WSBA's Moderate Means Program celebrated six years in 2017! During that time, over 700 attorneys have signed up to take reduced-fee cases from Moderate Means clients – those falling within 200-400% of the federal poverty level. Without this program, legal representation would be out of reach for many.

We recently heard from a member, who as a single mother of five put herself through law school. She has done pro bono work since her first days as a lawyer, but worried about the additional time spent away from her kids. Then one day she heard her little 7-year-old daughter say, "I want to be just like my mom. She helps everybody. You know, like Superman."

Opt For Justice

When you renew your license, renew your commitment to justice for all. Opt to donate!

Your gift to the Washington State Bar Foundation supports programs like Moderate Means, helping vulnerable people receive legal assistance, and Call to Duty, providing legal help to veterans and military families.

Your donation to the Campaign for Equal Justice funds 23 legal aid programs that provide critical legal aid to children, families, seniors, veterans, and the disabled to break cycles of poverty.

Give generously when you renew your license.

The Washington State Bar Foundation and Legal Foundation of Washington (Campaign for Equal Justice) are public charities. Your donations are tax-deductible to the full extent of the law.

“The conversation around diversity and inclusion continues to develop, having moved from whispered conversations behind closed doors, to social media blasts. I support the work of the Foundation, because now more than ever we need to have open, respectful platforms for engaging and addressing how we look at diversity and define inclusion.”
