Experienced Commercial Counsel With A Focus On Technology & Data Privacy Contracts

I am excited to apply for the position of Secretary of the Corporate Counsel Section. With a strong foundation as commercial counsel and long track record of numerous board positions in the local legal community, I bring both legal and leadership expertise to this role.

In addition to my roles as outside counsel, I have enjoyed serving the legal community through effective leadership. I have served as both Secretary and President of the South Asian Bar Association of Washington (SABAW), President of the King County Bar Association's Business Law Section, and served on WSBA's foundational Privacy Committee. Specifically, as Secretary of SABAW, I developed and implemented efficient processes for meeting documentation and communication. These experiences have honed my skills in organizational governance, strategic planning, and fostering inclusive engagement across professional networks.

I am confident that my experience in legal leadership roles and my commitment to service will allow me to effectively support the Corporate Counsel Section as Secretary. Thank you for your consideration.

Regards,
