Large Firm (51+)	14%

The Labor and Employment Law Section seeks the participation of all interested members of the Bar including plaintiff's and defense counsel from both the public and private sectors and of state and local bar associations in order to benefit such members, their clients and the general public by providing a forum for members to exchange ideas in all areas of labor and employment law, by establishing an annual CLE and business meeting, and by undertaking such other service as may be of benefit to the members, the legal profession and the public.

ACCOMPLISHMENTS

CLEs

Annual CLE hit another record in terms of attendance. The section strives for interactive panel discussions on all issues—so the breadth and depth of all the various perspectives in the Section are featured.

3

The Section has also strived, and will continue to strive, to increase access to justice for lawyers of moderate means and in the central and eastern parts of the State. The section annually sponsors an "East of the Mountains" Mini-CLE and networking events in Spokane and Yakima over the last few years offered at no charge to attendees. These are also very valuable and accessible opportunities for law students and young lawyers across the state to network and get involved in the Section and find mentoring and work opportunities.

Scholarships, Donations & Grants

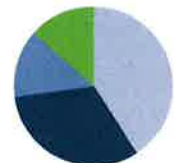

\$15,000
