Nominations and elections for open officer positions and other open executive committee positions will be held between March and May each year. The Washington State Bar Association will administer the elections by electronic means and certify the results, unless the Section develops its own equivalent electronic election process. In the event of a tie, the executive committee will determine the winner using a coin toss at its next meeting where a quorum is established. Each voting member of the Section in good standing as of the date of the annual election shall have one vote for each open position.

10.2 Nominating Committee

Each year, the executive committee or Chair shall appoint a nominating committee of no fewer than three (3) section members, one of whom is not a current member of the executive committee. All applicants will apply through an electronic process administered by the Washington State Bar Association. The nominating committee shall nominate one or more voting members of the Section for each officer position, may nominate one or more voting members of the Section for open non-officer voting member positions on the executive committee, and may nominate one or more subscribers of the Section for any number of non-voting liaison positions. As an alternative process to allow for nominations to occur outside of the nominating committee process, any member of the Section may nominate himself or herself for open positions. All nominees must meet the prerequisites for the position for which they are running. The executive committee will approve a list of nominees for each open position.
