## **Executive Committee**

Minutes

**10/8/25**

Meeting called to order: 4:20pm.

Attending: Marya Noyes, Miryam Gordon, Clay Wilson, Rachel Rappaport, Lesli Ashley, Jaymi Trimble, Ranae York, Carolyn MacGregor

Agenda:

- A. Lesli went first regarding hiring a consultant to do posts on the internet. She's looking at \$55-\$65 per post and we discussed that our idea of budget was around \$500/month so something like 10 posts/month. Carolyn noted having a specific start/end date on a contract. Discussion of who is managing content in the process. Lesli would supervise the ramp up and possibly edit posts with contractor. Any AI content has to be disclosed per WSBA requirement.  
Reason to do this: enhance exposure to Low Bono practitioners, and as an advantage to Section members (additional marketing). Kai Fischer is the person being considered for this effort.
- B. Reviewed and approved Minutes from September
- C. Treasurer's Report – Clay – Balance now almost \$32,000. Had good response to August CLE.
- D. CLE/Education Committee – Marya – CLEs calendared are listed in our google drive. Mark Baumann will talk about unbundling legal services 10/22/25. November, Lesli will present on marketing and how to create AI content, date TBA.
- E. Guardian subcommittee – Miryam – The final proposal was delivered to Sen. Pedersen and has been submitted by him to code revisors which means that it's being turned into bill language. Big triumph.
- F. Legislative Committee – Clay, Miryam - No report.
- G. Directory or listing opportunity to publicize Low Bono providers – Rachel. Rachel and Carolyn have spoken and there is a process going on about how to do this. There is an

interest in providing a directory in some format, but where would it go? Section may have to pay for another website. Stay tuned.

- H. Bylaw discussion – Miryam made a motion to change the At Large positions from once-a-year term to a two-year term. Seconded and **passed unanimously**. Miryam will work with Carolyn to revise the bylaws.
- I. Still need to talk about the idea of an annual award for Low Bono Practitioner of the Year. Maybe a celebratory dinner in person or zoom? Put on agenda for next meeting for more discussion.
- J. Rachel Rappaport needed to be voted in as at large member for 2025-26 fiscal year.
- K. Chair-Elect position is still open.
