Dispute Resolution Section

Washington State Bar Association

RE: Application for At-Large Member position of the Executive Committee

To Whom It May Concern:

Please consider this my letter of interest in applying for an open at-large membership position with the Executive Committee of the Dispute Resolution Section of the Washington State Bar Association. It has been my pleasure to serve on the Executive Committee for the last several years as both an at-large member and through my appointment last year as the Vice Chair. I look forward to continuing my service through this election for an open at-large position.

Over the past several years, I have been an active participant of the Executive Committee for the Dispute Resolution Section. Through this role, I have regularly attended the Committee's annual fall retreat and been a regular participant at our monthly meetings. I have also served on the planning committee for the Northwest Dispute Resolution conference the last two years, which included revitalizing the conference following a five-year hiatus.

I am excited to continue my work on the Committee and look for your support in this election. Thank you for your consideration.

Sincerely,

Christopher Casillas
