

Construction Law Section

OCTOBER 1, 2021 – SEPTEMBER 30, 2022

CONSTRUCTION LAW SECTION members share common interests on a wide variety of issues related to the construction industry and all aspects of government procurement. The Section promotes the education of members in laws, regulations, and administrative and court decisions, and the sound development of relevant laws and regulations, cooperating in that endeavor with the American Bar Association and its sections, while also promoting the objectives of the Washington State Bar Association. Section members engage in a broad spectrum of business activities relating to contract drafting and negotiation and bidding processes, as well as all varieties of dispute resolution including arbitration, mediation, litigation, and bid protest.
