

Gregory Fox

I have served as the UCC Committee co-chair and now chair since 2019 and would like to continue in the role. As chair, I facilitated the UCC Committee's review and recommendation with respect to recent UCC amendments, and a related seminar. Last year, I coordinated the UCC committee's panel at the WSBA Business Law Section's seminar. I have practiced commercial law for 25 years, co-chair the ABA Business Law Section Joint Task Force for Security Interests in LLC's and Partnerships, and am a fellow in the American College of Commercial Finance Lawyers. I am committed to ensuring that the UCC remains uniform in Washington and also consistent with Washington law.
