<p><b>Please report how this section is addressing diversity:</b>  (Are you using any of the tools provided by WSBA and if so, how? Have you sought out training or consultation from the Diversity Specialist? How have you elicited input from a variety of perspectives in your decision-making? What have you done to promote a culture of inclusion within the board or committee? What has your section done to promote equitable conditions for members from historically underrepresented backgrounds to enter, stay, thrive, and eventually lead the profession?)</p> <p><b>We actively ensure that our CLE programs include diverse speakers/presenters</b></p> <p><b>We try to ensure both practice, geographic and ethnic diversity on our Executive Committee</b></p> <p><b>We have not used the WSBA Diversity Specialist.</b></p> <p><b>The point of contact on our Committee for this should be Vincent Nappo (Chair).</b></p>		

**We will continue to promote diversity within our section leadership and in the presenters and speakers at section programs and identify outreach opportunities to increase diversity in our membership and leadership.**

**Please report how this section is addressing professionalism:**

(Does the section's work promote respect and civility within the legal community? Does it seek to improve relationships between and among lawyers, judges, staff and clients? Does it raise awareness about the causes and/or consequences of unprofessional behavior?)

**We have engaged with our YLD Liaison to get input on issues of importance to younger lawyers, and continue in our participation at Law School outreach events at all three law schools as well as Open Sections Nights. In addition, we are working towards the implementation of a new mentor program pairing experienced litigators with newer members of the Bar. Finally, our Annual CLE focuses on both more basic and higher level skills in a demonstration and discussion format that allows both new and more experienced lawyers to share and learn.**

**Please report how this section is integrating new and young lawyers into its work:**

(How have you brought new and young lawyers into your decision making process? Has the section supported new and young lawyers by (for example) helping to find and prepare them for employment, assisting with debt management, building community, and providing leadership opportunities?)

Several members of the committee are less than 7 years out of law school. In addition, we have developed a mentor program, coordinated by the young lawyer liaison, and we are actively in contact with the law schools to host annual social events with law students.

**Please describe your Executive Committee's relationship with WSBA staff and the Board of Governors.**

*For example:*

- *Quality of WSBA staff support/services provided to Section Executive Committee*
- *Involvement with Board of Governors, including assigned BOG liaison*
- *Ideas you have on ways WSBA can continue to strengthen/support services to sections.*

**WSBA Staff has been great to work with and responsive when we have questions. Staff has also been helpful in assisting our section in complying with WSBA requirements.**

**In the past, BOG Liaison was engaged, participated and was most helpful in providing insight and outreach for the BOG to our section. We have not heard from the BOG Liaison currently, but are in the process of reaching out to invite her to join our monthly meetings.**

**Note:** Annual Reports will be provided to the WSBA Executive Director, Board of Governors and posted on your section's webpage. We encourage you to share the Annual Report with your BOG liaison and section membership.

Reports are scheduled to be included in the January 2020 BOG Meeting Materials.

**Return by December 6, 2019 to [sections@wsba.org](mailto:sections@wsba.org)**
