

Statement of Interest to Continue Serving on the Business Law Executive Committee

To the WSBA,

I am writing to express my sincere interest in continuing to serve on the Business Law Executive Committee. Over the past approximately 20 years, I have had the privilege of contributing to the committee's initiatives, collaborating with colleagues, and advancing the goals and mission of our esteemed body.

During my tenure, I have been actively involved in many roles, including Chairing the Committee, which has allowed me to gain valuable insights and experience in the field of business law. I have committed myself to fostering collaboration and ensuring that our committee remains at the forefront of legal advancements and advocacy.

One of the most rewarding aspects of serving on the committee has been the opportunity to work alongside dedicated professionals who share a passion for business law and its impact on our state. I have seen firsthand the positive changes we can effect when we come together with a shared purpose. This collective effort has inspired me to continue contributing my time, energy, and expertise to further our mission.

Looking ahead, I am particularly excited about developing updates to the LLC Act and believe that my continued involvement will be beneficial to the Business Law Committee's success.

Thank you for considering my request to continue serving on the Business Law Executive Committee. I am confident that we can achieve great things in the years to come. I look forward to the possibility of continuing our collaborative efforts and making a lasting impact.

Sincerely,

Matt LeMaster
