**PUBLIC SESSION**

**Call to Order**

The meeting was called to order at 1:11 p.m. by Chair Lesli Ashley.

**Meeting Minutes for Approval**

The February 18, 2026 meeting minutes were approved.

**Entity Regulation Application Committee**

Bobby informed the Board that the committee met with the compliance officer for Legata, Inc. and gathered additional information about the application. The committee recommended that the Board approve the application according to the terms set forth in the Proposed Order. The Board heard public comment, discussed the application and approved the Proposed Order with direction to send the application, recommendation, and proposed order to the Washington Supreme Court.

**Form a GR 25 Board Duties Subcommittee**

The Supreme Court asked the Board to examine its potential role in possibly overseeing the use of legal technology in the legal profession as was recommended by the WSBA's Legal Technology Task Force. The GR25 committee met and discussed what that role could look like. In addition, because the committee is reviewing the possibility of adding this duty to GR 25, the committee reviewed all board duties in GR 25 including whether the board should continue to receive complaints alleging the unauthorized practice of law and whether all new proposals for the delivery of legal services need to be financially self-supporting. The subcommittee will gather additional information and resources to aid in this endeavor.

**Unauthorized Practice of Law Complaints Summary**

WSBA Paralegal Anne Trent provided a summary of UPL complaints received and referred.

**POLB Press, Update, & Information Sheet**

Board members reviewed recent articles and upcoming events.

**Adjournment**

The meeting adjourned at 2:05 p.m.
