Detail Report June 2, 2017 Page 1 of 3 Revises the definitions of "dog guide" and "service animal" to include a dog that is in training for the purpose of assisting certain people.

| | Personal info. sale & tax | Gov. signed: H Rules C | Smith | | | |
|----------------|--|-------------------------|----------|--------|--|--|
| | Concerning the sale and taxation of Washingtonians' personal information and related data. Finds that there are businesses engaged in: (1) Accumulating personal data that is available to be collected about people as they use the internet; and (2) Aggregating or compiling that information and reselling it without any compensation to the people of the state. Sets apart this growing industry with its own individual tax rate. Imposes a business and occupation tax on persons engaging in the business of making sales of personal information or exchanging personal information for consideration. | | | | | |

Humane treatment of dogs

Gov. signed: C 65 L 17

Fain

Monitoring

SSB 5356

Concerning the humane treatment of dogs.

Addresses the unlawful tethering of a dog.

Elk hoof disease

Gov. signed: C 159 L 17

Pearson

Monitoring

Initiating proactive steps to address elk hoof disease.

2SSB 5474

Requires the rules of the department of fish and wildlife to prohibit a person from translocating a live elk from an area with elk affected by hoof disease to any other location except consistent with a process developed by the department for translocation for monitoring or hoof disease management purposes. Designates Washington State University college of veterinary medicine as the state lead in developing a program to monitor and assess causes of and potential solutions for elk hoof disease and requires the college to establish an elk monitoring system in southwest Washington in order to carry out this mission.
