

Matching Gift Companies

Make your gift to the Washington State Bar Foundation go even further with a matching gift from your employer. Check with your Human Resources Office for requirements and guidelines (some companies will match gifts made by spouses/partners of employees, retirees - even volunteer hours).

If your company does not have the Washington State Bar Foundation in their system yet, contact us at foundation@wsba.org and we will work with them to set it up.

(Below is only a partial list of matching gift companies. If you don't see yours listed, please contact your HR department to see if they offer a match!)
