WSBA Creditor Debtor Rights Section

Position 5, King County: two-year position beginning Oct. 1, 2025, and ending Sept. 30, 2027.

Statement of Interest:

I would be honored to serve as a member of the executive committee and support efforts to connect our section across the state and further the committee's mission of education, advocacy, and professional development.

In my practice I represent a broad spectrum of stakeholders, including creditors, trustees, and receivers, in complex bankruptcy and receivership matters. I appreciate the diverse interests affected by this area of law and recognize the importance of fostering thoughtful dialogue in our legal community. I want to contribute to our section's work in improving access to justice through the grant program and in overseeing and guiding legislative changes. I am enthusiastic about contributing to the section's educational initiatives and the mentorship of newer practitioners.

I welcome the opportunity to collaborate with this team of dedicated professionals to support the committee's work and enhance our section's value to the bar and the public.
