BOARD BUSINESS

Public Agenda
Robin Nussbaum presented the Diversity and Inclusion training.

The Law Clerk Board (Board) began with introductions as there are three new Board members. Ben talked about the importance of Board member liaisons to clerk/tutor pairs staying engaged with their assigned clerks and providing feedback to the clerks and tutors as they submit monthly exams and book reports.

The Board approved the minutes of the August 2, 2019 meeting.

The Board continued the discussion from their August meeting regarding outreach and events for the Law Clerk Program. The Board would like to create an outreach committee to further discuss outreach options for the program.

Renata updated the Board on the Law Clerk video that is currently in production.

The Board discussed whether it is appropriate for a BOG liaison or someone with access to other clerk materials to also be a tutor in the Law Clerk Program. The Board decided that in a situation like this, the
person would not be given access to other law clerk files and would only have access to Board meeting materials. In addition, the persons would have to recuse themselves from any conversation on the agenda regarding their clerk.

The Board voted to remove *Bitter Waters of Medicine Creek* as the first book to read for the jurisprudence book report requirement.
