

Real Property Council Director (10/01/2025 – 09/30/2027)

Statement of Interest – Jessica A. Cohen

Please accept my application to be Real Property Council Director for the WSBA RPPT Section. I am very familiar with the inner workings of the RPPT Section because I served on the Executive Committee from 2019 – 2023 and prior to being on the EC was the Newsletter Editor and Assistant Editor. Additionally, in 2023 I Co-Chaired the RPPT Mid-Year Conference in Walla Walla, Washington, with an impressive turnout, terrific speakers, and highly rated social activities.

To the RPPT EC and Section, I will bring my excellent organizational and project management skills, ability to consider different viewpoints, and focus on end results. In my time as Assistant Editor and Editor for the RPPT Newsletter, I successfully published four quarterly newsletters for two consecutive years – an outcome that subsequently was not achieved.

In my role as a private practice commercial real estate attorney, I successfully manage multiple large and complex real estate transactions seamlessly. In addition to client work, I mentor junior associates, have served on firm committees, and am active in local industry groups – specifically CREW Seattle (Commercial Real Estate Women).

I look forward to serving the WSBA and its members by re-joining the RPPT Executive Committee.
