ORDER

IN THE MATTER OF THE SUGGESTED AMENDMENTS TO APR 12— LIMITED
PRACTICE RULE FOR LIMITED PRACTICE OFFICERS

DATED at Olympia, Washington this 7th day of July, 2026.

For the Court

CHIEF JUSTICE

GR 9 COVER SHEET

**Suggested Amendments
APR 12(b)(3)
Limited Practice Rule for Limited Practice Officers
Submitted by the Washington State Bar Association**

C. Purpose:

As part of its commitment to self-regulation of the legal profession, the Washington State Bar Association (WSBA) often relies on volunteer members of the legal community to perform essential functions for regulating Bar members. For the most part, these individuals graciously devote their time to the WSBA's activities without compensation. In certain instances, however, the WSBA recognizes that activities go beyond what might typically be expected of a volunteer and provides some compensation for the activities. The Board of Bar Examiners (BOBE) is one such instance. BOBE members receive compensation for their time grading the written portion of the bar exam and for reviewing and updating the Washington Law Component Test.

The Limited Practice (LP) Board performs similar functions to the BOBE, including grading LP exams and drafting exam questions, without compensation because APR 12(b)(3) presently prohibits the WSBA from providing compensation to members of the LP Board beyond reimbursement for reasonable expenses. The WSBA has determined that it would be beneficial to compensate LP Board members commensurate with the compensation currently provided to the BOBE. Providing payment to both boards would recognize the equal functions the board performs, create consistency in the WSBA's compensation practices, and would make it more feasible for volunteers to devote their time to essential Bar functions. The WSBA, therefore, suggests amendments to APR 12(b)(3) to permit the Bar to provide compensation to members of the LP Board for their grading and exam development activities.
