Pro Bono and Public Service Committee
Volunteer Position Description

The Pro Bono and Public Service Committee works to enhance a culture of legal service by promoting opportunities and best practices that encourage members to engage in pro bono and public services, especially for low to moderate-income communities. This past year, the Committee successfully drafted and finalized model pro bono policies for law firms, government agencies, and in-house counsel. These polices were approved by the Board of Governors in July 2019 and are available online [here](#). Committee members have recently started as liaisons with pro bono stakeholders across the state to connect, build, and deepen relationships. Many of these relationships have helped to inform the Committee’s projects and priorities. Current projects include exploring the Emeritus Pro Bono license, updating the pro bono opportunities online [clearinghouse](#), and exploring CLE needs for pro bono volunteers.

**Position overview:** Members are expected to participate in monthly Committee meetings either in person or by phone. Committee members are also expected to join at least one workgroup: Rules/Policies, CLE, Technology, and Communications. Although in person attendance is encouraged for committee meetings,, remote participation is available especially for attorneys outside of King County.

Appointment is for a two-year term with eligibility to be reappointed for a second two-year term.

Workgroup-related projects may require time outside of meetings, approximately 2-3 hours a month.

**Requirements:** Applicants must be active WSBA members in good standing. One emeritus pro bono position is available. There are no requirement for years of practice or practice area. **Reimbursement policy:** This is an unpaid volunteer position. Reasonable travel and other expenses will be reimbursed per the WSBA Expense Reimbursement Policy.
