

Rebecca Sheppard

As a Northwest native and graduate of the University of Idaho and Gonzaga University School of Law, I founded Sheppard Law Office, PC in Spokane Valley with the goal of helping the people in my community find ways to deal with their overwhelming debt. My practice focuses on bankruptcy, primarily as debtors' counsel and with an emphasis on consumer Chapter 7 and 13 cases. Currently, I am serving my second term on the Board of Directors for the Eastern District of Washington Bankruptcy Bar Association. I have served three terms on the Eastern District's Bankruptcy Standing Advisory Rules Committee, and I am a regular speaker at CLEs throughout Eastern Washington. I am honored to be a candidate for the Executive Committee. If elected, I am committed to promoting the Creditor-Debtor Rights Section's objective to educate the bar and the public about those issues critical to our Section's members.
