### **Statement of Interest**

My name is Darcel Lobo and I am seeking to serve as a member of the Executive Committee for the WSBA SSPS. I live in South King County with my husband, 11 year old daughter, and our 9 year old son.

I opened DAL Law Firm in 2016, and I am very interested in helping other solos and small firms discuss not only the issues that face us, but also help each other so we can build a stronger community and encourage others who may be considering going out on their own.

I have served on the Executive Committee as our section's Secretary for the past four years, and I'm very proud of the work our Executive Committee has done to support our solo and small law firms. In addition to my work on this Executive Committee, I was previously the Co-Chair for the 2017-2018 KCBA Solo and Small Firm Section, and I was the 2016-2017 SKCBA President.

I believe that I bring a strong commitment to the solo and small firm community, and I look forward to continuing to serve you as a continuing member of the SSPS Executive Committee.

Thank you for your consideration.
