Statement of Interest

When I saw the opportunity to serve as the Young Business Lawyers Committee Chair, I was excited about the chance to give back to an organization that supported me during law school. As a law student, I benefited greatly from WSBA programs—particularly through my involvement with the 2023 Access to Justice Conference Planning Committee and the Moderate Means Program. Those experiences gave me a strong appreciation for the impact WSBA has on emerging legal professionals, and I am eager to give back as a new attorney.

Now practicing as an associate attorney, I continue to seek out ways to grow professionally and connect with peers who share a strong interest for business law. This position offers an ideal opportunity to engage with the legal community, support fellow young attorneys, and contribute to the profession in a meaningful way.

Thank you for considering my application. I would be honored to serve and help lead this important work.
