

Scott W. MacCormack

Statement of Interest

My practice involves the regular delivery of legal opinions in support of transactions involving Washington entities. I have served on the Business Law Section's Legal Opinions Committee for over 10 years, and have chaired the Committee since it prepared and issued the 2018 Report on Third-Party Legal Opinion Practice in the State of Washington.

I am also active at a national level on legal opinion issues. I am a member of the Association Advisory Board for the Working Group on Legal Opinions, and I am a member of the New York TriBar Legal Opinion Committee.

I would be honored to continue serving as the chair of the Legal Opinions Committee for the Business Law Section.
