## STATEMENT OF INTEREST

I am writing to express my interest in continuing to serve as a member of the WSBA Indian Law Section. As a multi-year volunteer and board member with extensive experience supporting the Section's mission, I bring a deep and sustained institutional knowledge that will help advance the objectives of the Section. I have great relationships with the members of the Section and truly enjoy providing the services that it provides the community. As a lawyer with experience in house at a tribal government, my perspective has proven valuable in the past. I would be honored to continue this work.
