Purpose: <i>May be stated in Bylaws, Charter, Court Rule, etc.</i>	
The Lesbian, Gay, Bisexual, and Transgender Law Section strives to support understanding among WSBA members of the legal needs of lesbian, gay, bisexual, and transgender residents of Washington, assist LGBT residents and those who represent them, better understand how their legal needs can be met, support research, education and collaboration by section members on issues of sexual orientation and gender identification. Promote the study of LGBTQ+ law and report on changing law and regulations as they affect LGBT people and communities, assist in legislative work and act as a liaison between the WSBA its Board of Governors, LGBTQ+ Organizations, and the public.	
Strategy to Fulfill Purpose:	
The Section fulfills this purpose through direct community engagement opportunities, including social and networking opportunities for members. The Section also provides at least Sections October 1, 2023 – September 30, 2024 (FY24) one CLE for WSBA members each year. The Section has also	

worked with other community focused organizations to promote collaboration on social and networking events.	
How does the section's purpose help further the mission of the WSBA "to serve the public and the members of the Bar, to ensure integrity of the legal profession, and to champion justice"?	
The Section's involvement in research and presentation on changing areas of LGBTQ+-specific law promotes continuing knowledge development/sharing and community-specific competence within the legal community – thereby promoting ethical and professional practice, which has an immediate effect on justice for the community and community members as litigants, educators, counsel, judges, and members of the profession generally. The Section further promotes respect and civility within the legal community and between judges, lawyers, staff, and clients. The Section's educational programming includes discussions of best practices to ensure we are meeting the needs of all LGBTQ+ Washingtonians, including addressing implicit and explicit bias and homophobic and transphobic behavior and language in the courtroom. In addition, at our annual meeting each year we strive to discuss issues of professionalism that members may have come in contact with over the past year, ensuring that we are consistently serving our members' needs and addressing membership concerns. We also devote a significant portion of our educational programming to address respectful and inclusive language that further promotes the overall integrity and inclusivity of the profession
