

My name is Morgan G. Ziegler, I graduated from the University of Washington in 1992. I received my law degree from Seattle University in 1997. My wife and I have lived in Olympia for more than 25 years, we have one son who is about to graduate from college.

I have been practicing bankruptcy law for over 25 years here in Olympia with Weinberg & Ziegler, PLLC, and I am a member of the Creditor Debtor Rights Section.

I am interested in following proposed legislations as it relates to issues in the practice of bankruptcy law and I would be interested in serving as the South Sound member of the Executive Committee for the Creditor Debtors Rights Section.

Thank you,
Morgan Ziegler
