

WASHINGTON STATE BAR ASSOCIATION

April 20, 2026

Dear WSBA Volunteers,

During National Volunteer Week, we pause with deep appreciation to recognize the extraordinary individuals who give their time, wisdom, and heart in service of the mission of the Washington State Bar Association. Each of you plays a vital role in lifting the legal community with your service, and strengthening our shared commitment to justice, integrity, and public service.

Every hour you contribute, every meeting you attend, and every insight you offer helps build a profession that is more responsive, connected, and equitable. What makes this community truly remarkable is not only the expertise you share, but the spirit with which you share it. You bring generosity, curiosity, collaboration, and a genuine desire to improve the world around you. In doing so, you lift up your colleagues, the Bar, and the communities we serve.

As we celebrate National Volunteer Week, we want each of you to know how deeply valued you are. Your service inspires us, shapes our direction, and strengthens the foundation of our profession. We are honored to work alongside you.

Thank you for your leadership, your partnership, and your unwavering commitment to our collective work.

With sincere gratitude,

Francis Adewale
President
Washington State Bar Association

Terra Nevitt
Executive Director
Washington State Bar Association
