By signing this application I acknowledge that I am aware that to change my license status back to Active I must submit an application that will be subject to full investigation as to both my character and my fitness to practice law, and that I must be compliant with all continuing legal education and licensing requirements necessary for that status change at that time. Further, I understand that the Board of Governors may require that I take the admissions examination for my license type and/or conduct a hearing in connection with my application to return to Active status.

I certify that I will not engage in the practice of law in Washington nor be employed in any capacity requiring an Active license while on Inactive status.
