respond to such requests within 30 days of receipt. The Washington State Bar Association must implement this rule and adopt and publish on its website the public records officer's work mailing address, telephone number, fax number, and e-mail address, and the procedures and fee schedules for accepting and responding to records requests by the effective date of this rule. The Bar shall acknowledge receipt of the request within 14 days of receipt, and shall communicate with the requester as necessary to clarify any ambiguities as to the records being requested. Records requests shall not be directed to other Bar staff or to volunteers serving on boards, committees, task forces, commissions, sections, councils, or divisions.

(2) Charging of Fees.

(A) A fee may not be charged to view Bar records.

(B) A fee may be charged for the photocopying or scanning of Bar records according to the fee schedule established by the Bar and published on its web site.

(C) A fee not to exceed $30 per hour may be charged for research services required to fulfill a request taking longer than one hour. The fee shall be assessed from the second hour onward.

(f) Extraordinary Requests Limited by Resource Constraints. If a particular request is of a magnitude or burden on resources that the Bar cannot fully comply within 30 days due to constraints on time, resources, and personnel, the Bar shall communicate this information to the requester along with a good faith estimate of the time needed to complete the Bar's response. The Bar must attempt to reach
agreement with the requester as to narrowing the request to a more manageable scope and as to a timeframe for the Bar's response, which may include a schedule of installment responses. If the Bar and requester are unable to reach agreement, the Bar shall respond to the extent practicable, clarify how and why the response differs from the request, and inform the requester that it has completed its response.

(g) Denials. Denials must be in writing and shall identify the applicable exemptions or other bases for denial as well as a written summary of the procedures under which the requesting party may seek further review.

(h) Review of Records Decisions.

(1) Internal Review. A person who objects to a record decision or other action by the Bar's public records officer may request review by the Bar's Executive Director.

(A) A record requester’s petition for internal review must be submitted within 90 days of the Bar’s public records officer’s decision, on such form as the Bar shall designate and make available.

(B) The review proceeding is informal, summary, and on the record.

(C) The review proceeding shall be held within five working days. If that is not reasonably possible, then within five working days the review shall be scheduled for the earliest practical date.

(2) External Review. A person who objects to a records review decision by the Bar's Executive Director may request review by the Records Request Appeals Officer (RRAO) for the Bar.

(A) The requesting party's request for review of the Executive Director's decision must be deposited in the mail and postmarked or delivered to the Bar not later than 30 days after the issuance of the decision, and must be on such form as the Bar shall designate and make available.

(B) The review will be informal and summary, but in the sole discretion of the RRAO may include the submission of briefs no more than 20 pages long and of oral arguments no more than 15 minutes long.

(C) Decisions of the RRAO are final unless, within 30 days of the issuance of the decision, a request for discretionary review of the decision is filed with the Supreme Court. If review is granted, review is conducted by the Chief Justice of the Washington Supreme Court or his or her designee in accordance with procedures established by the Supreme Court. A designee of the Chief Justice shall be a current or former elected judge. The review proceeding shall be on the record, without additional briefing or argument unless such is ordered by the Chief Justice or his or her designee.

(D) The RRAO shall be appointed by the Board of Governors. The Bar may reimburse the RRAO for all necessary and reasonable expenses incurred in the completion of these duties, and may provide compensation for the time necessary for these reviews at a level established by the Board of Governors.

(i) Monetary Awards Not Allowed. Attorney fees, costs, civil penalties, or fines may not be awarded under this rule.

(j) Effective Date of Rule.

(1) This rule goes into effect on July 1, 2014, and applies to records that are created on or after that date.
(2) Public access to records that are created before that date are to be analyzed according to other
court rules, applicable statutes, and the common law balancing test; the Public Records Act, chapter 42.56
RCW, does not apply to such Bar records, but it may be used for nonbinding guidance.

[Adopted effective July 1, 2014; amended effective September 1, 2017.]

GR 12.5

Supreme Court would have immunity in performing the same functions.

Board of Governors Meetings

Philosophical Statement:

“We take serious our representational responsibilities and will try to inform ourselves on the subject matter before us by contact with constituents, stakeholders, WSBA staff and committees when possible and appropriate. In all deliberations and actions we will be courageous and keep in mind the need to represent and lead our membership and safeguard the public. In our actions, we will be mindful of both the call to action and the constraints placed upon the WSBA by GR 12 and other standards.”

Governor’s Commitments:

1. Tackle the problems presented; don’t make up new ones.
2. Keep perspective on long-term goals.
3. Actively listen to understand the issues and perspective of others before making the final decision or lobbying for an absolute.
4. Respect the speaker, the input and the Board’s decision.
5. Collect your thoughts and speak to the point – sparingly!
6. Foster interpersonal relationships between Board members outside Board events.
7. Listen and be courteous to speakers.
8. Speak only if you can shed light on the subject, don’t be repetitive.
9. Consider, respect and trust committee work but exercise the Board’s obligation to establish policy and insure that the committee work is consistent with that policy and the Board’s responsibility to the WSBA’s mission.
10. Seek the best decision through quality discussion and ample time (listen, don’t make assumptions, avoid sidebars, speak frankly, allow time before and during meetings to discuss important matters).
11. Don’t repeat points already made.
12. Everyone should have a chance to weigh in on discussion topics before persons are given a second opportunity.
13. No governor should commit the board to actions, opinions, or projects without consultation with the whole Board.
14. Use caution with e-mail: it can be a useful tool for debating, but e-mail is not confidential and does not easily involve all interests.
15. Maintain the strict confidentiality of executive session discussions and matters.

BOARD OF GOVERNORS

GUIDING COMMUNICATION PRINCIPLES

In each communication, I will assume the good intent of my fellow colleagues; earnestly and actively listen; encourage the expression of and seek to affirm the value of their differing perspectives, even where I may disagree; share my ideas and thoughts with compassion, clarity, and where appropriate confidentiality; and commit myself to the unwavering recognition, appreciation, and celebration of the humanity, skills, and talents that each of my fellow colleagues bring in the spirit and effort to work for the mission of the WSBA. Therefore, I commit myself to operating with the following norms:

♦ I will treat each person with courtesy and respect, valuing each individual.
♦ I will strive to be nonjudgmental, open-minded, and receptive to the ideas of others.
♦ I will assume the good intent of others.
♦ I will speak in ways that encourage others to speak.
♦ I will respect others’ time, workload, and priorities.
♦ I will aspire to be honest and open in all communications.
♦ I will aim for clarity; be complete, yet concise.
♦ I will practice “active” listening and ask questions if I don’t understand.
♦ I will use the appropriate communication method (face-to-face, email, phone, voicemail) for the message and situation.

♦ When dealing with material of a sensitive or confidential nature, I will seek and confirm that there is mutual agreement to the ground rules of confidentiality at the outset of the communication.

♦ I will avoid triangulation and go directly to the person with whom I need to communicate. (If there is a problem, I will go to the source for resolution rather than discussing it with or complaining to others.)

♦ I will focus on reaching understanding and finding solutions to problems.
♦ I will be mindful of information that affects, or might be of interest or value to, others, and pass it along; err on the side of over-communication.
♦ I will maintain a sense of perspective and respectful humor.
