# MENTORING PROGRAM

WSBA Administrative Law Section is seeking volunteer attorneys to participate in a mentorship program that provides guidance to attorneys early in their career. If you have been practicing Administrative Law and are looking for a way to give back while earning CLE credits, or you are new to the practice of law, the Section's mentorship program is a positive way to get engaged!

*Mentoring provides a source of support and career development for attorneys early in their career. It provides a valuable skill base that is not learned in law school.*

The Administrative Law Section's Mentorship Program is a 1 year program that runs from April 19, 2022, through March 31, 2023. Candidates are expected to attend a mandatory Zoom orientation on April 19, 2022, 12-1 p.m.

### WHAT IS THE ROLE OF A MENTOR OR MENTEE?

Mentors are expected to meet with their assigned mentee at least two (2) hours per month. A curriculum is provided that has been developed by the WSBA to help mentors and mentees obtain CLE credit. Mentors and mentees are expected to discuss the topics set out in the curriculum together. Mentors may additionally provide practical career advice to their mentees, and mentees can seek guidance on topics not addressed in the curriculum, but mentors are not expected to assist their mentees with finding employment, nor shall mentees seek help with their workload/caseload from mentors.

▶ ▶ ▶ *If you would like to volunteer as a mentor or mentee, please complete the attached application by March 31, 2022, and email it to [alexis@dynamiclawgroup.com](mailto:alexis@dynamiclawgroup.com).*
